### Peer Review Board and University Judicial Board Recruitment

We are currently recruiting student members to serve on our University judicial boards. Our judicial system is designed to hold students accountable for the Student Code of Conduct, change problematic behavior through a structured educational process, and protect the University community.

The judicial system enables the campus community to take an active role in the judicial hearing process. Board members need to possess strong interpersonal and communication skills, sound judgment, personal integrity, and demonstrate respect for others.

Hearings are scheduled on an as-needed basis. Serving on a board depends on your schedule and availability.

We will be offering a PRB/UJB training on 4/14/14 from 6 until 8 p.m.

If you are interested, please contact [judicial@alfred.edu](mailto:judicial@alfred.edu) or x2132.
