Notice to All Hourly Paid Employees (including Students) and Supervisors

Discontinuation of Paper Time Sheets

Effective Aug. 1, 2013, the Payroll Department will no longer accept paper time sheets from hourly employees (including students). Therefore, all time must be recorded on Banner Web in the prescribed manner.

Employees must submit their time electronically for their supervisor to approve no later than midnight on the Wednesday following the end of a pay period. Occasionally, due to Holidays, an early deadline may be imposed but will always be preceded by an announcement in Alfred Today.

Failure to submit time electronically will result in a delay of payment and will require the supervisor to prepare and personally deliver a paper time record to the payroll department, with the employee's signature certifying the accuracy of the time worked. Paper records will not be accepted from anyone other than the employee's supervisor. Those who habitually fail to record their time using Banner Web will be contacted by the Director of Human Resources.

New Student Arrival Thursday

On Thursday, our new students and their families are arriving to campus, all heading for McLane Center to check in. Please be prepared for longer lines at the traffic lights and parking congestion as we welcome our new students, particularly between 7:30 and 11 a.m.

If you're on campus, wander around and say hello to the families dropping off their sons and daughters at their residence halls. It's wonderful to see the energy as our RAs, orientation guides, and football players all help families unpack their cars and welcome the new students.
