### Change in Package Delivery

Beginning Monday, Sept. 2, 2013, packages that were once delivered to offices in the non-statutory colleges will be delivered to the Powell Campus Center mailroom for pickup, including UPS and Fedex packages. The recipient will be notified via email when a package is received and will need to pick up the parcels along with their regular mail.

All outgoing UPS packages should now be taken to the Powell Campus Center mailroom for shipping. The process for outgoing Fedex packages will not change and those can be taken to Office Services in Greene Hall. All USPS packages can be taken to Office Services for postage or can be taken directly to the post office.

Please be sure to use "One Saxon Drive" as the delivery address on all orders.

joining another team.

Current Varsity/JV Athletes. No more than 2 (on the field at the same time) varsity/junior varsity athletes may participate on IM Sports teams in the sport, or associated sport, in which they competed at the intercollegiate level. An athlete that appeared on an intercollegiate roster at any time during the current academic year is considered a varsity/junior varsity athlete. You may have more than 2 on the roster but only 2 can compete at the same time.

Former Varsity/ JV Athletes. Former varsity/junior varsity athletes may participate on IM Sports teams without restriction provided they have not appeared on varsity/junior varsity rosters at any time during the current academic year.

## 'Present Perfect: Alicia Eggert, Solo Exhibition'

Present Perfect: Alicia Eggert, Solo Exhibition

Date: Sept. 10 - Oct. 11

Location: Cohen Center

Open Reception: Friday, Sept. 13

Time: 5-7 p.m.

In Present Perfect, Alicia Eggert presents a body of work that serves as an ongoing investigation of time. Works including drawing, photography, neon, and kinetic sculpture, juxtapose cyclical, linear, finite, and infinite representations of time.

One kinetic sculpture repeatedly creates and destroys the word NOW, but just like time itself, it never quite comes to a complete stop. Another sculpture has been programmed to have a human lifespan, and to "die" after 78 years. A photograph of a man looking at his watch captures a dying gesture, and a 12-foot-long drawing measures time in feet and inches.

If time is a construct, Present Perfect seeks to figure out how, exactly, it's constructed. To view more work of Alicia's visit: [www.aliciaeggert.com](http://www.aliciaeggert.com).

### **Recycle Your Shoes to Help Fur-legged Friends**

The Hornell Area Humane Society has a new way to raise some much-needed money and help those less fortunate at the same time. It's called Shoebox Recycling.

We will collect your old, worn, but not totally worn out, shoes and send them to Shoebox Recycling (<http://shooboxrecycling.c...>). The shoes are then distributed to those in impoverished countries. You can even write a note to accompany your shoes and find your "Sole Mate," the person on the receiving end of your donation! In exchange, the shelter will receive money for every pound of shoes sent in. Shipping is even prepaid by Shoebox Recycling!

There is absolutely no cost to the shelter. Gayle Gebhard is heading up this effort and a box will be near her office on the 4th floor of Olin, as well as at the Hornell animal shelter on Industrial Road in Hornell.

For more information, email her at [Gebhard@alfred.edu](mailto:Gebhard@alfred.edu).
