Visiting Artist Nicholas Newcomb

Visiting Artist Nicholas Newcomb

Date: Friday, April 4

Location: Room C, Binns Merrill Hall

Time: 6 P.M.

Cost to Attend Event: Free/open to public

What to expect of your first 10 years after art school

From expenses, finding studio space, selling work, and building community, New York City has it all. But, only if you know how to find it. Nicholas Newcomb shares his experiences of establishing himself after school.

About the Artist:

Nicholas Newcomb currently owns his own pottery business in Brooklyn, NY and is the director of Christopher Spitzmiller, Inc. in Midtown Manhattan. Between juggling the 9-5, studio work, and family, Nicholas networks between multiple groups of creatives in alternate fields.

Born in upstate New York, Nicholas developed an interest in the arts and crafts. When selecting an area of study, Nicholas chose to major in studio art with a focus in ceramics at Skidmore College.

After earning his degree, Nicholas worked as an apprentice to renowned ceramicist Toshiko Takaezu, where he developed a strong appreciation for a career in ceramics.

After his apprenticeship, Nicholas moved on to teach ceramics to high school students at Millbrook School for four years. Located 90 miles north of New York City, Nicholas set his next move on the big apple.

Moving to NYC posed a number of challenges. Where to find a source of income? Where to make art? How to build a community? Where to exhibit?

After an exhaustive search, Nicholas found a position as a studio assistant to Christopher Spitzmiller.

Christopher is known for his high-end ceramic table lamps admired by interior designers far and wide. During his time at Christopher Spitzmuller, Nicholas was promoted through various positions and is currently managing director.

For Nicholas, creating a career in ceramics has been an uphill challenge filled with many learning opportunities and rewards. From developing a body of work, selling through vendors, to building his studio and personal business, Nicholas has seen a lot and loves to share his experiences.

Contemporary Cut-Paper by Mia Pearlman, Kako Ueda, Alta Buden, Natasha Bowdoin and Hong Seon Jang

Date: March 21 - May 17

Location: Cohen Gallery

Alfred, NY - Alfred University's Cohen Gallery is pleased to announce its upcoming exhibition, Pulp, curated by Alexis Grabowski (08'). Pulp is a group exhibition bringing together contemporary artists working with cut, collaged and assembled paper, including Mia Pearlman, Kako Ueda, Natasha Bowdoin, Alta Buden and Hong Seon Jang. These artists, through tedious artistic labor, create intricate and often surreal articulations - ranging from eroded geologic forms and weather systems to elaborate traditional paper-cuts depicting corporeal forms, insects and urban life.

Together, the works in Pulp explore the improbable spectrum of possibilities offered by one of the most common staples of artistic production - to be broken down and transformed anew. The exhibition illuminates the flickering dimensionality and solidity of paper-media and the process of artistic production through deconstruction.

Gallery hours are Tuesdays 10 a.m. - 3 p.m., Wednesdays and Thursdays noon - 5 p.m. For more information please contact stein@alfred.edu >.
