End-of-Semester Blackboard Tip: Export the Grade Center

Do you use Blackboard's Grade Center to calculate your students' grades? It is important to keep a record of your grades in a location other than Blackboard.

When students leave the University, their network accounts are disabled and their Blackboard activity is deleted (grades included). The Grade Center has a built-in feature that allows you to download your grades into an Excel spreadsheet.

Please see the attached instructions.

Need to Order Your AU Business Cards?

The process for ordering official Alfred University business cards changed as of February 2014. We are now working with the Alfred State College Document Center, and a virtual storefront has been developed specifically for ordering our business cards online.

The link to that storefront is:

<https://v2.printsys.net/>

Log on: AlfredUniversity

Password: AlfredUniversity1

There are two templates from which to choose: the first template is indicated for only Admissions and Financial Aid offices because they require specific phone number options; and the second template is designed to accommodate all other offices.

When you double click on your selection, a new window will open that contains a form with fields to enter your information. As the fields are filled, the information will show up on the template at the right so you will see how the business card will look upon completion. Once all the information has been entered, you will proceed to a shopping cart that has options for quantity and payment, using your AU One Card.

In order to maintain the brand identity of the University, a PDF of the card will be emailed to the Office of Communications for review/approval. Once the cards are printed, you will be notified so that you can pick them up at the ASC Document Center, 10 Upper College Drive (607.587.3532). ASC does not deliver at this time. The design and specifications of color and paper are based upon the official AU business card format that is currently in use.

IMPORTANT: For situations where you do not have access to an AU One Card, or a required deviation from the standard format cannot be included within the two template options, you will need to contact Rick McLay at mclay@alfred.edu so that a design can be created and provided to the ASC Document Center. In those situations, the online purchase option will not be available and a paper invoice will be sent to you by the ASC Document Center.

Please contact the Alfred University Office of Communications at 2103 if you have any questions.
