### New Staff in Instructional Technology Services

ITS is happy to announce that we have hired two new staff people in the Instructional Technology team.

Andrew "Anton" Flint is our new Classroom Technology Support Specialist who among other duties will support classroom technology, videoconferencing, and instructional equipment lending.

Meghanne Freivald is our new Instructional Technologist who will support faculty in their use of Blackboard and other instructional technologies. In addition to supporting faculty, Meghanne will also be offering technology training to both faculty and staff.

We are interested in hearing your suggestions about what technology training would be most helpful to the campus community.

### Bluesy Sounds of Kris and Julie Kehr

Julie's vocals stand tall as Kris' acoustic guitar playing weaves and bends underneath, producing a powerful blend of folk and soul. Their repertoire includes both Julie's and Kris' original songs and carefully chosen covers, including such things as a beautifully harmonious reading of the Neil Young classic "Human Highway" and a "Mississippi John" guitar-style version of

Aretha Franklin's "Baby I Love You" delivered with might.

Kris & Julie Kehr will be appearing at the Wellsville Creative Arts Center on Saturday, Aug. 16, 2008.

Show time is 8:00pm / doors open at 6:30pm. Tickets are \$10 advance purchase/\$12 door. Member/Student tickets are \$9 advance purchase/\$10 door. All ages welcome. Tickets may be purchased online, in advance at: [www.WellsvilleCreativeArt...](http://www.WellsvilleCreativeArt...) <<http://www.wellsvillecrea...>> or at the Art Center Coffee House.
