Green tip of the week

Print smarter (or not at all).

The average U.S. office worker can use 10,000 pieces of copy paper per year. To reduce your number, print double-sided whenever possible. Avoid color printing (hues are more likely to be toxic) and consider downloading Ecofont to save ink. Better yet, really think about whether you need that information down on sheets of dead trees, or whether having it on your computer is good enough.

May is Mental Health Awareness Month

Feelings of loss, grief, anxiety, anger, and frustration are common reactions to traumatic events. Coping with trauma and recovering from post-traumatic stress can be a lengthy process. It is important for those affected to know that they are not alone and that it is better to work through emotions rather than hide or ignore them.

May is Mental Health Month and attached is information to help you or a loved one cope with the challenges of our daily lives.

Summer Youth Soccer Camp at AU

Alfred University will host a soccer camp for youngsters in two age groups this summer. The Western New York Soccer Academy will hold the camp on the AU campus the week of June 30-July 4. It will be offered in two groups: boys and girls ages 4-7; and boys and girls ages 8-16.

Primary instructors for the camp will be Matt Smith, head men's soccer coach at Alfred University, and Aileen Ascolese, AU head women's soccer coach. They will be joined by members of their respective coaching staffs as well as coaches from other colleges and high schools.

Smith, appointed head coach at AU this winter, is the former head coach at Johns Hopkins University who possesses one of the top winning percentages all-time among NCAA men's soccer coaches. Ascolese was the top assistant at NCAA Division III powerhouse Brandeis University before being appointed head women's coach at AU prior to the 2013 season. Both are former Division I players: Smith at Towson State University and Ascolese at Rider University.

The AU camp is aimed at youth soccer players who wish to improve and develop the technical skills necessary to compete at the youth club, middle school, and high school levels.

The camp for boys and girls ages 4-7 costs \$80 and will be held Monday-Friday, from 9 a.m. to noon each day; the camp for boys and girls ages 8-16 costs \$140 and will be held from 9 a.m. to 3 p.m. Monday-Thursday and 9 a.m. to noon Friday. All campers will receive a soccer ball, t-shirt and water bottle.

For more information on the camp, call Smith at 607-871-2899 or email him at smithma@alfred.edu; or visit the camp website at www.wnysocceracademy.com
