Summer 2014 Hours Announced

Starting Monday, May 19 and continuing through Friday, Aug. 8 the University will again follow a summer work schedule.

Official summer business hours for offices will be 8 a.m. to 3:30 p.m. Please speak with your supervisor for your department's schedule.

Should you have any questions, please contact Mark Guinan in the Human Resources Department.

Fire Alarm Testing This Week

Annual fire alarm testing for campus will start Monday the 19th of May. This will continue throughout the week starting with residence halls and ending with academic buildings.

This testing is mandated by the State of New York and is needed to keep our campus safe.

Thank you for your cooperation.

It's Time to Honor Our Retirees and Recognize Service Milestones

The Annual Retiree Recognition and Service Award luncheon will be held in Ade Hall at noon on Thursday, May 22, 2014. Won't you join us as we say good-bye and best wishes to several of our friends who are embarking on the next phase of their lives and say thank you to others who have reached milestones in their service to the University?

Please, if you haven't already done so, email guinan@alfred.edu if you plan to attend so that we can assure that there is plenty of food for all.

Attached is a list of those persons we are recognizing. We hope to see you there.

Telephone Requests/Work Orders

Dick Stuart, Telecom Technician for Alfred University has retired. All campus telephone issues and requests are to be emailed to auphone@alfred.edu.

Please be sure to include the extension number, name, building, and room number along with a description of the phone request required.

If you have any questions, please contact Mary Lou Coleman, x2806.

Summer School 2014/Financial Aid

If you plan to take summer classes at AU and are a current financial aid recipient, we are providing you the following information to help you determine if you may have financial aid eligibility applicable to summer enrollment.

In most cases, the availability of financial aid for summer school is limited and not the same as during the academic year.

Green Tip of the Week

Maximize computer efficiency.

Computers in the business sector waste \$1 billion worth of electricity per year, so make it a habit to turn off your computer - and the power strip it's plugged into - when you leave work for the day. Otherwise you'll still be burning energy even if you're not burning the midnight oil.

During the day, setting your computer to go to sleep during short breaks can cut energy use 70%. Remember, screen savers don't save energy.

Zumba Toning: It's Back!

Get a workout, tone, dance and have fun, all at once with Zumba Toning Fitness classes, held Tuesdays and Thursdays from noon to 12:45 p.m. in the Multipurpose Room at the Health and Wellness Center. Join Licensed Zumba Instructor Denise Eck as she leads the class through a fast-paced workout. Sign up for all nine classes in May, or opt to take a class when you can.
