## New Student Arrival Thursday

On Thursday, our new students and their families are arriving to campus, all heading for the Health and Wellness Center at McLane to check in. Please be prepared for longer lines at the traffic lights and parking congestion as we welcome our new students, particularly between 7:30 and 11 a.m.

If you're on campus, wander around and say hello to the families dropping off their sons and daughters at their residence halls. It's wonderful to see the energy as our RAs, Orientation guides, and football players all help families unpack their cars and welcome the new students.

### We Need Your Help So We Can Keep You Well

Members of the University Community,

Alfred University is committed to the well-being of our employees. To show our commitment, we would like to learn more about your interests in health and wellness.
