New Student Arrival Thursday

On Thursday, our new students and their families are arriving to campus, all heading for the Health and Wellness Center at McLane to check in. Please be prepared for longer lines at the traffic lights and parking congestion as we welcome our new students, particularly between 7:30 and 11 a.m.

If you're on campus, wander around and say hello to the families dropping off their sons and daughters at their residence halls. It's wonderful to see the energy as our RAs, Orientation guides, and football players all help families unpack their cars and welcome the new students.

Need to Order Your AU Business Cards?

The process for ordering official Alfred University business cards changed as of February 2014. We are now working with the Alfred State College Document Center, and a virtual storefront has been developed specifically for ordering our business cards online.

The link to that storefront is:

<https://v2.printsys.net/>

Log on: AlfredUniversity

Password: AlfredUniversity1

There are two templates from which to choose: the first template is indicated for only Admissions and Financial Aid offices because they require specific phone number options; and the second template is designed to accommodate all other offices.

When you double click on your selection, a new window will open that contains a form with fields to enter your information. As the fields are filled, the information will show up on the template at the right so you will see how the business card will look upon completion. Once all the information has been entered, you will proceed to a shopping cart that has options for quantity and payment, using your AU One Card.

In order to maintain the brand identity of the University, a PDF of the card will be emailed to the Office of Communications for review/approval. Once the cards are printed, you will be notified so that you can pick them up at the ASC Document Center, 10 Upper College Drive (607.587.3532). ASC does not deliver at this time. The design and specifications of color and paper are based upon the official AU business card format that is currently in use.

IMPORTANT: For situations where you do not have access to an AU One Card, or a required deviation from the standard format cannot be included within the two template options, you will need to contact Rick McLay at mclay@alfred.edu so that a design can be created and provided to the ASC Document Center. In those situations, the online purchase option will not be available and a paper invoice will be sent to you by the ASC Document Center.

Please contact the Alfred University Office of Communications at 2103 if you have any questions.

We Need Your Help So We Can Keep You Well

Members of the University Community,

Alfred University is committed to the well-being of our employees. To show our commitment, we would like to learn more about your interests in health and wellness.

Below you will find a link for an employee interest survey. The survey asks some questions regarding current health habits. It will also gather information on what types of wellness programs you would like to participate in at the workplace. Your responses will be used in planning future wellness programs.

The employee interest survey is anonymous and your participation is voluntary. Moreover, the information you provide will be kept strictly confidential.

Please complete the survey by Monday, Sept. 1.

It is my hope that you will take advantage of this great opportunity. Don't let another day of wishing you were healthier, stronger, and happier pass by. Embrace this opportunity to make a positive change and be a healthier you.

Thank you in advance for your participation.
