### Alfred University Policy on Discrimination, Harassment, Sexual Misconduct

Alfred University's Discrimination, Harassment, and Sexual Misconduct Policy has been adopted to ensure that all students, faculty, staff, and guests may work, study, and enjoy the society of the University community without being subjected to discrimination, harassment, or any form of non-consensual sexual activity.

To emphasize our commitment to keeping our community safe from unwanted acts Dr. Charles Edmondson, president of Alfred University, has issued the attached letter to reinforce this fact. You will also find a link where you can view and/or print out the policy.

If you or someone you know of has been subjected to any of the prohibited actions listed in the policy you are encouraged to report these violations to any of the officials listed in the policy document.

### Need to Order Your AU Business Cards?

The process for ordering official Alfred University business cards changed as of February 2014. We are now working with the Alfred State College Document Center, and a virtual storefront has been developed specifically for ordering our business cards online.

The link to that storefront is:

<https://v2.printsys.net/>

Log on: AlfredUniversity

Password: AlfredUniversity1

There are two templates from which to choose: the first template is indicated for only Admissions and Financial Aid offices because they require specific phone number options; and the second template is designed to accommodate all other offices.

When you double click on your selection, a new window will open that contains a form with fields to enter your information. As the fields are filled, the information will show up on the template at the right so you will see how the business card will look upon completion. Once all the information has been entered, you will proceed to a shopping cart that has options for quantity and payment, using your AU One Card.

In order to maintain the brand identity of the University, a PDF of the card will be emailed to the Office of Communications for review/approval. Once the cards are printed, you will be notified so that you can pick them up at the ASC Document Center, 10 Upper College Drive (607.587.3532). ASC does not deliver at this time. The design and specifications of color and paper are based upon the official AU business card format that is currently in use.

**IMPORTANT:** For situations where you do not have access to an AU One Card, or a required deviation from the standard format cannot be included within the two template options, you will need to contact Rick McLay at [mclay@alfred.edu](mailto:mclay@alfred.edu) so that a design can be created and provided to the ASC Document Center. In those situations, the online purchase option will not be available and a paper invoice will be sent to you by the ASC Document Center.

Please contact the Alfred University Office of Communications at 2103 if you have any questions.

### **Ebola in the News**

Lately we have been hearing about the Ebola Virus since two Americans contracted it while in West Africa. They returned to the United States for treatment and have recovered.

Infectious disease experts do not expect an Ebola epidemic because it is difficult to contract. It is transmitted by body fluids or blood; it is not airborne or spread through droplets, which is how most childhood diseases and Influenza are spread.

### Music On The Lawn: Howe Library, Wellsville - The Badgemen

Music On The Lawn at the David A. Howe Public Library will conclude for the season on Thursday, Aug. 28 with a performance by The Badgemen at 7 p.m.; admission is free. The David A. Howe Public Library is located at 155 N. Main St. in Wellsville.

In case of inclement weather, the Nancy Howe Auditorium may be used. The library telephone number is 585.593.3410.

The Badgemen are a ragtag group of musicians who have been honing their craft the past 10 years throughout the Twin Tiers from Rochester to Bradford, PA. The Hornell-based band was formed in 2004 by singer, John Lewis, and bassist Nik Dugo, and now includes guitarist Greg Macfarlane and drummer Mike Porter.

The Badgemen play their own laid back rock covers of artists ranging from Pearl Jam to Tom Petty, and from Miley Cyrus to Neil Diamond. You are guaranteed to know at least a few songs, and the often humorous anecdotes and charm of lead singer John Lewis will keep you wanting "One more song" when the lights go down. (submitted by John P. Lewis)

Music On The Lawn is funded by community businesses and organizations.
