As we seek to hire a new Classroom Technologist, until further notice, ITS is unable to provide the following services:

- Conversion of VHS or DVD to digital format
- Conversion of digital video to MP4
- Placement of videos on AU's streaming server

If you were planning to take advantage of these services in the near future, we recommend that you explore other options to meet your needs. We apologize for the inconvenience, and we look forward to the possibility of providing these services in the future.

The Lyceum: Discussion on Communism

The Lyceum is a student-run discussion group. We discuss philosophical, political, and social questions outside of the classroom setting.

This week's topic:

Why do you think Americans are so fascinated by communism? What are the ways in which Americans portray communism through schooling and media? Are these mediums of representation preventing otherwise amiable relations with other nations?

Come join us at Friday at 4:15 p.m. in Kanakadea 103!

Email Lyceum@alfred.edu for more information.

Peer Review Board Recruitment

We are currently recruiting students to serve on our Peer Review and University Conduct boards. Our system is designed to hold students accountable for the Student Code of Conduct, change problematic behavior through a structured educational process, and protect the University community. The conduct system enables the campus community to take an active role in the hearing process.

Board members need to possess strong interpersonal and communication skills, sound judgment, personal integrity, and demonstrate respect for others.

Hearings are scheduled on an as-needed basis.

Serving on a board depends on your schedule and availability.

If you are interested, please contact studentconduct@alfred.edu or x2132 and information about our next training will be provided.
