Be Safe in the Woods!

Hunting season runs from Wednesday, Oct. 1- Tuesday, Dec. 16 for the Southern Tier.

If you are a hunter, remember your number one safety rule when shooting, "Know your target and what is beyond!"

For more information on hunting season dates, you can visit the NYS Department of Environmental Conservation website below.

who are living with a chronic illness and/or those who are caring for someone with a chronic illness to participate in the upcoming Living Healthy Workshop Series, scheduled in Belmont beginning Monday, Nov. 3, 2014.

Living Healthy is FREE! Please note, pre-registration is required by Friday, Oct. 31, 2014 and seating is limited; Call Today!

Dates: Every Monday (Nov. 3, 2014 - Dec. 8, 2014)

Time: 12:30 - 3 p.m.

Location: St. Philips Episcopal Church, Belmont

The Living Healthy workshop is a transformational, six-session, health education program that helps participants become more confident about managing their own chronic illness; such as heart disease, arthritis, diabetes, mental illness, asthma, or any other long-term health condition. Participants learn how to better manage their condition while going about their active lives. They also learn skills to help with making decisions and solving problems that relate to their disease.

Developed by the Patient Education Research Center at the Stanford University School of Medicine, the course is taught by two leaders, both specially trained volunteers who themselves have a chronic condition or care for a loved-one with a chronic illness.

Each workshop will be held over the course of six weeks, meeting once a week.

For further information about an upcoming Living Healthy workshop series or to make a reservation please call the Allegany/Western Steuben Rural Health Network at 585.593.5223, ext. 15.
