Faculty Research Mentor Awards - Extended Deadline

The Office of the Provost will be continuing to acknowledge and reward faculty who are outstanding undergraduate research and scholarly activity mentors across the campus this year, ie. those individuals who are outstanding mentors to students engaged in research or scholarly activity and are actively engaged themselves in advancing scholarship in their field(s).

Up to one award will be offered in each of the following categories this academic year: physical/life and mathematical sciences, undergraduate engineering, social sciences, humanities, visual and performing arts, and professional studies.

Nominations for the award have been extended through Friday, Jan. 9. Students or faculty wishing to nominate a faculty research mentor for this award should send a nomination letter to argus@alfred.edu by Jan. 9; self-nominations will not be considered.

A more detailed announcement, including the required contents for the recommendation letter, are available on the Office of the Provost website. If you have questions, email Geoffrey Bowers at bowers@alfred.edu. And if you have an outstanding faculty research mentor, nominate them today!

Str8 Eight Tournament Night

The Terra Cotta Coffeehouse is once again hosting its monthly Str8 Eight tournament on the 8th of each month beginning at 8 p.m.

The evening is a great way to meet Alfredians of all stripes from college students to octogenarians (a favored age group of Str8 Eight for numerical reasons).

Additionally, the winner of the tournament will receive a gift card to the coffeehouse, so come out for an evening of free fun.

Visit <http://str8-eight.com> for more information on how to play.
