Recording Time in BANNER Web for Monday's Unplanned Shutdown

The payroll department has received several calls regarding the proper way to record the time missed due to the unplanned shut down on Monday, Jan. 5. The time should be recorded as "excused" and a comment made in the comment section "power outage."

Please feel free to contact the HR or Payroll offices if you have any questions

Thank You!

Attention all AU Students and Scholarship Recipients - We are ALL very fortunate to have devoted supporters who strongly believe in YOU and have chosen to invest in YOUR education and your future!

On Martin Luther King Jr. Day, Monday, Jan. 19 from 5 - 7 p.m., on the ground floor of Ade, we are hosting a THANK A DONOR event. Please come by on your way to or from dinner to write a thank-you note to donors who help to make your college education at AU possible.

We hope to see you there, and we really appreciate your willingness to take a moment and say "Thank

you" to our alumni and friends of Alfred University who give year after year to fund scholarships.

Foreign Language Placement Exam

Foreign Language Placement Exam
Tuesday, Jan. 20, 2015
114 Seidlin Hall
6 - 7 p.m.

Exams are given in French, German and Spanish.

Who needs to take the Placement Exam?

- * Students who have taken more than two years of a language in high school and who intend to take the same language at AU must take the exam.
- * Students who are bilingual or native speakers or who have spoken the language at home.
- * Students do NOT need to take the exam if they did not study a language previously or if they are planning to take a different language in college.
- * Students who wish to demonstrate proficiency in another language should contact Dr. Kerry Kautzman about procedures.

Please remember to bring your student ID and a #2 pencil.

Summer Undergraduate Research Opportunity

Edgard G. Rivera-Valentin, AU Class of 2008 and staff scientist, Arecibo Observatory, National Astronomy and Ionosphere Center, Department of Planetary Studies, Arecibo, Puerto Rico, would like to inform AU students of the observatory's summer undergraduate research program. Please visit: http://www.naic.edu/reu_p... Applications are due Jan. 26, 2015.

He adds, "I am also starting up my research group at the observatory and would love to hear from perspective students! I am also a huge advocate for underrepresented minorities in STEM research and would like to leverage my Ph.D. to help others enter these fields. I would be more than happy to be contacted by students for advice or connections. My work email is ed@naic.edu "

Grant Writing for Research: If You Write It, They Will Fund

SUNY Center for Professional Development, in partnership with The SUNY Research Foundation, invites you to:

Grant Writing for Research: If you write it, they will fund

Dates: Begins Feb. 19 and ends March 26 (Blackboard Learn & Collaborate)

Based on the book, "Writing Successful Science Proposals,"* this virtual workshop outlines the components of a successful proposal and the steps to get there. Learn how to improve your chances of getting funded through fund sourcing, proper planning and organization, concise writing, collaboration, and proposal submission. Participate in interactive and relevant discussions and activities with faculty from the comfort of your home or office.

* Although the course is based on a book about scientific proposals the learning and activities are applicable to all types of grant proposals.

At completion of this workshop, all students should be able to:

- Define the types of grants available
- Find grant opportunities
- Find and work with collaborators
- Develop concise proposal sections
- Submit a proposal electronically

Required Text: Participants should purchase "Writing Successful Science Proposals," 2nd edition by Andrew J. Friedland and Carol L. Folt available at Amazon.com or Barnes & Noble.com

Format: Meets Online Via Blackboard Learn and Collaborate
