Is Your Phone Number Correct for the Spring Employee Phone List?

It is time to make sure information is correct for the publication of the Spring 2015 Phone List. To check your business phone number, use the Outlook Global Address list to verify your information. This data is pulled directly from Banner and is the same information used for the Employee Phone List printed each semester.

ALL NEW FACULTY & STAFF - be sure you have given Human Resources your office extension so your name and phone will be included on the list!

Practice Winter Parking Manners

Winter has Alfred in its grips again and with that the parking problems that go along with it. I would like to ask everyone parking a vehicle on campus to park in an orderly fashion. A number of vehicles have been taking more than one space causing a bad situation.

Please, when you're parking your vehicle think of the others that need to park with you. Thank you for your cooperation.

New Year - Time to Update Your E2Campus Information

It's time to review your personal contact information on BannerWeb, particularly in connection with the E2Campus Alert System. You are strongly encouraged to provide cell phone and email addresses, in addition to home/office phone numbers, since there may times (such as Monday's power outage) when sending the information via the telephone system is not appropriate to the situation.

To set up and/or update your contact information, register through BannerWeb. After logging into BannerWeb, click on the "Personal Information" tab and then click on the "Emergency Alert Contact Information - E2Campus."

Should you need assistance, the ITS Helpdesk is available to direct you - Ext. 2222.
