Practice Winter Parking Manners

Winter has Alfred in its grips again and with that the parking problems that go along with it. I would like to ask everyone parking a vehicle on campus to park in an orderly fashion. A number of vehicles have been taking more than one space causing a bad situation.

Please, when you're parking your vehicle think of the others that need to park with you. Thank you for your cooperation.

Is Your Phone Number Correct for the Spring Employee Phone List?

It is time to make sure information is correct for the publication of the Spring 2015 Phone List. To check your business phone number, use the Outlook Global Address list to verify your information. This data is pulled directly from Banner and is the same information used for the Employee Phone List printed each semester.

ALL NEW FACULTY & STAFF - be sure you have given Human Resources your office extension so your name and phone will be included on the list!

If there is no phone number associated with your name in Outlook or a correction is needed, please request by using the Personnel Data Form below and forwarding it to Human Resources.

Women's Leadership Academy

Please consider students you know - men and women - whom you believe would benefit from, or add to, the WLA. Our learning outcomes are straightforward:

- *Advance an understanding of gender, bias, privilege and social justice within the context of leadership
- *Deepen a feminist/gender equity orientation
- *Improve skills in leadership, teamwork, communication, decision making and life-management
- *Boost confidence, assertiveness, and engagement

Nominations to leadership@alfred.edu no later than Sunday, March 1.

*The academy is open to any student and is selective so there is an application and an interview

IEA Visiting Artist: Phil Hastings

Date: Feb. 16 - 27

Location: The Institute for Electronic Arts at the School of Art and Design, College of Ceramics, Exhibition in Immersive Gallery Space of the Turner Gallery

Sponsored By: The Institute for Electronic Arts (IEA) and the Division of Expanded Media

Phil Hastings of Silver Creek will be participating in an artist residency at the Institute for Electronic Arts from Feb. 16 to 27. A recipient of a master of fine arts degree from Southern Illinois University in 2005, Hastings's work is about exploration, analysis, and self-reflection informing his video works.

Hastings will be working across both of the IEA's residency programs, producing printed and time-based works.

In his time based work, Hastings will be exploring the interactive systems of Max/MSP Jitter and Arduino microcontrollers to integrate into his Morphology and Threshold video series.

Additionally, Hastings is excited to utilize the sound-processing equipment available at the School of Art and Design to explore new ways of creating and manipulating his sound works as it relates to his video work.

In his print work, Hastings will be exploring translating his video work using the various methods of printmaking available in the School of Art and Design, including book-making and our large-scale digital printers.

More information and Hastings's work can be found on his website: <http://www.philhastings.c...>

The Institute for Electronic Art's Visiting Artist Program is sponsored in part by the NYS Council on the Arts with the support of Gov. Andrew Cuomo and the NYS Legislature.
