### Is Your Campus Information Correct?

The AU Directory and Phone List are populated from information pulled directly from Banner. To check your business phone and office location, use the Outlook Global Address list since that information is also pulling the current information in Banner.

Corrections can be requested by using the Personnel Data Form below and forwarding it to Human Resources.

The numbers for emergencies, department phones, and fax are not housed in Banner. Please review the attachments to make sure the numbers are correct for your area. Changes to department information can be e-mailed to [costello@alfred.edu](mailto:costello@alfred.edu).

PLEASE MAKE SURE YOUR INFORMATION IS CORRECT SO THAT OUR DIRECTORY IS ACCURATE!

### US News Seeking Student Videos

Dear Student,

School may have just begun, but you may already be thinking about where you're headed for Spring Break. Are you interested in winning a trip for two to a fantastic Spring Break destination? Then enter U.S.News & World Report's first-ever "Why My School Rocks" college video contest on YouTube today at [www.usnews.com/youtubecon...](http://www.usnews.com/youtubecon...)

The Grand Prize Winner receives a "Spring Break Trip for Two" from STA Travel to one of four top destinations: Jamaica, Cancun, Acapulco, or the Bahamas (including air and hotel packages for their vacation, maximum value \$1,500 per person or total value of \$3,000).

In order to win, you must (1) upload your video; and (2) promote the videos to friends, contacts and even family on Facebook and other social networking sites as you choose to try to rack up the most views by October 31, 2008. The 10 videos with the greatest number of views will move on to the finals where the U.S. News - STA Travel judging committee will choose the winner based on the video's use of the theme "Why My School Rocks!", creativity, and effectiveness in providing an overall campus feel.

What to feature? Really, anything goes. But to win, "Why My School Rocks!" videos should showcase unique and memorable characteristics of campus life. All subject matters are welcome: From unusual campus traditions to dorms that put the Ritz to shame...whatever it is that makes your school "rock." The winner will be announced by the U.S. News judging team on November 12, 2008.

Entry requirements:

\* Submissions will only be accepted from contestants registered at or from staff members at an accredited four-year college;

\* Entrants may use any artistic medium to create their original video; and

\* Videos should preferably be less than three minutes in length.

For more information, please visit [www.usnews.com/youtubecon....](http://www.usnews.com/youtubecon...)

We look forward to seeing your videos soon!

## Seventh Day Baptist History Lecture

Ever want to know more about the Seventh Day Baptists and their early Alfred history? Join the Baker's Bridge Historical Association of Alfred Station for its next monthly program, 7:30 p.m. on Monday, Sept. 15.

Our guest speaker will be G. Douglas Clarke and his talk is entitled "It Started With Singing." Doug's family roots go deep in Alfred, and include many generations of the peculiar sect known as Seventh Day Baptists. Peculiar because they keep Saturday as the day for worship and rest, Alfred's S.D.B.'s have worked hard to build and maintain schools, including Alfred University. Doug will be speaking of Alfred's history, and Seventh Day Baptists.

The meeting will take place at the associations' Meeting House on Hamilton Hill Road (the building is 1/2 mile from the Alfred Station fire hall).
