### Invitation to Open Meeting - Middle States Monitoring Report Team Visit

The Middle States Monitoring Report Team will conclude its visit on Wednesday, April 15. Dr. Marie George, Team Chair, will provide a preliminary report to the campus community on Wednesday, April 15 at 11:20 a.m. in Nevins Theater, Powell Campus Center.

This is the culmination of our work throughout the self-study process to secure re-accreditation for the University. Your participation is important; please try to attend this open meeting.

The Monitoring Report can be found at the link below. It is a large file (12MB) and in order to have full functionality of the PDF document it's recommended you save it to your computer. Please note an AU login will be required.

### New Employee Safety Orientation

Alfred University has recently implemented a new health and safety training program and policy to orient new employees. This policy provides guidance and training to new employees, meeting regulatory guidelines per OSHA General Industry Standard 29 CFR 1910. All new faculty, staff and graduate student employees will attend New Employee Safety Orientation Training in the EHS office (Myers Hall 117) to review general safety guidelines. This training will be approximately 2 hours.

We must train the "newest" of our employees; therefore, we will be individually emailing all employees who started working in the past year to schedule small group training sessions. I am working my way through the alphabet, so if you know you are a new employee, please be patient, I will get to you very soon. Supervisors are being copied on emails to ensure their employees attend this mandatory training.

There is a checklist the new employee will receive that must be signed by the supervisor, and returned to EHS within one week, which will aid in the completion of safety training. All supervisors are being asked to review this safety checklist in detail with their employee. Should there be questions or any needs of safety related items, please contact EHS.

Beginning this fall, all student-employees (assistants, work study...) will also be required to have New Employee Safety Orientation. There will be further communications regarding this training, as we are still in the process of ensuring we can accommodate everyone's needs.

### Summer School 2015/Financial Aid

If you plan to take summer classes at AU and are a current financial aid recipient, we are providing you the following information to help you determine if you may have financial aid eligibility applicable

to summer enrollment.

In most cases, the availability of financial aid for summer school is limited and not the same as during the academic year.

### Free SafeTALK Training

The Psychology Club and Wellness Center are sponsoring a free, SafeTALK training session Monday, April 20 from 12:30-4 p.m. in Nevins Theater.

SafeTALK prepares anyone over the age of 16 to identify persons with thoughts of suicide and connect them to suicide first aid resources. Most people with thoughts of suicide invite help to stay safe. Alert helpers know how to use these opportunities to support that desire for safety.

As a SafeTALK-trained suicide alert helper you will be better able to:

\*move beyond common tendencies to miss, dismiss, or avoid suicide

\*identify people who have thoughts of suicide

\*apply the TALK steps (Tell, Ask, Listen, KeepSafe) to connect a person with suicide thoughts to suicide first aid, intervention caregivers.

Pre-registration is recommended by Monday, April 13, by calling Ashley at 585.593.5223, ext. 17, or email at [geea@ardentnetwork.org](mailto:geea@ardentnetwork.org).

Pizza and beverages will be provided by the AU Psychology Club.
