Graduate Students - Financial Aid Filing

If you will be a graduate student at AU for the 2015-16 academic year and use Federal Direct Loans, you will need to file the Free Application for Federal Student Aid (FAFSA) as soon as possible. You can complete the FAFSA at www.fafsa.gov.

New Education Course in Fall 2015

The Education Division is excited to offer a new 1-credit elective course in the Fall.

EDUC 100, "Topics: Montessori and the Common Core"

There are no specific meetings dates or times, as this course will be built around your schedule. You will investigate the Common Core Standards for English Language Arts and Mathematics with the assistance of Education faculty members, and then tutor school-aged children at the Alfred Montessori School in the after-school program.

This is a great way to learn more about the Montessori philosophy, get experience working with children, and learn more about the evolving academic requirements in New York State and the nation.

Please consider adding this course to your schedule, and feel free to contact any of the Education faculty if you have any questions.

Old Trivia and Board Games Wanted

Faculty and staff - do you have board games and trivia cards in your house that you suspect you won't use any more? Please consider donating them to Student Affairs.

We'd like to make the main lounge in the Campus Center a more welcoming place by putting an assortment of trivia cards on the tables, and we'd also like to loan out board games at the info desk.

Please contact Kathy (woughter@alfred.edu) if you have something you're willing to throw our way.

Thank you.
