### IEA Visiting Artist: Scott McCarney

Date: June 1-5

Location: The Institute for Electronic Arts at the School of Art and Design, College of Ceramics

Cost to Attend: Free

Sponsored by: The Institute for Electronic Arts and the Division of Expanded Media

Scott McCarney, of Rochester will be participating in the artist-in-residence program of the Institute for Electronic Arts over the week of June 1. A graduate of SUNY Buffalo, McCarney combines his background in photography and design along with his love for the corporeality of craft and the philosophic possibilities of sculpture into his bookworks, an art making practice he has been following since 1980.

During his residency, McCarney intends to revisit his early experiments with the "play of light" on folded paper in book form. Using the IEA's laser cutter, pages with text and image would be turned into patterns that animate as the pages of the book are turned. This system creates activity on both the recto and verso of a singular leaf, creating the opportunity for imagery to pass through pages rather than emerging from them.

The goal is to create a book that, in essence, reads itself like a perpetual motion analogue-information machine. The is the possibility that these book would only be able to be read once, as the process of turning the pages may destroy the book as one progresses through it, creating books that are ephemeral instead of archival.

More information and Scott's work can be found on his website: <http://scottmccarneyvisua...>  
The Institute for Electronic Art's Visiting Artist Program is sponsored in part by the NYS Council on the Arts with the support of Gov. Andrew Cuomo and the NYS Legislature.

### **Shredding Service Day - June 29**

The Division of Business & Finance is hosting a summer shredding event for your office's sensitive and confidential documents. Enrollment Management has kindly offered Alumni Hall's parking as the shredding location once again. This will take place on Monday, June 29 from 8:30 a.m. to noon.

Shred-it (formerly Cintas) will supply a secure truck equipped with state-of-the-art shredding technology that will destroy all confidential or sensitive Alfred University documents before leaving our site. The only requirement of the department would be to transport documents to the Alumni Hall parking lot for the on-site truck. This service is being offered at no cost to the departments.

## 'Camera Without Borders - the World of Caroline Littell' at Herrick

A retrospective of travel photography by the late Caroline Littell of Alfred will be on view Friday, June 12 through Wednesday, July 15 on the main floor of Alfred University's (AU) Herrick Memorial Library. The public is invited to an opening reception for "Camera Without Borders - the World of Caroline Littell" from 2 to 4 p.m. June 12. The library's summer hours are from 8 a.m. to 5 p.m. Monday through Thursday; 8 a.m. to 4:30 p.m. Friday. The library is closed weekends.

Littell was a freelance photographer whose images illustrated articles on tourism and travel in several dozen newspapers and magazines in this country and in Europe. For more than 30 years, major publications featuring her photography included The Los Angeles Times, Travel & Leisure Magazine, The San Francisco Examiner, The Chicago Sun Times, The Milwaukee Journal, The Athens (Greece) News, The Denver Post, The New Orleans Times Picayune and Ocean Navigator Magazine. In Western New York, her work appeared regularly in The Buffalo News, The Rochester Democrat & Chronicle, The Hornell Sunday Spectator, The Olean Times Herald, and The Alfred Sun. The 60 black-and-white photographs to be displayed at Herrick portray landscapes and people in locations ranging from Greece, Colombia, Thailand, and Burma to the American West and the plains of East Africa. Born in Egypt of English parents, Littell was educated in England and later studied languages in France, Spain, Austria, and Greece. She immigrated to the United States in 1962, moving to Alfred in 1968.

As a photographer, Littell was entirely self-taught except for a brief period of instruction at AU. She worked for the most part in film, experimenting with digital formats only at the end of her career. But whether in film or in digital, her photography displayed a technical mastery of a demanding craft as well as an unerring eye for balanced composition. Like Henri Cartier-Bresson, the French pioneer of modern photojournalism, Littell had the uncanny ability to capture on film that decisive moment of facial expression or body attitude that defines mood or personality.

Littell, former language lab director and study abroad adviser at Alfred University, died earlier this year in Pasadena, CA, after a long illness.

## Call for Artists

The 2015 Plein Air Arts Fest will be held on Saturday, July 25 on the eastern side of Seneca Lake. To Sign Up: pay a \$40 artist fee through Monday, June 1. After June 1 the fee will be \$50.

Call 607.546.5557 for registration information.

For many years the Finger Lakes region has inspired many local artists with its bountiful natural beauty and world-class wines. Since the first annual Plein Air Arts Festival in 2012, the eastern shore of Seneca Lake has provided a warm atmosphere and stunning backdrop for many artists' works. Now in its 4th year, the festival will once again invite local artists to create artwork en plein air (in open air) throughout the day, followed by an art reception and auction later in the evening, accompanied by live music with local food and wine.

The Plein Air Art Festival is a public event scheduled for Saturday, July 25, 2015, along the eastern side of Seneca Lake. Between 7 a.m. and 3 p.m., artists will be scheduled to create works of art at various partner wineries. A silent auction and reception for the day's plein air artwork will take place from 5 until 7 p.m. at Damiani Wine Cellars.

Throughout the evening, local food will be available for purchase from Smoke on the Water, including meat BBQ and vegetarian dishes. An eclectic assortment of wines will be available to purchase by the glass from all participating wineries. Live music from local jazz band Professor Tuesday's Jazz Quartet will accompany the evening's silent auction.
