Exempt Staff and Approvers - Please Submit/Approve June Leave Report!

Please submit your June Leave Report and any past due Leave Reports (if you have any) so that they can be approved by your supervisor.

All Supervisors should check on their own employees who report to them to make sure June and all past-due Leave Reports are submitted and approved.

June is the final month of the fiscal year so it is important that your June Leave Report is submitted as soon as possible. Accruals need to be up-to-date so that our Leave Liability Report for the EOY financial statements is accurate.

'Camera Without Borders - the World of Caroline Littell' at Herrick

A retrospective of travel photography by the late Caroline Littell of Alfred will be on view Friday, June 12 through Wednesday, July 15 on the main floor of Alfred University's (AU) Herrick Memorial Library. The public is invited to an opening reception for "Camera Without Borders - the World of Caroline Littell" from 2 to 4 p.m. June 12. The library's summer hours are from 8 a.m. to 5 p.m. Monday through Thursday; 8 a.m. to 4:30 p.m. Friday. The library is closed weekends.

Littell was a freelance photographer whose images illustrated articles on tourism and travel in several dozen newspapers and magazines in this country and in Europe. For more than 30 years, major publications featuring her photography included The Los Angeles Times, Travel & Leisure Magazine, The San Francisco Examiner, The Chicago Sun Times, The Milwaukee Journal, The Athens (Greece) News, The Denver Post, The New Orleans Times Picayune and Ocean Navigator Magazine. In Western New York, her work appeared regularly in The Buffalo News, The Rochester Democrat & Chronicle, The Hornell Sunday Spectator, The Olean Times Herald, and The Alfred Sun. The 60 black-and-white photographs to be displayed at Herrick portray landscapes and people in locations ranging from Greece, Colombia, Thailand, and Burma to the American West and the plains of East Africa. Born in Egypt of English parents, Littell was educated in England and later studied languages in France, Spain, Austria, and Greece. She immigrated to the United States in 1962, moving to Alfred in 1968.

As a photographer, Littell was entirely self-taught except for a brief period of instruction at AU. She worked for the most part in film, experimenting with digital formats only at the end of her career. But whether in film or in digital, her photography displayed a technical mastery of a demanding craft as well as an unerring eye for balanced composition. Like Henri Cartier-Bresson, the French pioneer of modern photojournalism, Littell had the uncanny ability to capture on film that decisive moment of facial expression or body attitude that defines mood or personality.

Littell, former language lab director and study abroad adviser at Alfred University, died earlier this year in Pasadena, CA, after a long illness.

The survey of New Yorkers with disabilities is one of seven surveys conducted under the auspices of the New York State Legal Services Initiative. Six of the Initiative's surveys are completed. A description of the Legal Services Initiative, and the Report of Findings for the six completed surveys is available at <http://www.aging.ny.gov/L...>

The survey questionnaire is available at: [https://www.surveymonkey....](https://www.surveymonkey...) for completion on line.
