### Artist Lecture by Visiting Professor Anton Reijnders

Artist Lecture by Visiting Professor Anton Reijnders  
Details: Date: Wednesday, Sept. 16  
Time: 4:35 p.m.  
Location: BMH 106 (Room C)  
Cost to Attend Event: Free  
Sponsored by Committee or Division: Division of Ceramic Art

For more than 34 years Anton Reijnders has been active as a sculptor. In his works he combines ceramics with different materials, like wood, textile or found materials.

Besides sculptures Reijnders makes installations and site-specific works. Through his work Reijnders wants to offer opportunities for reflection and concentration. He hopes his works evokes awareness of the automatism in which we attribute meaning, and our conditioned way of looking.

Reijnders has worked as artistic adviser at the 'Keramisch Werkcentrum' in Heusden, the Netherlands (1987 - 1991), and contributed to the creation of what in 1991 was to become the European Ceramic Work Center (EKWC) in 's-Hertogenbosch, the Netherlands.

As Head of Studios and Workshops (1991 - 2004) he was involved in dialogue with artists from all over the world. He was the driving force behind setting up the material research programme and is author of the book 'The Ceramic Process' jointly with the EKWC published by A&C Black in London, and Pennsylvania Press in the USA.

Besides having taken part in exhibitions throughout the world, Reijnders has contributed to conferences, symposia, workshops, and was visiting artist in countries such as Australia; South Korea; the United States; Austria; Belgium Germany; Great Brittan, Ireland; Norway; Spain, and Switzerland.

He is has been twice visiting professor at the College of Ceramics at Alfred University. Currently he is teaching at the Gerrit Rietveld Academy and Sandberg Institute, Amsterdam, the Netherlands.

## New AU Photo Library Now Online

AU has a new searchable photo library, Gallery Server Pro (<http://gsp.alfred.edu>), accessible to AU faculty/staff. This library contains a wide variety of downloadable AU images ranging from seasonal campus scenics, to classrooms/labs, to selected campus events. To access, please go to our.alfred.edu and scroll down the left-hand side to Faculty/Staff. Click on Faculty/Staff and scroll down to Gallery Server Pro.

Gallery Server images are cataloged by semester, by month and by topic, and as new photo assignments are completed, additional images will be cataloged and posted on a regular basis. The photos are extensively tagged to assist in searches for specific subjects.

NOTE: The images have been carefully selected from more extensive photo sessions that include alternative views and formats (landscape vs portrait). Those images are archived separately and you will need to contact Rick McLay, director of Creative Services at 2736 ([mclay@alfred.edu](mailto:mclay@alfred.edu)) to inquire about those additional images. There is also a separate folder dedicated to faculty/staff portraits, many of which were completed the week of Aug. 17, 2015.

### BEFORE YOU DOWNLOAD

The primary use of many of these images is for Admissions and University Relations marketing efforts in both printed and web formats. In order to keep track of downloads (except for faculty/staff portraits), please contact Rick McLay ([mclay@alfred.edu](mailto:mclay@alfred.edu)) or Judy Linza ([linza@alfred.edu](mailto:linza@alfred.edu)) with information on which images you are downloading, and where they are going to be used.

### TO DOWNLOAD

Access to Gallery Server requires AU username/password to review images and to download in three formats: 1. Thumbnail (small image), 2. Web optimized (low resolution but full size), and 3. Original (high resolution). To download the image of your choice, use the download/share icon, which is the one on the left in the icon grouping above each image, and follow the directions.

### ADDING PHOTOS TO THE AU PHOTO LIBRARY

We welcome the opportunity to obtain images from faculty and staff. Though much effort goes into documenting as many things as possible on campus, it is impossible to cover it all. When there are events such as art shows, or special lab/classroom activities that faculty/staff are photographing, we would very much like to review those images so that the library is as comprehensive as possible. Please contact Rick McLay if you have images that you think should be considered for this.

### ATHLETICS PHOTOS

Current images of athletics events are available at (<http://gosaxons.com>). By contractual arrangement with the professional photographer, there will be a charge for athletics images. Mark Whitehouse, AU's Sports Information director ([whitehouse.alfred.edu](http://whitehouse.alfred.edu)), is the contact regarding usage.

If you have any questions or suggestions for photos you want cataloged and included, please contact Rick McLay at [mclay@alfred.edu](mailto:mclay@alfred.edu) or Ext. 2736. If a student requests access, please contact Rick McLay.
