E-Billing, E-Payment Process called CASHNet

BEGINNING OCT. 15:

The Student Accounts Office at Alfred University is currently implementing an e-billing and e-payment system. Students and Authorized Users will have access to view their student account statements and daily student account activity online.

Alfred University's "e-commerce" system will offer students and families a safe means of receiving electronic billing statements and a secure method of making Web-based payments.

You are responsible for the set-up of Authorized Users (i.e. mom, dad or another third-party) before they will be able to access your billing information on the CASHNet system. Authorized Users will receive their login information from you, the student, once you have set them up on the system.

Additional information will be available on my.alfred.edu (under Offices; Student Service Center) as it becomes available.

Debra Votava
Student Accounts Manager, Alfred University
