Register to Vote

Alfred University stands behind the idea that we all benefit when a greater share of Americans register and vote. This year there will be an important general election on Nov. 8, 2016. If you are not already registered to vote, please consider doing so now.

Alfred University students have a choice of registering and voting right here in Allegany County (if you have been a resident in your present address for at least 30 days before the election) or voting by absentee ballot in your home county or state. The choice is yours, but please plan to register and vote.

You can download the registration form and get more information about voting in New York State, including instructions on how to vote by absentee ballot, at this Web site maintained by the NYS Board of Elections: www.elections.ny.gov.

Please make sure that to register to vote, you must complete the form, print it out, sign it, and mail it to the county's Board of Elections.

To request an absentee ballot for New York State, go to <http://www.elections.ny.gov>...
