'The Monster' Closed Temporarily

"The Monster" staircase next to Miller Performing Arts Center is temporarily closed due to erosion, which has undermined the sidewalk connected to the staircase and part of the staircase.

We apologize in advance for any inconvenience this may cause while repairs are being accomplished.

And the winner is....The Gail Walker Scholarship Book Fund!

Due to the great success and overwhelming support of the cash raffle the Support Staff Council raised \$375! More exciting news is that a total of \$125 in prize money was donated BACK! Bringing the total donated to the Walker Book Fund to \$500!

At the wishes of some of our winners, their names will remain anonymous.

The Walker Book Fund is a fund that assists students who truly cannot afford their text books. Thanks to all that participated in helping make this success!

How Does Google Decide Who Makes the Cut as a Googler?

If these topics sound interesting, these undergraduate and graduate summer course offerings are for you! Courses are open to most students but may be subject to instructor permission.

MGMT 300 01/MBA 600 03: People Analytics - This course focuses on the tools, procedures, and analyses used to inform data-based human capital decisions in organizations.

The methods taught in this course will be applied to HR and OB policy in organizations including but not limited to staffing, training, and measuring employee performance and satisfaction. Identification of the appropriate tools and statistical procedures for analyzing human capital will be emphasized along with the ability to effectively interpret and communicate statistical analyses into organizational policy recommendations.

MBA 600 02: Modern Issues in HRM - This course emphasizes five contemporary HRM trends in the workplace. The Society for Human Resource Management (SHRM) lists several of these trends as critical for HR professionals' success in the coming years. These trends include management of knowledge workers, contemporary hiring strategies, workforce training and gamification, work/life balance, and demographic issues in talent management. An evaluation of the utility of HR departments in the modern workforce is also examined.

If you're interested in learning more about these course offerings, contact Dr. Jennifer Griffith at griffith@alfred.edu. I look forward to hearing from you!
