### Student Organizations Email Account Renewal

Each fall Student Organizations and Clubs need to update their email accounts with the current year's information by completing the online application at the following link: <http://my.alfred.edu/its/...>

Student Organization Leaders and Advisers please note that if you have not taken the steps to complete this process by the end of September the student organization email account will expire.

If you need additional assistance with this process, please contact the ITS Helpdesk at 607.871.2222 or by email at [helpdesk@alfred.edu](mailto:helpdesk@alfred.edu).

### Accounts Payable Payment Processing

In an effort to increase productivity and improve efficiencies, the Business Office has transitioned to one check run per week. In the past, the Business Office processed payments on Tuesdays and Thursdays.

Starting the first week of July, 2016, payments are only being processed on Thursdays. Invoices need to be received by the Business Office by end of day on Tuesdays in order to be processed in that week's check run.

If you have any questions, please feel free to contact Jodi Howe in the Business Office.

### Homecoming Wine and Cheese Reception

On Saturday, September 24, beginning at 4:30 PM, Alfred University's faculty is invited to a Wine and Cheese Reception sponsored by alumni Joe Sorrentino '83, Kara Mackey-Dopman '88 and Mark O'Meara '74.

Join alumni from every decade as they gather at the newly renovated home of Joe Sorrentino located at 123 N. Main Street, across from the Harrington softball field.

This event is complimentary however registration is requested.

To register for this or other Homecoming events, click the link below or call the Office of Alumni Engagement at 607.871.2144.

We look forward to seeing you at Homecoming!

## Observed and Imagined: Works on Paper by Mario Prisco

September 16- October 16, 2016: Tuesday - Friday 11am - 5pm

Opening Reception: September 16, 6-8pm

Location: Cohen Gallery 55 North Main Street Alfred

Cost: free

The Cohen Gallery will present recent figure drawings and fantastical watercolors by Alfred University Professor Emeritus and Dean Emeritus Mario Prisco from September 9 to October 16. For Prisco, observational drawing using the human form is a touchstone to his larger practice. His figurative work has always influenced essential decisions in his painting--the selection of objects, the relationship between parts, and the handling of edges. His series of watercolors displays fanciful and recurring motifs in imagined landscapes of bold colors and multiple perspectives. The distance he travels from the real to the surreal may seem extreme, but the artist would argue that the painterly skills and compositional connections between the two genres are implicit.

Mario Prisco was born in Brooklyn in 1930. After attending the High School for Music and Art in Manhattan, he went on to receive his BFA and MFA at Syracuse University. His teaching career included positions at Moore College of Art, where he established the Fine Arts Division, and the School of Art and Design at Alfred. Prisco has had a long and successful career at Alfred. Among his many accomplishments were the creation of the design program and the establishment of sophomore drawing. He continues to attend the Thursday night open studio on campus.

## Do you want to study abroad but need a scholarship?

If you receive a Pell Grant, you are eligible to apply for a national scholarship called the Gilman scholarship to help pay for the study abroad program of your choice. The Writing Center is hosting a workshop with Rebekah Tribble, Writing Center tutor and past Gilman recipient, on how to write a successful essay for the Gilman. Thursday, September 15, 6:30 pm in the Herrick Library in the Seminar room (ground floor).

## Get Out and Vote

Alfred University stands behind the idea that we all benefit when a greater share of Americans register

and vote. This year there will be an important general election on Nov. 8, 2016. If you are not already registered to vote, please consider doing so now.

Alfred University students have a choice of registering and voting right here in Allegany County (if you have been a resident in your present address for at least 30 days before the election) or voting by absentee ballot in your home county or state. The choice is yours, but please plan to register and vote.

You can download the registration form and get more information about voting in New York State, including instructions on how to vote by absentee ballot, at this Web site maintained by the NYS Board of Elections: [www.elections.ny.gov](http://www.elections.ny.gov).

You can also stop by the Center for Student Involvement to pick up a form for NYS. The Center for Academic Success also have forms available.

Please make sure that to register to vote, you must complete the form, print it out, sign it, and mail it to the county's Board of Elections.

To request an absentee ballot for New York State, go to <http://www.elections.ny.gov>

For information about other states' registration deadlines and absentee ballot request deadlines you can visit <http://campusvoteproject.org>

## Glen Cook

10-19-2016, 4:30 PM  
Binns-Merrill Hall room 106  
Cost: Free

Glen Cook became chief scientist for The Corning Museum of Glass after 16 years at Corning Incorporated as a senior research associate, conducting research in inorganic materials processing and composition.

As chief scientist, Cook is responsible for researching and sharing scientific and technical topics in glass. He informs exhibitions, programs and publications, and also serves as a technical resource for the broader museum community, museum guests and the general public, as well as artists working in glass today.

In 2013, Cook's outstanding record was recognized with Corning Incorporated's prestigious Stookey Award for cutting-edge exploratory and applied research, as well as in recognition of being the named inventor on more than two dozen patent applications.

From 2012 to 2014, Cook has collaborated closely with Museum glassmakers in glass forming process research. Cook is also the technical advisor to the new Specialty Glass Artist-in-Residence program that is jointly managed by Corning Incorporated and The Corning Museum of Glass.

Cook holds a PhD and MS in metallurgical engineering from the University of Wisconsin-Madison and a BS in materials engineering from the New Mexico Institute of Mining and Technology.
