Get Out and Vote

Alfred University stands behind the idea that we all benefit when a greater share of Americans register and vote. This year there will be an important general election on Nov. 8, 2016. If you are not already registered to vote, please consider doing so now.

Alfred University students have a choice of registering and voting right here in Allegany County (if you have been a resident in your present address for at least 30 days before the election) or voting by absentee ballot in your home county or state. The choice is yours, but please plan to register and vote.

You can download the registration form and get more information about voting in New York State, including instructions on how to vote by absentee ballot, at this Web site maintained by the NYS Board of Elections: www.elections.ny.gov.

You can also stop by the Center for Student Involvement to pick up a form for NYS. The Center for Academic Success also has forms available.

Please make sure that to register to vote, you must complete the form, print it out, sign it, and mail it to the county's Board of Elections.

To request an absentee ballot for New York State, go to <http://www.elections.ny.gov>.

For information about other states' registration deadlines and absentee ballot request deadlines you can visit <http://campusvoteproject.com>.

Ordering Toshiba MFP Toners

Beginning Monday, October 3rd, Toshiba online ordering will add a field to input your MFP's (copier's) serial number. The serial number will ensure ordering accuracy on Toshiba's end by letting them view the usage on your device.

Since toner does expire, keeping unused toners for an extended period of time is not recommended.

You can also order your toners over the phone by calling the 800 number on the front of your MFP. Your MFP toner cartridges are free with our current contract.

As a friendly reminder, please do not give out your serial number to any phone solicitors. This is usually a scam. Either transfer this call to Procurement Services (x. 2698), or simply hang up.

AU Photo Library Online - Gallery Server Pro

AU has a new searchable photo library, Gallery Server Pro (<http://gsp.alfred.edu>), accessible to AU faculty/staff. This library contains a wide variety of downloadable AU images ranging from seasonal campus scenics, to classrooms/labs, to selected campus events. To access, please go to our.alfred.edu and scroll down the left-hand side to Faculty/Staff. Click on Faculty/Staff and scroll down to Gallery Server Pro.

Gallery Server images are cataloged by semester, by month and by topic, and as new photo assignments are completed, additional images will be cataloged and posted on a regular basis. The photos are extensively tagged to assist in searches for specific subjects.

NOTE: The images have been carefully selected from more extensive photo sessions that include alternative views and formats (landscape vs portrait). Those images are archived separately and you will need to contact Rick McLay, director of Creative Services at 2736 (mclay@alfred.edu) to inquire about those additional images. There is also a separate folder dedicated to faculty/staff portraits, many of which were completed the week of Aug. 17, 2015.

BEFORE YOU DOWNLOAD

The primary use of many of these images is for Admissions and University Relations marketing efforts in both printed and web formats. In order to keep track of downloads (except for faculty/staff portraits), please contact Rick McLay (mclay@alfred.edu) or Judy Linza (linza@alfred.edu) with information on which images you are downloading, and where they are going to be used.

TO DOWNLOAD

Access to Gallery Server requires AU username/password to review images and to download in three formats: 1. Thumbnail (small image), 2. Web optimized (low resolution but full size), and 3. Original (high resolution). To download the image of your choice, use the download/share icon, which is the one on the left in the icon grouping above each image, and follow the directions.

ADDING PHOTOS TO THE AU PHOTO LIBRARY

We welcome the opportunity to obtain images from faculty and staff. Though much effort goes into documenting as many things as possible on campus, it is impossible to cover it all. When there are events such as art shows, or special lab/classroom activities that faculty/staff are photographing, we would very much like to review those images so that the library is as comprehensive as possible. Please contact Rick McLay if you have images that you think should be considered for this.

ATHLETICS PHOTOS

Current images of athletics events are available at (<http://gosaxons.com>). By contractual arrangement with the professional photographer, there will be a charge for athletics images. Mark Whitehouse, AU's Sports Information director (whitehouse.alfred.edu), is the contact regarding usage.

If you have any questions or suggestions for photos you want cataloged and included, please contact Rick McLay at mclay@alfred.edu or Ext. 2736. If a student requests access, please contact Rick McLay.
