**Rejection Day - invites supporters of Trump, Clinton, and others**

After a week of reflection, #RejectionDay is an effort to reject hate and reaffirm community support

after a divisive election. All students, staff, and community members (regardless of your presidential pick or political party) are asked to cast a ballot rejecting hate, violence, and various forms of discrimination, at the voter's discretion. A ballot also invites you to embrace community values such as peace, discourse, prosperity, freedom, and forgiveness.

You may print the attached ballot and post to social media (#RejectionDay) or join us on Alfred University's Allen Way on Tuesday, 11/15 from 10am-2pm to cast your paper ballot and possibly learn more about the impact of various forms of bias and discrimination.

Again, ALL are welcome. This program is intended just as much for Trump-supporters as Clinton-supporters, as both groups seek to denounce hate and division within our community.

Please feel free to repost this program for the benefit of others seeking to engage in similar dialogue within other communities.

## Dr. Gregory Tentler, Visiting Art History Professor

"Revisionist Readymade: David Hammons's Art History Lesson"

Thursday Nov. 17, 2016  
4:30pm  
Harder Hall 220  
Free  
Sponsored by: Art History Club

About the lecture: In 1973 the artist David Hammons suspended an ordinary gardening trowel with the cutting edge upright and affixed chains in a semi-elliptical pattern from the instrument's shoulders. Entitled Spade with Chains, the work was a part of the artist's ongoing multimedia 'Spade' series. Despite the readymade components, minimal technical contribution by the artist, and the seemingly objective title, Spade with Chains was omitted from the first texts on and collected documents of Conceptual Art. Instead the work has been examined nearly exclusively through issues extending from the psychic tolls of contemporary non-white identity. This paper seeks to expand this critique to the work's engagement with a central characteristic of canonical Conceptual Art: the scrutiny of self-reflexivity and the empiric claims extending from the history of Modernism. Doing so reveals Hammons's neglected participation in Conceptual Art and his unique employment in the movement of a strategy of formal repetition and revision derived from longer African American intellectual and artistic traditions. In his interrogation of such signal moments of Modern Art as the Primitivism of Pablo Picasso as well as the hagiographic reception of Marcel Duchamp's readymade, Hammons reveals both the racialized underpinnings of the history of art as well as their legacy in the contemporary hermetic

Conceptualism of Joseph Kosuth and the critical barriers to the ongoing Black Arts Movement.

About the speaker: Gregory Tentler is a Visiting Assistant Professor of Art History at Alfred University. He has previously taught at Ohio Wesleyan University, Hollins University, Rhode Island School of Design, and the University of Pennsylvania. Prof. Tentler received his MA and PhD at the University of Pennsylvania. His dissertation focused on the postwar Italian conceptual artist Piero Manzoni. Prof. Tentler's current project examines neglected and dissident figures in conceptual art from the 1960s-1980s.

### Alfred University Gallery Server Pro - IMPORTANT UPDATE - NOV. 2016

AU's faculty/staff photo library, Gallery Server Pro (<http://gsp.alfred.edu>) has expanded over the past year!

Hundreds of images have been added since Gallery Server Pro (GSP) was originally launched in the fall of 2015, and new ones continue to be added almost daily.

Below is a refresher for all faculty/staff.

This searchable photo library contains a wide variety of downloadable AU images ranging from seasonal campus scenics, to classrooms/labs, selected campus events, official AU Faculty/Staff portraits, and much more.

GSP images are in folders cataloged by semester, by month and by topic, and as new photo assignments are completed, selected images are cataloged and posted on a regular basis. The photos are extensively tagged to assist in searches for specific subjects.

#### WHO CAN ACCESS GALLERY SERVER PRO?

GSP is accessible to any faculty or staff member who has been provided access by ITS. It is NOT accessible to students, or to the public.

#### TO ACCESS GALLERY SERVER PRO

1. Go to [our.alfred.edu](http://our.alfred.edu) and hover over the left-hand side menu item "Faculty/Staff." The Gallery Server link is the 13th item listed in the fly-out menu.
2. Type in <http://gsp.alfred.edu> in your browser

Once GSP launches in your browser, you will need to enter your AU username (not full email) and email password.

#### IF YOU HAVE TROUBLE ACCESSING GSP

Those who haven't yet accessed GSP, must email Steven Bucklaew of ITS ([bucklaew@alfred.edu](mailto:bucklaew@alfred.edu)) who will provide access and confirm it via email soon after he receives the request. It usually happens within minutes!

#### BEFORE YOU DOWNLOAD

The primary use of many of these images is for Admissions and University Relations marketing efforts in both printed and web formats. In order to keep track of downloads (except for faculty/staff portraits), we recommend you email Rick McLay ([mclay@alfred.edu](mailto:mclay@alfred.edu)) or Judy Linza ([linza@alfred.edu](mailto:linza@alfred.edu)) with a brief description of which image(s) you are downloading, and where it is going to be used.

#### DOWNLOADING AN IMAGE

There are two recommended downloadable formats:

1. Web optimized (low resolution but full size), and
  2. Original (high resolution).
- To download the image of your choice, use the download/share icon, which is the one on the left in the icon grouping above each image, and follow the directions.

#### ATHLETICS PHOTOS

Please contact Mark Whitehouse, AU's Sports Information director ([whitehouse.alfred.edu](mailto:whitehouse.alfred.edu)) if you have any questions regarding access to and usage of athletics images.

If you have any questions about GSP, or if you have images that you would like to be considered for inclusion, please contact Rick McLay at [mclay@alfred.edu](mailto:mclay@alfred.edu) or Ext. 2736.
