**It's Hunting Season! Be careful!**

For your safety, we would like to notify you of this year's date range for big game hunting season in Western New York. The first season began Saturday, November 19th this year (sunrise to sunset), and the final season is over on Sunday, Dec. 11.

Please be very careful if you decide to walk in any wooded area during this time. If you do, wear blaze orange or some other very bright color. If you see a POSTED sign, get the landowner's permission to enter or you could be fined for trespassing.

Hunting is not allowed on Alfred University property which includes the woods behind the campus and around Foster Lake.

## Forum Follows Function at ACAM: a Dialogue w/Linda Sikora & Takeshi Yasuda

Date/Time: Dec. 1, 4:30-5:30pm

Location: Alfred Ceramic Art Museum

Cost: Free

Join the Art History Club for a discussion of functional ceramics on view at the Alfred Ceramic Art Museum with Division Chair and Professor of Ceramics Linda Sikora and Theodore Randall International Chair in Art and Design Takeshi Yasuda. Grant Akiyama and Max Mustardo, BS in Art History and Theory candidates, will moderate the discussion, that will address questions such as: How do studio pottery, industrial design, and fine art address notions of function? What is the relationship between function, art, and craft? What are the effects on performance resulting from mechanical and handmade processes? How do design elements in ceramics reflect cultural contexts?

Spaces are limited to 20 persons and reservations are essential: email [arth@alfred.edu](mailto:arth@alfred.edu) by November 28th. Sponsored by: Art History Club

## Chemical Waste Removal

The fall/winter chemical waste removal will occur during December 2016. Both hazardous and non-regulated waste will be accepted.

All chemical waste must be received in your respective Central Accumulation Area (CAA) no later than Thursday, Dec 15, 2016. All colleges (Harder Hall, McMahon, and Myers CAAs) contact Dean Perry x 2196 or Travis Reed x 2190 for receipt of your hazardous and non-regulated waste.

Completed Hazardous Waste and Non-Regulated Waste Log Forms MUST be sent to EH&S no later than Thursday, Dec 15th and may be mailed (117 Myers Hall), faxed to x2086, or scanned and e-mailed to: [perrydr@alfred.edu](mailto:perrydr@alfred.edu). The hazardous waste packers must have this information prior to packing in order to obtain required approvals from the disposal facility.

All Satellite Accumulation Area labels MUST be filled-out completely with EPA# for respective college, building name, Room # or area name, start date, initials, chemical name(s) of constituents in the accumulation container with volume or weight, and waste characteristics prior to receipt in Central Accumulation. Note: Per EPA regulations you have only 72 hours from an SAA full date to transfer the container to the proper CAA. SAA containers must be capped or sealed with container lid, have clean exterior, and SAA label easily legible. If you have any questions contact Dean Perry.

All Satellite Accumulation Areas must be empty by Dec 15th, with a notation to that effect made on your submitted December 2016 Satellite Accumulation Area Weekly Inspection sheet. Reminder: Any SAA's which collect waste during the break and are not empty must have the weekly inspection log maintained and submitted to EH&S on a weekly basis.

Hazardous and Non-Regulated Waste Log Forms are available at <http://our.alfred.edu/ind...> under the heading "AU EH&S Forms".

### Motor Pool Registration

Greetings. In order to drive an AU motor pool vehicle, you must register to drive at the AU Physical

Plant Office every fiscal year. If you have not registered to drive since July 1, 2016, your name was de-listed from the motor pool vehicle reservation system, and you are currently ineligible to drive a motor pool vehicle. Fortunately, this is easy to fix. Please stop by the AU Physical Plant Office between 7:30 a.m. - 12:00 or 1:00 p.m. - 3:30 p.m. M-F and bring your license with you. Filling out the registration form is easy and takes no more than a couple of minutes. Thanks, AU Physical Plant

### WGST Statement of Support

In keeping with our historic roots and history, the Women's and Gender Studies Program at Alfred University would like to share the following statement with the Alfred community:

"In keeping with Alfred University's history of inclusion and commitment to social justice, we, the members of the Women's and Gender Studies Program, wish to reaffirm our values in this period of political turmoil. We stand in solidarity with individuals and communities that have been targeted by the rhetoric of hate that has been condoned during this election and that has escalated in its wake. We reject all forms of violence, racism, sexism, xenophobia, anti-Semitism, Islamophobia, homophobia, heterosexism, cis-sexism, and ableism. We pledge to resist the normalization of misogyny, sexual assault and discrimination, and will continue to educate ourselves and our academic community in order to challenge laws, policies, and rhetoric that undermine the dignity or circumscribe the rights of women and the LGBTQ+ community. We must protect human rights and promote social justice for all."
