It's Hunting Season! Be careful!

For your safety, we would like to notify you of this year's date range for big game hunting season in Western New York. The first season began Saturday, November 19th this year (sunrise to sunset), and the final season is over on Sunday, Dec. 11.

Please be very careful if you decide to walk in any wooded area during this time. If you do, wear blaze orange or some other very bright color. If you see a POSTED sign, get the landowner's permission to enter or you could be fined for trespassing.

Hunting is not allowed on Alfred University property which includes the woods behind the campus and

around Foster Lake.

Chemical Waste Removal

The fall/winter chemical waste removal will occur during December 2016. Both hazardous and non-regulated waste will be accepted.

All chemical waste must be received in your respective Central Accumulation Area (CAA) no later than Thursday, Dec 15, 2016. All colleges (Harder Hall, McMahon, and Myers CAAs) contact Dean Perry x 2196 or Travis Reed x 2190 for receipt of your hazardous and non-regulated waste.

Completed Hazardous Waste and Non-Regulated Waste Log Forms MUST be sent to EH&S no later than Thursday, Dec 15th and may be mailed (117 Myers Hall), faxed to x2086, or scanned and e-mailed to: perrydr@alfred.edu. The hazardous waste packers must have this information prior to packing in order to obtain required approvals from the disposal facility.

All Satellite Accumulation Area labels MUST be filled-out completely with EPA# for respective college, building name, Room # or area name, start date, initials, chemical name(s) of constituents in the accumulation container with volume or weight, and waste characteristics prior to receipt in Central Accumulation. Note: Per EPA regulations you have only 72 hours from an SAA full date to transfer the container to the proper CAA. SAA containers must be capped or sealed with container lid, have clean exterior, and SAA label easily legible. If you have any questions contact Dean Perry.

All Satellite Accumulation Areas must be empty by Dec 15th, with a notation to that effect made on your submitted December 2016 Satellite Accumulation Area Weekly Inspection sheet. Reminder: Any SAA's which collect waste during the break and are not empty must have the weekly inspection log maintained and submitted to EH&S on a weekly basis.

Hazardous and Non-Regulated Waste Log Forms are available at <http://our.alfred.edu/ind...> under the heading "AU EH&S Forms".

Looking for just the right Holiday gift?

Water for Haiti AU still has tee shirts, water bottles, and now coloring books (thanks to the AU Print Club) and they would make stylish, useful and fun holiday gifts! We will be selling these items outside the Bergren Forum on Thursday, at the Dance Show on Friday, at the Talent Show on Friday and at the Symphonic Band concert next weekend! Tee shirts and water bottles are also for sale at the AU bookstore. Or email fhluchy@alfred.edu to purchase any of these items. Gift a great gift and help support a great cause. We are getting closer to our fund raising goal, but still have a little ways to go. Wouldn't it be great if we met our goal by the end of the semester?

Bus to the Million Woman March

Currently trying to organize transportation to the Million Woman March in Washington DC for students and faculty.

The march will be from 10:00 AM-5:00 PM on January 21 2017. The bus(es) will leave the night before and return once the march is over.

All students and faculty members are welcome to join the march. Please send an email to hm10@alfred.edu so that I can estimate how many people need transportation. The current cost estimate is \$50.00.

Race Panel Questions Project Gallery

Questions collected from Spring 2016's Race Panel were spread throughout campus to leave it to the students, faculty, staff, and visitors to answer. These responses will be displayed in the Knight Club for attendees to read and discuss. The opening reception will be 6pm, Thursday 12-8-16 in the Knight Club.

Coffee and Coloring! Come color with us for Water for Haiti!

The School of Art and Design Foundation Students, the Print Club and Alfred University Artists have joined together to create coloring books and pages! Please join us at the Cohen Studios from 10 AM to 12 PM on Saturday, Dec. 10. This is an opportunity for the Alfred community to come by and relax with a cup of coffee and some coloring! There will be music, food, coloring and creative energy to help make it through finals and the holiday season. Choose from pre-assembled coloring books and single pages for sale. Proceeds will go towards the Water for Haiti AU initiative. You can also plan to do some holiday shopping there: tee shirts, water bottles and baked goods will be offered for sale! Help us reach our goal to support a clean drinking water well in a rural village in Haiti!
