# ALFRED WINS "LITTLE TEN" CHAMPIONSHIP

## CLASS OF '30 CELEBRATES EMANCIPATION WITH CONSTRUCTIVE MOVING-UP PROGRAM

Gone are the verdant freshmen. Gone are the green caps and the other accouterments of plebian rank. Gone are the freshmen into the ranks of the sophomores. And the sophomores? As the Song of the Classes would have it, they have been elevated into the stately ranks of the juniors. Likewise have the juniors achieved the lofty ranks of seniors, and to symbolize their rise to this status occupied the Olympian heights of the assembly, at last Thursday's moving-up day assembly. And, if to complete the cycle, the solemn and stately academic costume of the seniors filled the first few rows of the assembly with an atmosphere of awesome dignity. With pride and joy, and an inward sense of elevation, last Thursday's moving-up assembly formally completed the traditional moving-up rites.

"The Moving-Up Day program was most satisfactory and impressive," declared President Boothe C. Davis, in commenting upon the activities of last Thursday. "The foundations for really constructive Moving-Up Days have been laid in the events of these past two years."

Donald E. Stearns, retiring president of the Student Senate, conducted the main part of the assembly exercises which began at eleven o'clock. In reviewing the events of the past year, he complimented the Student Campus Court and the Department of Campus Duties, both organizations having now completed their first whole year of constructive activity. The speaker also commented favorably upon the revisions which have been made in the constitution of the Honor System.

With due pomp and ceremony, Robert Boyce, president of the graduating class, made the traditional presentation of the Senior Cane to Desmond E. Devitt, president of the Class of '28.

Several Athletic Association awards were distributed by President Davis, as the names were read by Walter L. M. Gibbs, president of the Athletic Association. Basketball letters were awarded to Captain Ken Nichols, Captain-elect Art Foti, Lee Cottrell, Don Fenner, Bob McMahon, Gus Larson, Walter Hulse, and Manager Dick Claire.

Letters and Spiked Shoe awards were presented to the following members of last year's "Little Ten" Conference Championship Track Team: ex-captain Chet Lyon, Hollis Herrick, and Archie Stewart, who have been

### "Big Mac" Now A Pugilist

"Big Mac" McConnell, famed as one of the best all-round athletes which Alfred has ever produced, is fighting his way into sports prominence as a pugilist in the Buffalo fistic world, in addition to his labors as a Ceramic Engineer for the Carborundum Company of Niagara Falls.

Before being graduated from Alfred in 1925, "Mac" broke seven track records, captained the varsity eleven, played stellar basketball, wrestled and maintained a highly creditable index. He asserts now that athletics are a worth-while part of life, and should not be omitted merely because one has captured a sheepskin.

### "Powers That Be" Striving To Make Laying Of New Gym Cornerstone Possible

President Davis, in a recent interview, expressed the hope that the cornerstone for the new gymnasium might be laid at commencement time, although he also stated that there are contingencies which might interfere with such a program. He intimated that "the powers that be" are using their greatest efforts in overcoming these, and that if all goes well the cornerstone will be laid at Commencement as planned.

Of the several obstacles which are present, one is the fact that the contract has not yet been let. Moreover, the architect's plans for constructing the top floor as a dormitory must be changed to convert the place into a large class room and a trophy room. These rooms will be separated by folding doors which will open to provide a hall for parties and dances. The elimination of these delaying influence will pave the way for the long-hoped for occasion.

### STUDENT SENATE NOTES

Regular meeting of the Senate was called by President Ross W. Robbins. Daniel P. Gridley and Gordon E. Lewis were elected Assistant Campus Administrators.

Adelaide Vores, Sec.

### Donald E. Stearns Honored By Student Election As Winner Of Loyalty Medal

The student body has again chosen from among the Senior ranks him who has best exemplified Alfred's truest type of manhood, and has awarded the Loyalty Medal—to Donald E. Stearns.

Somewhere in the heart of every undergraduate is a vision of the man he would like to be for his Alma Mater; and it is to him who can the most nearly fulfill this dream that Alfred pays homage in presenting her symbol of Loyalty.

In the list of campus officials for the last four years one name has been outstanding. As president of the Student Senate and of Phi Psi Omega; as Business Manager of the Kanakadea and of the Fiat Lux; as Assistant of the Athletic Council and Varsity Campus Administrator and member "A" Club; and as a football and wrestling varsity man, the name of Donald E. Stearns has been honored by his fellow students. His influence has been the more widely felt because of his active representation of the College in progressive student movements, at the National Student Federation of America; and because of his earnest leadership in his fraternity, whose local chapter he represented at the National Theta Kappa Nu Convention.

Yet activities alone do not form the choice; those requisite qualities of dependability and earnestness, of constructive leadership and steadfast purpose, backed by a spirit of clean sportsmanship, a magnetic personality, and the will to say "Let's go!"—these are the characteristics of influence and progress which spell—"LOYALTY."

### Alfred Athletics Now Under Management Of New Athletic Council

Not only will the new Athletic Council entirely replace the old council, but it will perform the old duties of giving team awards, and appointing managers and trainers. It will also determine the calibre and extent of Alfred's sport schedules and establish Alfred's athletic policy in general.

According to Chairman Champlin, fraternities in Alfred Athletics are to be dealt with summarily. Furthermore, finances will be completely and efficiently controlled by this body, which equally representing, as it does, alumni, faculty, and students, should remove many of the defects that have previously existed in Alfred's former system.

The new Athletic Council will draw up a budget of finances for various sports of the coming year at its next meeting on Tuesday, June 6th. The Committee will adhere as rigidly as possible to the budget in an effort to more economically achieve a fairer distribution of equipment and coaching to the different teams.

### Ceramic Guild May Start Annual Program In Assembly Thursday

The Ceramic Guild and the Ceramic Society will possibly begin an annual custom in sponsoring the assembly program for this week for the first time in Alfred's history. Inasmuch as a policy of strict secrecy in regard to the occasion has been maintained by Desmond E. Devitt, General Chairman, little can be ascertained concerning what is scheduled to take place.

Though no details are forthcoming from those directly concerned with the coming assembly, various rumors predict that a program of variety and interest will take place, and that features of unusual nature will characterize the event. The success of the Ceramic Assembly will undoubtedly decide whether or not it will be adopted as an annual affair.

## MANY RECORDS FALL WHEN ALFRED WINS "LITTLE TEN" FOR SECOND TIME

Even the sporting fans of Alfred were surprised when the Purple and Gold track team crashed through in the second annual Intercollegiate Athletic Conference Track and Field Meet held at Rochester, Saturday. Alfred rolled up 70½ points to take the title of the "Little Ten" for the second consecutive year, with Rochester in second place with 58½ points. Hamilton placed third with 43 points, St. Lawrence took fourth with 32 points, and Niagara fifth with 4 points.

### Botanical Exhibit Of Indigenous Plants At Steinheim Museum

A rather remarkable exhibit, and one of which its collectors may feel justly proud, is now in progress at the Steinheim Museum. The exhibit is being sponsored by Professor F. W. Ross of the Biology Department, and is composed of indigenous plants.

Although unfavorable weather conditions have impaired collections to some extent, the variety and scope of the plant assemblage has proven to be of immense interest to visitors.

The display, which began last Monday, will continue for the remainder of the week, and adds one more tempting inducement to visit the little world of interest which centers about the Steinheim. Professor Ross extends to the public in general an invitation to view the Botanical array.

### PROF. IRWIN CONROE SUMMARIZES TALKS GIVEN IN CHAPEL

The talks of the past four speakers are being summarized in chapel this week by Professor Irwin A. Conroe of the English Department. Much comment and interest has been aroused recently as a result of the Chapel programs that were conducted by Professors Joseph Seidl and Paul Rusby, and it is expected that the retrospection as presented by Professor Conroe will prove fully as startling as the talks themselves.

## REVISIONS ENACTED BY STUDENT BODY DRAW ATTENTION TO HONOR SYSTEM

### THE HONOR SYSTEM

Art. I. PREAMBLE—The student body of the College of Liberal Arts and the New York State School of Clay-Working and Ceramics at Alfred University creates an Honor System under which each student by his attendance pledges himself to be just; to be fair; to be honorable in all matters relative to or pertaining to scholarship and conduct at this University.

Art. II. ORGANIZATION—The members of the Student Senate shall be a committee to represent the Student Body and deal with all cases involving violation of the Honor System.

Art. III. VIOLATIONS—Sec. 1. Each student is honor-bound to prevent violations. In case of violation of the Honor System in an examination, evidenced by papers on or about a person or by conspicuous open books, or by actions which would indicate cheating, such violation shall be subject to discipline under the Honor System. For work done in the laboratory or at home, the instructor shall define what constitutes breach of the Honor System. Failure to live up to his decision shall be considered a violation. A person detecting a breach of his displeasure known by tapping to warn the suspected Honor System violator once, and at his discretion, report the violation to the Senate. Continued violations after the warning, or violation for the second time, must be reported to the Senate. The report to the Senate must be made in person or in writing. A report in writing must be signed.

Sec. 2. Persons taking examinations shall neither converse nor communicate with each other, nor shall they have texts, notebook, papers, etc. in their possession.

Sec. 3. The Senate shall have the power to summon the accused and witnesses and conduct a formal investigation. Punishment for the first offence shall be determined

by the Senate. In case of a second conviction during the remainder of the student's college career, recommendation shall be made to the student by the Senate of his separation from college, and, if such separation is not made, the Senate shall then make the same recommendation to the Faculty with a brief resume of the case.

Art. IV. TRIALS—Sec. 1. The trial of the accused shall be conducted as follows: Witnesses against the accused shall be examined first and their testimony taken in full. The accused shall then be called separately and allowed to make his statement, presenting his defense. All witnesses and the accused may be questioned by members of the committee. A decision shall be made, rendered according to the evidence.

Sec. 2. Six (6) out of eight (8) votes shall be necessary for conviction.

Sec. 3. All evidence possible shall be procured in every case, and in no event shall a man be tried the second time for the same offence, except in the light of new and important evidence.

Art. V. OBSERVANCE—Sec. 1. Each student must, in order to make his or her examination or test valid, sign the following pledge: "I pledge my honor that I have neither given nor received aid in this examination," or the declaration: "I do so declare."

Sec. 2. Members of the Faculty shall insist that the above declaration or pledge be attached to every examination paper. Any examination paper lacking this pledge shall be considered void by the instructor in charge. The instructor must notify any student whose paper lacks the pledge, and give the student the opportunity of signing the said pledge.

Sec. 3. Instructors shall distribute all examination blanks.

Dance Ends Program  
Of Moving-Up Ceremony

The Moving-Up Day program came to a gala close last Thursday evening when the Class of '30 celebrated the final rites of its emancipation from "Frosh Rules," by entertaining college students and townsmen at an informal dance at Davis Gym.

The big hall was artistically decorated in purple and gold, and Fitch Brothers' Orchestra furnished the music for the peppy party. Every dance was "cut in," and several times the stag line threatened to engulf the dancers.

The yearling class had planned a program of fire works to entertain during intermission but the stormy weather put an end to this part of the evening's plans. However, in spite of this drawback, the affair was pronounced a great success by all present.

graduated, and Paul Kelley, Al Nellis, Frank Tate, Walt Gibbs, Frank Lampman, Eg Ladd, Bob Brown, Dean Fredricks, Bob McMahon, Wilbur Getz, and Harold Boulton.

Rings which bear a seal similar to the design on the Intra-mural cross country plaque were given to the members of the team which holds the championship of the Middle Atlantic States and the "Little Ten" Conference. The recipients of these awards are: Harold McGraw, Harold Boulton, Eg Ladd, Wilbur Getz, Sam Coe, Bob Brown, Claude Voorhies, and Frank Lampman, Coach.

A precedent was established by the award of gold keys to members of the staff of the Fiat Lux, "who have served one year either as Editor-in-chief, Associate Editor, Business Manager, Managing Editor, or Associate Editor, or to any other person recommended by the Editor for exceptional service." Those who received such emblems of service are: retiring Editor-in-chief Harold E. Alsworth, Editor-in-chief Donald F. Pruden, retiring Business Manager Leonard P. Adams, retiring Managing Editor Frederick P. Beckwith, retiring Associate Editor Jean Trowbridge, active Associate Editors Janet P. Decker, Isadore Lees, and Emerson G. Chamberlain.

The five Burdet B. Brown prizes for excellence in oral and written English were presented to the following Seniors: Harold E. Alsworth, Beatrice Schroeder, Helen Pound, Hattiedell Nugent, and Ruth Randolph.

It was announced that one hundred and forty-six Loyalty Bonds have been signed and turned in.

Ross Robbins, new President of the Student Senate outlined the program for the remaining portion of the day.

The afternoon was occupied by a track meet between the Freshmen and Smethport, Pa., and the annual tug-of-war between the two lower classes. Since the rope was severed by the combined strength of all the members of the Frosh and Soph classes who were present, it was finally decided that the contest should be carried on by a picked crew of twenty men from each class.

The actual tug-of-war was of short duration and resulted in a distinct victory for the Sophomores. After part of the Frosh team had been dragged through the water hazard, all the members of that squad deserted the rope and made a concerted rush for the hose. The struggle that ensued was very similar to that of last year. The Freshmen claim a doubtful victory in this secondary part of the event. The whole affair thus gave at least a bit of success to both classes and resulted in satisfied smiles on the faces of not only all the contestants but the crowd of onlookers as well.

REVISIONS ENACTED  
IN HONOR SYSTEM

Continued from page one.

Sec. 4. All persons taking examinations shall be seated in alternate seats, or be provided with alternate examinations.

Art. VI. DECISIONS—The Student Senate shall keep and preserve a record of all cases acted upon. In no case shall a member of the Student Senate make mention publicly or privately of any case brought before the committee through action of the committee as a body.

Art. VII. ENFORCEMENT—Every student is honor-bound to aid in enforcing this Constitution.

Art. VIII. AMENDMENT—This Constitution may be amended by a three-fourths (¾) vote of those present at a student body meeting, or a revision may be authorized by a unanimous vote of said student body, and the passage of the revised Constitution shall be secured by a three-fourths (¾) vote of those present. Notice of this meeting shall be given at least one week previous to time of action, by its reading before the student body or by its publication in "Fiat Lux."

Art. IX. PUBLICATION—Sec. 1. The committee shall make provision for interpreting the Honor System to the members of the Freshmen Class during the first semester of each school year.

Sec. 2. Copies of this Constitution shall be posted in recitation rooms, on College bulletin boards, and in the Library.

Sec. 3. The Constitution shall be published three (3) times during each college year in the "Fiat Lux,"—the first issue of the first semester and the last issue before the final examinations of the first and second semesters.

NOTE:—The Honor System as printed above contains the revisions enacted by the Student Body legislation this year. They may be referred to specifically in Article III, Sections 1 and 2, and Article 7, Sections 3 and 4.

STUDENT OPINION  
\* \* \* \* \*

It would seem the courteous thing to do when a man offers his car and time to take a team to a certain place that the team should appear on the spot at the hour appointed instead of anywhere from fifteen to forty-five minutes late. The team should make a point of trying to keep an appointment as near to the schedule as possible, for time is valuable to everyone. It is to be thought that if an athlete should appear on the track, field, or court fifteen or twenty minutes after a race or game has commenced that the event should be run over for the benefit of the delinquent? A very exalted idea these athletes would have of themselves if such a thing were to be practiced! But no—a little more care should be taken in trying to get to an appointed place on time. There are very few good excuses that a man could offer for not being on time, especially if he trains as he should.

So, in the future, it would be a just thing for those who loan cars and time to the athletes, to go off without the traveling companions and let them arrive on the scene the best way they can. If it were not for the good nature of the "American" race this practice would undoubtedly become popular.

On Moving-Up Day the Frosh suffered defeat from the strong Smithport track team. Many of the yearlings performed creditably and deserve much credit. Zschiegner, Gullo, Olander and Feldman all did well in their events.

Nevertheless, there is another side to the story. The Frosh should have decisively defeated Smethport. Due, however, to lack of training as well as scarcity of men, Smethport completely outclassed them.

How many students know that certain Frosh accepted the responsibility of being team members and reported for practice for a short time. Some showed themselves to be of varsity caliber and many had bright prospects of improvement. Then, when the list was posted for the Bonaventure trip, many failed to report at the scheduled time. Bonaventure defeated Alfred Frosh 89 to 37.

Conditions were almost as bad at home meets. There were at least eight men who, if they had reported last Thursday, could have won points and incidentally the meet with the background of a little training. As it is, one Frosh and one Sophomore, a transfer, won twenty-five points between the two of them, more than one-half of the points run up by the class. But that seems to be the caliber of the Frosh spirit in general. When men of the ability of some of these yearlings have not the spirit or the "guts" to expend a little effort, it is not hard to predict the position of that class in the inter-class meet—in spite of a wealth of material.

Reconciliation Parley  
Now Underway Between  
Council And Klan Men

It is understood that final efforts to straighten out the existing disharmony between the Men's Interfraternity Council and Klan Alpine will take place at a joint conference of the two organizations Wednesday evening.

Three preliminary meetings have already been held but nothing definite has resulted, and it is said that at the meeting which is now pending conditions of settlement will be put forward by each organization.

Some student councils voted for their colleges, in other cases the student bodies themselves voted. With three exceptions the results of the vote were in favor of arbitration.—New Student.

THETA KAPPA NU  
ANNUAL SPRING  
FORMAL DANCE

The annual Spring Party of Theta Kappa Nu fraternity was held in the blossom-decorated chapter house on Saturday, May 28th. The party began with an informal bridge dance in the afternoon from 3:30 until 5:30, and ended with a formal dance in the evening from 8:00 until 12:00.

Although tables were prepared for bridge they were not greatly in demand, for few could resist dancing when urged on by music furnished by Wainwright's Collegians. At 5:30 a light luncheon was served.

After a two and a half hour intermission, the brothers and their guests returned to the fraternity house "decked out" in the full splendor of formal attire. The peppy Syracuse orchestra again tuned up and blared forth the opening notes of a varied program of harmony and amusement.

The chaperones were Professor Burdick and Professor Ford. Guests were Robert Boyce and Miss Hallett, and Mr. and Mrs. DeForest W. Truman.

SORORITIES INITIATE  
RECENT PLEDGEES

Sorority initiations conducted during the past week now include the following names as members of the various organizations:

Theta Theta Chi announces the initiation on Monday, May 24th, of the Misses Vira J. Harder, J. Marcedas Turner, Dorothy E. Hallock, Frances Green, Frances R. Rogers, Clarissa A. Persing, Harriette J. Mills, Ella M. Corson, and Marie L. Molitor.

Pi Alpha Pi announces the initiation on Monday, May 24th, of the Misses Alice C. Holbert '29, Charlotte M. Hoyt, Dorothy H. Worden, Margueritte L. Hutchinson, Margaret D. Young, Ferne R. Greene, Maretta Wilcox, and Ortense A. Potter.

Sigma Chi Nu announces the initiation on Wednesday, May 26th, of the Misses Pearl A. Woolever '29, Myrtle H. Harding and Bernice R. Guilford.

**Theta Theta Chi**

Miss Aileen Ryan of Elmira College, Miss Kathryn McGuire of Warsaw, and Miss Mona Rice of Wellsville were guests at Morgan Hall this week.

Louise's brother, Burdette Cottrell, arrived from Boston Sunday, to "watch the college year out," at Alfred.

Now that Moving-Up Day has gone down in the annals of history, the Sophomores at the house voice the prevailing sentiment of regret that the tug-of-war marked the last contest of the Class of '29 with their competitors, the Frosh.

The Theta Chi Sophomores journeyed to the Ledges for an outdoor dinner last Sunday, accompanied by the music of Muddy Water, Crazy Words, etc.

"Tus," Helen Pound, Ruth Bull, Helen Brundige, and 'Drena scattered for Cuba, Nanuet, Syracuse, and Belmont, respectively, this week-end.

# FRESHMEN LOOSE TRACK MEET ON MOVING-UP DAY TO SMETHPORT HIGH

In a track meet which began under smiling skies and ended in a rousing good deluge, the Alfred Frosh went down to defeat before the onslaught of a fighting team from Smethport, (Pa.) High. As a preliminary event to the annual tug-of-war on Moving-Up Day, the Frosh lost by a 58½ to 49½ score. The audience responded vigorously to the various events until the rains came and the floods descended. Then all was quiet. However, on a track that had suffered from a flood, and had received continual duckings from the skies for the past week or more, the athletes were credited by spectators with a remarkable showing.

Mundy of Smethport took the hundred in comparatively fast time considering the track. It was run in 10.6 seconds. The dashes were especially fast, considering the weather, which wept copious tears and spoiled the cinder path. Feldman of A.U. breezed through the 220 yard dash in the fast speed of 23 flat. He was closely followed by Gullo, also of Alfred. The 440 went to three Alfred men, Schiegner, Gullo and Rickerson, who placed in the order mentioned. In the Field events Smethport took four first places in the broad jump, high jump, pole vault, and shot put. Olander, putting for the Frosh, lost out to Scott of Smethport in the shot. Zschiegner was high score man for the yearling team, closely followed by Mundy and Van Duzen of Smethport.

Summary:—

100 yard dash—Mundy, S.; Feld, A.; Van Duzen, S. Time 10.6.

## Senior Sleuths Rumored Active In Seeking Cause For Big Kanakadea Bills

The Class of '27 is once more the subject of wind and very plausible rumor. The particular bit of "mud" now under discussion is thought to involve a weighty argument over the justice or injustice of the bills for the bills of the Senior Class' section in the '28 Kanakadea.

The charge this year is reported to be higher than usual, and so large that it caused no small amount of detailed objection. The general sentiment of the class seemed to be that the bill exceeded a maximum of fairness, and while the '28 book was an excellent one, it did not warrant such a price.

It is reported that a Senior Committee is at work upon the matter in behalf of the indignant '27 group, but that the campus must await with proper patience the final settlement.

## NEW TENNIS COURTS NEAR COMPLETION

Extremely inclement weather has interfered with the construction of the Senior tennis courts to such an extent that a complete change in the building program may be found imperative.

The two courts will be built with the location of the new gymnasium well in mind. They will occupy the space on the right, immediately in the rear of the new building, leaving ample room for two possibly additional courts in the future on the left.

### CORRECTION

In the recent revisions of Campus Rules which were printed in the May 24th issue of the FIAT, Art. II, Sec. 1, should have read:

—Also during this time, both Freshmen men and women shall wear black hose; also, during this time Freshmen men shall wear black ties, as shall Freshmen women when wearing apparel with which ties are worn. However, both Freshmen men and women shall be excused from wearing black hose and black ties after Easter vacation.

## End Of Track Season Sees College Records Shattered

Purple and gold track men have shattered four track records and taken glory unto themselves all in the short space of time between the Middle Atlantic and the "Little Ten" conference meets, inclusive, of course.

Captain Walt Gibbs clipped 1/10 of a second from his former time in the 120 yard high hurdles when he worsted Jenks of Rochester and Cutter of Hamilton in a merry chase at the "Little Ten" meet to win by the new time of 16.4 seconds.

Hal Boulton lowered Hollis Herrick's record in the two mile run by setting the new college record at 9 minutes and 56 seconds when he placed third at the Middle Atlantic.

Dean Fredericks topped the bar at 5 ft. 9 1/4 inches in the high jump last Saturday to better Walt Gibbs' previous record of 5 feet 9 inches, established in 1926.

Sam Feldman, stellar dash man on the Freshman Squad, broke "Big Mac" McConnell's record of 23.6 seconds in the 220 yard dash, made in 1923. Three timers clocked Feldman at 23 seconds flat in the Frosh-Smethport meet.

## President Davis Brings "Alfred's Emergency" To Attention Of Alumni

In an interview this week, President Davis stated that 3,000 circular letters, entitled, "Alfred's Emergency," had just been mailed to Alfred Alumni. In separate letters which will be sent soon, the graduates will be requested to pledge money for the building of the new gymnasium and the remodeling of the Old Academy.

The circulars state the need for financial aid which the college faces, and contain the plans for construction. Answers to these are being received daily, together with pledges of money which far exceed the suggested sum of fifty dollars per year for five years. One subscription of \$10,000 has been received, and other indications are so favorable that President Davis feels certain the venture will be most successful.

## MANY RECORDS FALL Continued from page one.

Getz again proved his mettle by winning the half mile, but he was not able to touch Herrick's record. Brown took third, while Coe, who ran most of the distance in second place, was forced back into fifth.

Fredericks of Alfred rose to his greatest heights when he tied with Wilson of Rochester for first place in the high jump at 5 ft. 9 1/4 in. This broke the mark set by Fredericks and Gibbs of Alfred last year at 5 ft. 7 7/8 in. Gibbs took fourth place this year, and Kelley fifth.

Metz of Rochester captured the 220 yard dash to complete his brace of wins in the sprints. He was clocked at 22.8 seconds to tie the time made last year by Keller of St. Lawrence who took second. Alfred did not place.

Boulton of Alfred outraced Page of Rochester in the latter's specialty, the two mile, and led him by a comfortable margin to the finish. Boulton established a new record of 10 min. 2.2 sec. in the event, battering the time made by Bell of St. Bonaventure. Ladd also showed Page the manner in which races are run at Alfred by taking second place eight yards behind Boulton.

De Sormo of Hamilton added nearly three feet to his javelin record. This year he threw the spear 153 ft. 4 inches. Kelley of Alfred took third place.

As in the high hurdles, Gibbs, Cutter and Jenks fought for glory in the 220 yard low hurdles. Not a foot separated the three at the finish. Jenks won, with Cutter second, and Gibbs third.

Taylor of Rochester jumped 20 ft. 3 3/4 in. to win the broad jump, and Kelley of Alfred placed in a triple tie for third place.

Hamilton easily won the mile relay against Rochester, last year's winner; second, and Alfred third. The time was 3 min. 42 sec.

Gold medals were presented by Dean Charles Hoeing of the University of Rochester to the first place winners, and a large silver loving cup, symbolic of "Little Ten" championship was presented to Captain Walter L. M. Gibbs for the Alfred squad. A smaller cup was given to Hamilton for winning the relay.

## THE DOPE FIEND

After a recent inter-fraternity track meet at Nebraska, the coach presented each non-participating fraternity with a teacup in return for faithful support.

It seems that several teacups could be passed around at Alfred.

Late last Thursday evening several prominent track men were seen prowling about the campus against coach's orders.

One upperclassman remarks that when a pole vaulter reaches nine feet, he should not seek stimulation by merely scratching his head.

Announcement to the Faculty: There will be no school the afternoon of June 1st on account of a ball game between Bonaventure and McGraw's famous New York Giants at Olean! ("Jawn" is a Bona alumnus.)

It's gratifying to see that college track records are being shattered by Frosh and first-year Sophomores.

—And it's just as pleasing to hear that four Freshmen made the tennis trip for the Corning match last Saturday. Needless to say—they all "did their stuff."

Speaking of the Frosh, their track team is poorly balanced. In the three meets this season Zschiegner has scored 50 points, and Olander can account Hamilton; fifth, Hoyt, St. Lawrence, for 27 more.

Alfred has won so many championships in the last two years that perhaps we've ceased to sit up and take notice.

third, Gibbs, Alfred; fourth, Leich, Time 26.2 sec.

Mile relay won by Hamilton, (Ahner, Walker, Kirby, Baker); second, Rochester, (Gilbert, Alhart, Fitzsimmons, Grampkee); third, Alfred, (Zingale, Keefe, Getz, Perrone).

Total scores:

Alfred, 70 1/2 points. Rochester, 58 1/2 points. Hamilton, 43 points. St. Lawrence, 32 points. Niagara, 4 points.
