Attention: AU Students Working this Summer

When you enter time worked in Banner Self Service for your summer job, you will notice that your Web Time Sheet now looks different than your Student Timesheet did. Under the heading "Earnings" is the code "Worked", and also a list of other leave benefit codes.

Since you are a temporary summer employee, you are not eligible for benefit time so the only code you should use is "Worked".

PLEASE NOTE that Banner will allow you to enter time using the other codes even though you are not eligible for them. But if you do, the payroll process will issue NO PAY for these units of time. To ensure that your paycheck is calculated correctly and that you are accurately paid for all the time you actually worked, please ignore the benefit codes and only record hours in "Worked".

If you have any questions please contact payroll@alfred.edu.

Thursday, May 19 at 7 p.m.

Nancy Howe Auditorium

David A. Howe Public Library

155 N. Main St., Wellsville

April Verch, step dancing at three years and fiddling at six years, now leads her own band of highly talented musicians with finely detailed instrumentals infused with pure and joyous energy. Raised in the Ottawa Valley of Ontario, her songs range from bluegrass to newgrass, with flourishes of jazz and melodic old-time music.

Join us as April step dances and fiddles to roots music and beyond. Her band represented the music of Canada in the recent opening ceremony of the Olympics in 2010.
