## Emergency Responders Event Set for Campus May 30

Alfred University is hosting an Emergency Exercise on Friday, May 30 from 1-4:30 p.m. We will have many outside responders on campus including those from local Emergency Services, the American Red Cross, LifeNet helicopter, Allegany County Emergency Services, State Department of Homeland Security, State Office of Emergency Services, State Fire, local hospitals, and neighboring institutions and businesses as well as media and local government representatives.

Our scenario will be a gas pipeline explosion behind the McLane Center. For the duration of the drill the McLane Center and Wellness Center will be closed from noon-5 p.m. Traffic will be prohibited and parking will be unavailable that day behind and in front of the McLane building. Please make other arrangements for parking your vehicle if you normally use the McLane parking areas.

During the exercise, all traffic on campus will be re-routed via State Street (road in front of Olin) to Ford Street, as Pine Street and the McLane Driveway will be closed.

As part of our annual campus requirement for an all-campus evacuation, there will be a "go home early" exercise as well. All of campus will be released at 3:20 p.m. This is a good opportunity to ensure your emergency phone number and office phone trees are current; if you use E2 Campus please ensure your information is up-to-date in Banner.

We are currently recruiting volunteers. If you would like to participate in the exercise as an observer or evaluator, or even a victim, we need you! Please contact Cherise Haase Ext. 2190 or [haasec@alfred.edu](mailto:haasec@alfred.edu) or John Dougherty Ext. 2108 or [Dougherty@alfred.edu](mailto:Dougherty@alfred.edu) for details. We would like to encourage offices to participate if appropriate and possible.

There will be a large scene with lots of emergency vehicles and commotion at the McLane Center. You will also see groups in Olin and Miller. This is a wonderful opportunity for Alfred University to host our

community emergency services and learn to work together using the Incident Command System from FEMA (Federal Emergency Management Agency) that was recently incorporated into Alfred University's Integrated Contingency/Emergency Response Plan. Please cooperate with any requests made by the responders and participate accordingly. Your assistance is greatly appreciated.

John Dougherty, Chief, Public Safety

Cherise Haase, Manager, Environmental Health & Safety

### Summer Youth Soccer Camp at AU

Alfred University will host a soccer camp for youngsters in two age groups this summer. The Western New York Soccer Academy will hold the camp on the AU campus the week of June 30-July 4. It will be offered in two groups: boys and girls ages 4-7; and boys and girls ages 8-16.

Primary instructors for the camp will be Matt Smith, head men's soccer coach at Alfred University, and Aileen Ascolese, AU head women's soccer coach. They will be joined by members of their respective coaching staffs as well as coaches from other colleges and high schools.

Smith, appointed head coach at AU this winter, is the former head coach at Johns Hopkins University who possesses one of the top winning percentages all-time among NCAA men's soccer coaches. Ascolese was the top assistant at NCAA Division III powerhouse Brandeis University before being appointed head women's coach at AU prior to the 2013 season. Both are former Division I players: Smith at Towson State University and Ascolese at Rider University.

The AU camp is aimed at youth soccer players who wish to improve and develop the technical skills necessary to compete at the youth club, middle school, and high school levels.

The camp for boys and girls ages 4-7 costs \$80 and will be held Monday-Friday, from 9 a.m. to noon each day; the camp for boys and girls ages 8-16 costs \$140 and will be held from 9 a.m. to 3 p.m. Monday-Thursday and 9 a.m. to noon Friday. All campers will receive a soccer ball, t-shirt and water bottle.

For more information on the camp, call Smith at 607-871-2899 or email him at [smithma@alfred.edu](mailto:smithma@alfred.edu); or visit the camp website at [www.wnysocceracademy.com](http://www.wnysocceracademy.com)

### Green Tip of the Week

Be bright about light.

Artificial lighting accounts for nearly half of the electricity use in office buildings, so make sure that lights are turned off whenever no one's in a room - and invite in natural light wherever possible.

Make it a policy, too, to buy Energy Star-rated lightbulbs and fixtures, which use at least two-thirds less energy than regular lighting, and install timers or motion sensors that automatically shut off lights when they're not needed.

From the Council on Green Efforts

### Former ASC President Rezak to Speak in Wellsville

Lecture: A Palestinian Perspective on the Arab/Israeli Conflict

Speaker: Bill Rezak

Wednesday, May 28 at 7 p.m.

Nancy Howe Auditorium

David A. Howe Public Library

155 N. Main St., Wellsville

585-593-3410

Bill Rezak, retired president of Alfred State College, is a first-generation Palestinian-American. His conversation is in full support of Israeli determinism and will shed light on the history and politics of

this seemingly intractable conflict.

It will be an especially timely presentation given the peace initiative currently nurtured by U.S. Secretary of State John Kerry.

This library-sponsored program is free and open to the general public.
