Attention: Returning Temporary Summer Employees

When you enter time worked in Banner Self Service for your summer job, you will notice that your Web Time Sheet now looks different than your Timesheet did last year. Under the heading "Earnings" is the code "Worked", and also a list of other leave benefit codes.

Since you are a temporary summer employee, you are not eligible for benefit time so the only code you should use is "Worked".

PLEASE NOTE that Banner will allow you to enter time using the other codes even though you are not eligible for them. But if you do, the payroll process will issue NO PAY for these units of time. To ensure that your paycheck is calculated correctly and that you are accurately paid for all the time you actually worked, please ignore the benefit codes and only record hours in "Worked".

If you have any questions please contact payroll@alfred.edu.

Nancy Howe Auditorium
David A. Howe Public Library
155 N. Main St., Wellsville

A seven-time Oscar winner, British soldiers in a Japanese prison camp build a bridge as a morale exercise under the command of a single-minded British Colonel. This psychological battle of wills combined with high-powered action sequences makes this a movie classic. Actors include Alec Guinness, William Holden, Jack Hawkins, and Sessue Hayakawa.

This library-sponsored movie is free and open to the general public.
