### **Off-Campus Living Forums**

FOR STUDENTS WHO WILL HAVE MET THE SIX-SEMESTER RESIDENCY REQUIREMENT PRIOR TO MOVING OFF CAMPUS.

There is one more Off-Campus Living Forum left! The final Off-Campus Living Forum is scheduled for:  
Tuesday, Dec. 7, 2010-Olin 302, 5-6:15 p.m.

If you want to live off-campus in the 2011-12 academic year, you must attend an Off-Campus Living Forum to be released from on-campus housing. The forum will explain the rights and responsibilities of student living in the local community.

Even if you are just considering living off campus, you should plan on attending as approval won't be given without your attendance at a forum.

Applications will be handed out at the end of the meeting. To be approved to live off-campus you must attend a forum, be in good academic standing, complete the residency requirement, have no outstanding judicial sanctions, complete an on-line educator module, and submit an application to live off-campus.

### Do You Need a Tdap Booster?

Get your vaccination over winter break. Tdap is the Tetanus, Diphtheria, Pertussis vaccine that

protects adolescents and adults against whooping cough.

Pertussis, or whooping cough, is a highly contagious bacterial infection (sometimes fatal to infants) that causes uncontrollable, violent coughing, lasting several weeks to even months. Pertussis cases are on the rise in New York State and California has a statewide pertussis epidemic. Most adults have been vaccinated against pertussis, but resistance has been shown to wane over time. Therefore it is recommended that all adults aged 19 to 64 receive a Tdap booster.

Contact your Primary Health-Care Provider or County Health Department to find out where you can get your Tdap booster.
