Powell Campus Center Restricted Access

The Powell Campus Center will have restricted access Aug. 3 and 4 due to an equipment lift to the roof.

Academic Alley in front of Powell will be closed from the gate to the stone pillars on the corner. All side and front entrances will be inaccessible and pedestrian traffic will be blocked from using the sidewalks in this area.

The East (back) door of the building will remain open as well as the East sidewalk.

Thank You,
Physical Plant

Russell Lecture

The speaker for this year's annual Russell Lecture in history is Barry Strauss, professor of history and classics at Cornell University. Strauss is a leading expert on ancient military history. His most recent book is "THE DEATH OF CAESAR" (2015).

The title of his lecture is: "The Death of Caesar: The Real Story of History's Most Famous Assassination." Thanks to Shakespeare, Julius Caesar's stabbing is the most famous assassination in history. But what actually happened in Rome on March 15, 44 B.C., is even more thrilling than the Bard's depiction. Strauss details the true story behind the carefully planned paramilitary operation executed by Caesar's disaffected officers.

The Russell Lecture will be held in Nevins Theater on Thursday, Sept. 10, 2015, from 7:30 - 9 p.m.

A reception will follow the lecture in the Alumni Lounge.

The Russell Lecture is free and open to the public.

Legal Services Initiative Survey

The Legal Services Initiative (<http://www.aging.ny.gov/L...>) is a collaborative public/private effort to increase access to affordable legal assistance by the State's:

- * Older adults,
- * Persons of all ages with disabilities, and
- * The caregivers of these population groups.

The ultimate aim of this Initiative is to advance equal access to justice for these individuals.

We are seeking your assistance in implementing a survey of New York residents of all ages with all types of disabilities, including:

Physical, mental health, cognitive, developmental or intellectual, chronic medical or health conditions, or other impairments, frailties, or conditions - that limit an individual's ability to perform activities of daily living without assistance from other people, devices, or equipment.

The survey of New Yorkers with disabilities is one of seven surveys conducted under the auspices of the New York State Legal Services Initiative. Six of the Initiative's surveys are completed. A description of the Legal Services Initiative, and the Report of Findings for the six completed surveys is available at <http://www.aging.ny.gov/L...>

The survey questionnaire is available at: <https://www.surveymonkey....> for completion on line. Or, the questionnaire can be printed, completed manually, and mailed to:
