

Zupan to deliver May 4 Bergren Forum

4/28/17

Alfred University President Mark Zupan will deliver the May 4 Bergren Forum, discussing his new book *Inside Job: How Government Insiders Subvert the Public Interest*. Zupan's book examines the problem of guarding the guardians — why, how, when, where and which government insiders have undermined their role as stewards of the public good.

The Bergren forum will be held at 12:10 p.m. in Nevins Theater in the Powell Campus Center.
