Shredding Service Day - June 29

The Division of Business & Finance is hosting a summer shredding event for your office's sensitive and confidential documents. Enrollment Management has kindly offered Alumni Hall's parking as the shredding location once again. This will take place on Monday, June 29 from 8:30 a.m. to noon.

Shred-it (formerly Cintas) will supply a secure truck equipped with state-of-the-art shredding technology that will destroy all confidential or sensitive Alfred University documents before leaving our site. The only requirement of the department would be to transport documents to the Alumni Hall parking lot for the on-site truck. This service is being offered at no cost to the departments.

Want to be a Speaker for the Harry Potter World Exhibit this Fall?

Scholes Library will be hosting the "Harry Potter's World: Renaissance Science, Magic, and Medicine" exhibit from the National Library of Medicine, from Aug. 31 through Oct. 10! The exhibit will be accompanied by opening and closing receptions, contests, a series of lectures and events, and much more.

We are recruiting anyone, including faculty, staff, or community members, who might want to participate in our Hogwarts University speaker events. Do you have expertise or experience with subjects that fit into a magical world?

Speakers can present information that is conceptually related to the Harry Potter story (like the subject the Hogwarts students learn about at school), or can present on information about Harry Potter as literature, natural, or social science, or its cultural impact (as part of Muggle Studies).

If you want to learn more about this opportunity, or want to just go ahead and volunteer, please contact Eva Sclippa (Sclippa@alfred.edu), Scholes Art Librarian, as the event coordinator by Wednesday, July 1.

'Camera Without Borders - the World of Caroline Littell' at Herrick

A retrospective of travel photography by the late Caroline Littell of Alfred will be on view Friday, June 12 through Wednesday, July 15 on the main floor of Alfred University's (AU) Herrick Memorial Library. The public is invited to an opening reception for "Camera Without Borders - the World of Caroline Littell" from 2 to 4 p.m. June 12. The library's summer hours are from 8 a.m. to 5 p.m. Monday through Thursday; 8 a.m. to 4:30 p.m. Friday. The library is closed weekends.

Littell was a freelance photographer whose images illustrated articles on tourism and travel in several dozen newspapers and magazines in this country and in Europe. For more than 30 years, major publications featuring her photography included The Los Angeles Times, Travel & Leisure Magazine, The San Francisco Examiner, The Chicago Sun Times, The Milwaukee Journal, The Athens (Greece) News, The Denver Post, The New Orleans Times Picayune and Ocean Navigator Magazine. In Western New York, her work appeared regularly in The Buffalo News, The Rochester Democrat & Chronicle, The Hornell Sunday Spectator, The Olean Times Herald, and The Alfred Sun. The 60 black-and-white

photographs to be displayed at Herrick portray landscapes and people in locations ranging from Greece, Colombia, Thailand, and Burma to the American West and the plains of East Africa. Born in Egypt of English parents, Littell was educated in England and later studied languages in France, Spain, Austria, and Greece. She immigrated to the United States in 1962, moving to Alfred in 1968.

As a photographer, Littell was entirely self-taught except for a brief period of instruction at AU. She worked for the most part in film, experimenting with digital formats only at the end of her career. But whether in film or in digital, her photography displayed a technical mastery of a demanding craft as well as an unerring eye for balanced composition. Like Henri Cartier-Bresson, the French pioneer of modern photojournalism, Littell had the uncanny ability to capture on film that decisive moment of facial expression or body attitude that defines mood or personality.

Littell, former language lab director and study abroad adviser at Alfred University, died earlier this year in Pasadena, CA, after a long illness.

- * Older adults,
- * Persons of all ages with disabilities, and
- * The caregivers of these population groups.

The ultimate aim of this Initiative is to advance equal access to justice for these individuals. We are seeking your assistance in implementing a survey of New York residents of all ages with all types of disabilities, including:
Physical, mental health, cognitive, developmental or intellectual, chronic medical or health conditions, or other impairments, frailties, or conditions - that limit an individual's ability to perform activities of daily living without assistance from other people, devices, or equipment.

The survey of New Yorkers with disabilities is one of seven surveys conducted under the auspices of the New York State Legal Services Initiative. Six of the Initiative's surveys are completed. A description of the Legal Services Initiative, and the Report of Findings for the six completed surveys is available at <http://www.aging.ny.gov/L...>

The survey questionnaire is available at: <https://www.surveymonkey....> for completion on line.
Or, the questionnaire can be printed, completed manually, and mailed to:
