Art History Club Present Robert Reginio

Robert Reginio - Inscrutable Activities
Thinking About Samuel Beckett And Conceptual Art

Location: Binns Merrill Hall, Room 106 - C

Date: Thursday, Sept. 25

Time: 6:30 P.M.

Cost to Attend: Free

Sponsored By: The Art History Club

Robert Reginio will be reading Beckett's late work for the theater in the context of the American Conceptual Art of the 1960s and '70s, particularly that of Sol LeWitt.

Specifically, he will argue that inscrutability - antithetical to the rhetoric of logical clarity and transparency typically associated with minimalism in art and in the theater - resides at the core of Beckett and LeWitt's art.

Celebrate Hispanic Heritage Month - 'Fifty Years On: Brown & Proud'

Alfred University will be hosting Will and Company's "Fifty Years On - Brown & Proud" at 7 p.m. on Saturday, Sept. 27 in Holmes Auditorium of Harder Hall.

"Fifty Years On" - is a series of seven plays that presents the imperative social justice issues that will need to be tackled by America's next generation, your students.

Specifically, "Fifty Years On - Brown and Proud" explores the social justice issues for Latinos 50 years ago and examines what they have become today: e.g. from The Braceros to the "Illegals."

The play "Fifty Years On - Brown and Proud" specifically compares and contrasts the topics of:

"Fifty Years On" - that was then, this is now. How are we doing?

"Brown and Proud" - the "browning of America" - the future.

"Crossing Borders" - immigration issues still so divisive.

"Putrid In Pink" - the horrors of the justice system for Latinos.

"Maria's Children" - poverty and education - 4 Latino children a day die of maltreatment

"Birth Right" - abortion, religion and the community

"Latin Lovers" - the gay community in a Latino world

Need to Order Your AU Business Cards?

The process for ordering official Alfred University business cards changed as of February 2014. We are now working with the Alfred State College Document Center, and a virtual storefront has been developed specifically for ordering our business cards online.

The link to that storefront is:

<https://v2.printsys.net/>

Log on: AlfredUniversity

Password: AlfredUniversity1

There are two templates from which to choose: the first template is indicated for only Admissions and Financial Aid offices because they require specific phone number options; and the second template is designed to accommodate all other offices.

When you double click on your selection, a new window will open that contains a form with fields to enter your information. As the fields are filled, the information will show up on the template at the right so you will see how the business card will look upon completion. Once all the information has been entered, you will proceed to a shopping cart that has options for quantity and payment, using your AU One Card.

In order to maintain the brand identity of the University, a PDF of the card will be emailed to the Office of Communications for review/approval. Once the cards are printed, you will be notified so that you can pick them up at the ASC Document Center, 10 Upper College Drive (607.587.3532). ASC does not deliver at this time. The design and specifications of color and paper are based upon the official AU business card format that is currently in use.

IMPORTANT: For situations where you do not have access to an AU One Card, or a required deviation from the standard format cannot be included within the two template options, you will need to contact Rick McLay at mclay@alfred.edu so that a design can be created and provided to the ASC Document Center. In those situations, the online purchase option will not be available and a paper invoice will be sent to you by the ASC Document Center.

Please contact the Alfred University Office of Communications at 2103 if you have any questions.
