NaturalizeNY: Lottery will provide vouchers for free citizenship

Governor Cuomo's Office for New Americans has launched its second round of NaturalizeNY assisting New Yorkers with the path to citizenship. As a result, New York State will lottery off 1,500 vouchers that cover the cost of applying for U.S. citizenship (worth \$725) as well as all associated legal services. The initiative is called NaturalizeNY < http://www.NaturalizeNY.o... > < http://www.NaturalizeNY.o... >.

The lottery is free to enter and open to all citizenship-eligible legal permanent residents (green card holders) residing in New York State who meet certain income requirements. This means that you do not have to be a SUNY affiliate to apply for the lottery. Anyone who meets the eligibility requirements can also register and win. To learn more about the lottery and to register, go to www.NaturalizeNY.org < http://www.NaturalizeNY.o...>. You can also call (800) 566-7636.

When you register for the lottery, you will be asked a short series of questions to determine your eligibility for the program. All information provided will be stored securely and is strictly confidential.

THE DEADLINE FOR REGISTERING IS JULY 28, 2017.

## **Tuesday Carillon Recital**

The second recitalist of the Wingate Summer Carillon Recital Series (Tuesday, July 18) will be Tatiana Lukyanova. Tatiana taught organ and carillon at the St. Petersburg State University and served as carillonneur of the Peterhof Museum before moving to the US in 2012. Her varied program includes Bach's Toccata and Fugue in D Minor, Borodin's "Dance of the Polovetsian Maidens", and eight selections from four musicals including "Somewhere Over the Rainbow", "My Favorite Things", "If I Were a Rich Man", and "Chim Chim Cher-ee." The recital will run from 7 to 8 pm, rain or shine.

The Wingate Summer Series honors the first university carillonneur, Dr. Ray Wingate, professor of organ, who served as carillonneur from the arrival of the bells in 1937 until his death in 1968. The series is generously funded by the Margaret Merrill and Ray Winthrop Wingate Memorial Carillon Foundation. This summer's series is dedicated to Margaret Wingate Rase (1919-2016), president of the Foundation for 49 years.

Underhill's work formally explores the vessel and architectural form. Circle and Square highlights sculpture that demonstrates a sophisticated use of geometry. William Underhill is an emeritus faculty member who taught at NYSCC, School of Art and Design at Alfred University, from 1969 to 1997. During this time he taught sculpture and established the first bronze foundry. Underhill's contributions helped to significantly expand the Division of Sculpture/ Dimensional Studies.
