

## **AU student to present Roundtable on Kenya**

11/09/04

Isaac Wanasika, who will complete his Master of Business Administration degree at Alfred University in December, will present a Global Awareness Roundtable on "Kenya and its Surroundings" at 7 p.m. Monday, Nov. 22, in the Knight Club, Powell Campus Center. Wanasika grew up in Kenya, but lived in several countries in Africa and Europe. Prior to coming to Alfred University, he worked in marketing for the Royal Dutch Shell Company in Africa. The Global Awareness Roundtable is a monthly event designed to introduce the Alfred community to a variety of cultures from around the world. This informal gathering gives AU's international faculty, students and alumni the opportunity to introduce participants to countries as diverse as Japan, Guatemala and Tunisia. Students who have lived, studied or worked abroad also share their experiences and observations. Presentations cover a wide range of topics including history, traditions, art, music and food. Anyone interested in presenting a Roundtable or in participating is asked to call Dr. Ariana Huberman, assistant professor of Spanish, at 607 871 2882.
