

STAGE IS SET FOR MOVING-UP DAY EXERCISES DURING ASSEMBLY AND AFTERNOON CLASS RIVALRIES

Spiked Shoe To Manage Afternoon Program Of Interclass Battles

Green-lidded Freshman caps will be tossed away for another year, Senior canes will transfer from Seniors to Juniors and Sophomores will become upperclassmen at the annual Moving-up Day exercises in Alumni Hall this Thursday morning. New organization officers, Frosh Campus rules and classes will be dismissed in a glorious upheaval as each class progresses in rank and interclass rivalries are concluded.

For the more formal activities in the morning the new presidents of the Women's Student Government and Student Senate will take charge with the retiring presidents handing down their positions at that time. The Loyalty Medal winners will be presented as well, while the winners of the English prizes may likewise be announced.

An innovation this year will be the announcement of the coaching staff's selection as Alfred's most outstanding athlete of the past year. An inscription of the winner's name will be made on the Scalp and Blade plaque with the years 1930-31, accompanying it. Nominations of the athletes were made by Scalp and Blade members, each of whom submitted five names. The selection will be made from these nominees. It is believed that the Scalp and Blade members were practically unanimous in their choice of nominees, there being only seven different names on the various lists.

The remaining athletic awards for Frosh and Varsity track also may be made at this time as this Thursday marks the last assembly program of the year. Girls' athletic awards likewise may be given as well as the presentation of the girls' interclass trophy to the year's high-point scoring class.

Several organizations also may present keys and honorary awards if there is sufficient time remaining on the program. The Who's Who for 1931-32, also will be read by the new Student Senate President.

SENATE PRESIDENT

Sidney R. DeLaney, '32

Sidney Reed DeLaney '32, was elected to succeed James McFadden '31, as president of the Student Senate for the coming year. The election occurred at a joint meeting of the incoming and retiring groups of the senate.

For the remaining offices E. Claire Greene '33, was chosen vice president; M. Dale Lockwood '32, treasurer and Janet Reamer '32, secretary.

The retiring officers are James McFadden '31, president; Sidney DeLaney '32, vice president; Mary Brown Allen '31, secretary and John Grantier '32, treasurer.

Junior Class Has Class Election

Lewis Obourn succeeded Annette Clifford as president, gaining the title of Senior Class President for the 1931-32 college session. The new president-elect comes into active office either this Thursday in Assembly or on Class Day, when the traditional Senior Cane is handed down by John Kickham, president of the graduating class.

Varick Nevins III was elected to the vice presidency at the same time, while Isabelle Moore was promoted to the secretariate. Francis McCourt was chosen treasurer for the coming year.

CERAMIC SOCIETY ELECTS OFFICERS FOR COMING YEAR

Tuesday evening the Student Branch of the American Ceramic Society met in the Ceramic Building to elect officers for the coming year. The following officers were elected:

President—M. Barton
Vice President—Harold Huffcut
Secretary—William Fuller
Treasurer—Crawford Hallett

These officers succeed:

President—John Hillmiller
Vice President—Dale Lockwood
Secretary—Harold Huffcut
Treasurer—George Hill

BETA PI KAPPA HAS BUSY SESSION

Beta Pi Kappa met at the Klan Alpine, Wednesday evening, to conduct the regular business of the fraternity. Nominations of new members was carried on.

The fraternity decided to have its banquet Thursday evening, May 28, at Hills' Coffee Shoppe. A speaker will be secured for the occasion.

BIOLOGICAL SOCIETY ELECTS OFFICERS

At a meeting held Thursday night at Lab. Hall, seven new members were admitted to membership in the Alfred Biological Society. They are the following: Clara Benson, Milton Kurian, Anthony Lotowycz, Joseph Provenzano, Irwin Roberts, William Samuelson, and Elizabeth VanHorn.

The officers of the society for next year are William Capowski, president; Lewis Graham, vice president; Elizabeth VanHorn, secretary; and Michael Lefkowitz, treasurer.

Kappa Eta Phi Is Last To Elect

Kappa Eta Phi, completed the list of fraternity and sorority elections last week. Its officers for the 1931-32 college year are Michael P. Lefkowitz, president; Maxwell W. Adler, vice president; Irwin H. Roberts, secretary; Lawrence Greene, treasurer and R. Wolfe, sergeant-at-arms.

Irwin J. Cohon '30, served as its charter president at the club's foundation last year. During the 1930-31 session Daniel Rothstein '31, served as its first acting president.

ALFRED TAKES SECOND PLACE IN LITTLE TEN CONFERENCE TRACK EVENT; HAMILTON TALLIES FIRST

W. S. G. PRESIDENT

Helen McCarthy, '32

As the result of elections of the Women's Student Government last Thursday evening in Kenyon Hall, Helen McCarthy was chosen president for the ensuing year. The members of next year's council elected at the same meeting were as follows:

Sigma Chi—Ruth Baker.
Theta Chi—Olive Jenks.
Pi Alpha—Agnes Rutherford.
Town—Frances Aust.
Brick—Helen Smathers, Ruth Kenyon, Georgiana Kennedy.

The Brick house president, when elected, will also be a member of next year's council.

Gregory Becomes Soph President

Glenn Albert Gregory '34, of Skaneateles succeeded Lee Horowitz last Thursday evening in Kenyon Hall as president of the Freshman class. The new class leader will direct his class mates this Thursday and next fall in Alfred's traditional Soph-Frosh rivalries.

Maurice Patterson also was selected vice president at that time. Mary Eleanor Swan was chosen as the new secretary and Mary Janet Hawk received the office of class treasurer.

At an earlier meeting of the class on Tuesday evening John Edward Keane was elected to the class editorship of the college year book. Keane thus becomes a regular member of the Kanakadea Staff next year.

Percy Stars With New Broad Jump Record Of Twenty-two Feet

Hamilton repeated its victory of last year in the New York State Conference Championships held at Rochester last Saturday. Undaunted by the cold wind and driving rain which left the track in pitiful condition, the tracksters turned in some classy performances. The shot put, pole vault, high jump and broad jump were held indoors in the field house.

The Blue and White team tallied 84½ points to lead the Alfred total of 68½ by 16 points. St. Lawrence, Rochester, and Hobart followed in the rear with 35, 23½, and 13½ points respectively. This was the first year Hobart has entered the track competition. Although they had only six men on the squad, the Orange provided one of the high spots of the day when George Harer topped the bar in the high jump at 5 feet 11½ inches for a new record.

Percy of St. Lawrence was easily the outstanding man of the some one hundred and fifty athletes who competed. He captured the 100 yard dash in 10 seconds flat to tie the conference mark, took another first in the 220 and set a record in the broad jump with a leap of 22 feet. As a climax to his already heroic performances, he ran anchor for the Scarlet mile relay quartet to give St. Lawrence another first. In this event Denman, Hamilton anchor and winner of the 440 earlier in the afternoon, had a ten yard lead when Percy received the baton. With a driving finish which brought the handful of spectators who had braved the weather to their feet, Percy nipped Denman at the tape to win by inches.

Pritchard, veteran Hamilton distance man, won the mile and two-mile events easily. Warde was expected to give the Hamilton man some stiff competition but he showed a reversal of form and finished third in the mile and fell back to fourth in the two mile. Vance captured the half mile in a lope after taking second in the mile. Havens also showed a reversal of form in the pole vault and only finished in a triple tie for fourth place. However Carpenter pulled a surprise

ALFRED'S GRADUATING SENIORS HAVE MANY WORRIES IN REGARD TO JOBS AFTER JUNE IN TEACHING

Alfred's graduating Seniors present a perplexing problem in regard to getting jobs in their chosen professions. Talk of depression and unemployment has worried more than one "grave old" head and has turned several interested spectators toward the Seniors' quest for employment this year.

Several members of the class plan to balk depression and enter graduate school this fall. Many people reason that this method indicates laziness and a desire for a one to four year "loaf". Wiser minds, however, see the value in this step in more ways than one. First, in a year or so, prosperity or what have you will be coming around the corner at full speed, offering more and better jobs—particularly to those who boast of higher degrees. Secondly, a graduate who hopes to make teaching his or her life work needs graduate degrees for prestige and further training in the scholastic job. Thirdly, graduate work is assuming greater importance in the competition in this teaching world, and undergraduate study is coming to

be viewed in the light of only preliminary training.

Further statements that 8,000 would-be teachers are walking the streets of America are causing Alfred's 1931 candidates more worry than usual. True it is that several Seniors have accepted teaching positions already, but it generally was under a fear that too great a risk was involved in watching and waiting for a more profitable position. Advice from last year's grads has given the effect of "grab what you can," or "hang on to whatever you can get".

Budding ceramists are experiencing equal difficulty in locating positions for which they have been training themselves for the past four years. Brick and tile plants are working in a more or less leisurely manner, apparently indifferent to the desires of the ambitious graduate. However, no matter how difficult it may seem, the 1931 Alfred products probably will make their way into the ceramic and clay working industries before the year is past. All of last year's grads could have if they had not taken other jobs of their own choice.

THREE ALFRED DELEGATES TAKE A SEVEN HUNDRED MILE FIELD TRIP WITH GEOLOGICAL ASSOCIATION

Professor Fred W. Ross, Mrs. Ross and James W. Sadler '31, represented Alfred University last week at the seventh annual conference of the New York State Geological Association. The meeting saw nearly a score of colleges in this state represented in a field trip through Crown Point, Fort Henry, Ticonderoga, Fort Ticonderoga and Minesville. Alfred's delegates covered over 700 miles of territory in the longest geological trip that local representatives have ever taken.

Columbia, Cornell, Syracuse, St. Lawrence, Rochester, Mount Holyoke, Vassar, Rensselaer Polytechnic Institute, Hamilton and Elmira were a few of the colleges and universities that enrolled for the trip. Cornell sent the largest delegation with an even 20 representatives.

The group met at Fort Henry and, although the visit to the famous Fort Ticonderoga was not listed on the itinerary, the group first stopped to view the scene of many early American battles. Nevertheless a fair judgment was formed at that time concerning structural decay in the face of the

battle with the elements in a period of over 100 years.

After leaving Ticonderoga, the group travelled through the surrounding country to view the geological strata which was listed in a printed itinerary for the tour. Many features which could not be found in this section were seen for the first time by the representatives from Western New York.

On the following day the party visited the widely discussed magnetic mines at Minesville. Dr. Newland, one of the best known geologists in this state, conducted the underground inspection, part of which extended under the streets of the town. Another attempt was made at that time to discover the true composition of the magnetic ore in the mines. Part of the group then crossed Lake Champlain to study the western ridge of the Green Mountain chain.

Dr. Harold L. Alling and Dr. John Hoffmeister, both of whom are professors at the University of Rochester, were elected president and secretary of the association for the next college year.

Loyalty Medal Nominees

In regard to the Fiat Staff's Loyalty Medal nominees which appear in this issue, we wish to explain a singular situation which has arisen this year. By a vote of the **Fiat Lux Staff** five male students and a like number of co-eds were given honorary nominations. It was planned that these ten people would be presented in these columns before the Moving-up Day Exercises. It was not known a month ago that the Loyalty Medal elections would be held a week preceding this date.

We thus found ourselves last week with two Staff nominees that had not been presented as yet. Thus regardless of the time of the election, we must submit these two nominees. This is done with the feeling that one's position as one of the ten nominated deserves a printing despite the date of Phi Psi Omega's Loyalty Medal election or any influence which might have been made on last week's voting. We feel that the importance of the latter clause largely has been reduced due to the fact that the Kanakadea presented the same pictures and activities two weeks ago.

However, we do wish to offer our sincere apologies to Miss Potter and Mr. McFadden for the unforeseen schedule which causes this belated printing.

Notice To Students

We wish to inform all students subscribers that there will be no more editions of the Fiat Lux until Commencement Day on June 10. We realize that practically all Freshmen, Sophomores and several Juniors will be home at that time. All students who wish to have their last issue forwarded to them at their homes must leave their names and home addresses in the Fiat Lux box in the Collegiate Restaurant on or before June 8.

Copies of the edition will be mailed to outside subscribers and advertisers as usual. In past years the regular number of copies have been printed only to leave about 350 copies to fill the printing office's waste baskets.

Stuffing The Ballot Box

We made a reference last week to stuffing the ballot box, but we fell far short of recommending the method as a means of voting or obtaining an office. Our mention of this method was only incidental, and if one gained an impression of encouragement from the article, we wish to prove him to be in error.

Rumor has it that the above mentioned practice was in vogue last week, but we hope that such a rumor shall not find factual circulation.

ALFRED TAKES SECOND
IN CONFERENCE

Continued from page one.
when he tied for second in the same event. Havens redeemed himself with a first in the discus and a tie for fourth in the high jump. Buckley who has been shaping up well all season, crashed through with a first in the high hurdles, while Ryskind took two seconds in the 100 and 220.

Hamilton scored a majority of the first places when they took seven of the fifteen events. Although the Sax-on squad took but three they pulled up the score with a bunching of the second and third places.

Summary:

Track Events

110-yard dash—Won by Percy, St. Lawrence; second, Ryskind, Alfred; third, Ruland, Hamilton; fourth, Corwin, Hamilton; tie for fifth, between Staiman, Alfred and Jacobs, Rochester. Time, 10 seconds.

220-yard dash—Won by Percy, St. Lawrence; second, Ryskind, Alfred; third, Denman, Hamilton; fourth, Ruland, Hamilton; fifth Graham, Alfred. Time, 22 seconds.

440-yard dash—Won by Denman, Hamilton; second, Bellatty, Hamilton; third, Graham, Alfred; fourth, Shappee, Alfred; fifth, Obourn, Alfred. Time, 53.2 seconds.

880-yard run—Won by Vance, Alfred; second, Moore, St. Lawrence; third, Rawson, Hamilton; fourth, George, St. Lawrence; fifth, Roe, Alfred. Time, 2 minutes, 5.6 seconds.

Mile run—Won by Pritchard, Hamilton; second, Vance, Alfred; third, Warde, Alfred; fourth, Campbell, Hamilton; fifth, Wolslegel, Rochester. Time, 4 minutes, 38.8 seconds.

Two-mile race—Won by Pritchard, Hamilton; second, Rushman, St. Lawrence; third, Maly, Rochester; fourth, Warde, Alfred; fifth, Bliss, Hamilton. Time, 10 minutes, 14 seconds.

120-yard high hurdles—Won by Buckley, Alfred; second, Schauman, Rochester; third, Fischer, Hamilton; fourth, Murts, Hobart; fifth, Robinson, Alfred. Time, 17 seconds.

220-yard low hurdles—Won by Bellatty, Hamilton; second, Kingsley, Hamilton; third, Schauman, Rochester; fourth, Buckley, Alfred; fifth, Diamond, St. Lawrence. Time, 26 seconds.

Relay race—Won by St. Lawrence (Chase, George, Moore and Percy); second, Hamilton; third, Alfred; fourth, Rochester.

Field Events

Shot put—Won by Jones, Hamilton, tie for second between Seader, Hobart, and Robinson, Alfred; fourth, Eastabrook, Hamilton; fifth, Ayars, Hamilton. Distance, 38 feet, 6 1/2 inches.

Discus—Won by Havens, Alfred; second, Jones, Hamilton; third, Ayers, Hamilton; fourth, Parkinson, St. Lawrence; fifth, Templeton, St. Lawrence. Distance, 109 feet 2 inches.

Javelin—Won by Symonds, Hamilton; second, Mills, Rochester; third, Hopko, Alfred; fourth, McNeerney, Rochester; fifth, McFadden, Alfred. Distance, 145 feet.

Pole Vault—Won by Kingsley, Hamilton; second, tie between Jayne, Hamilton, and Carpenter, Alfred; fourth, tie between Sprague, Hamilton, Mc-Ardle, St. Lawrence, and Havens, Alfred. Height, 11 feet, 3 inches.

High jump—Won by Harer, Hobart; second, Commons, Alfred; third, Warren, Hobart; fourth tie between Jayne, Hamilton, and Havens, Alfred. Height, 5 feet, 11 1/4 inches.

Pi Alpha Pi Has
Party In Hornell

Pi Alpha Pi held its annual spring formal at the Hornell Country Club last Saturday evening with about 30 couples in attendance. The club was attractively decorated for the occasion. Fitch Brothers Orchestra furnished music for the dinner as well as for the dancing that followed.

Chaperones for the affair were, Professor and Mrs. G. W. Campbell, Professor and Mrs. C. R. Amberg, Coach McLane and Professor Starr. Letha Kemp '30, returned for the dance.

The committee for the party included, Ruth Mitchell, general chairman; Janet Reamer, programs; Ruby Robinson, decorations; Agnes Rutherford, dinner; and Mildred Westphal, transportation.

According to Palo Alto, Calif., bankers, Stanford students receive checks from home which yearly average \$1,250.

RAIN HALTS HOME
TENNIS MATCH AS
PURPLE HAS LEAD

An attempt to repeat a victory over the Mansfield tennis team was halted by inclement weather. The Saxon racqueteers were well on their way to victory when Wilcox, playing Marsh for the second time, repeated his score by again defeating him 6-4, 6-2. Wilcox's volley play was excellent, although at times he drove his forehand drives into the net. Rinzier, playing No. 1 man for Alfred, followed Holstein's example of last week and defeated Suehocky in straight sets. Blawat, who won from Maynard at their last meeting, failed to control his smashing drives and was taken by the conservative play of his opponent.

The last two singles were halted by the rain. However, Harwood was well on the way to a win over Noe, while Bassett was succumbing to the southpaw drives of Baynes. Wilcox and Blawat started a doubles match with Marsh and Maynard and were coming through successfully when the weather interfered.

When the matches were called Alfred was ahead 2-1 but it is likely that Harwood would take his singles, and Blawat and Wilcox their doubles, thus insuring at least a 4-3 victory for Alfred.

SPORT LIGHTS

The Frosh track teams need more competition than one meet per season. It isn't worth the amount of training which is involved.

Believe it or not, but the indoor runway at Rochester for the broad jump was only 75 feet long. Percy of St. Lawrence's, however, was so fast that it made little difference to him. The rest of the field needed more space and as a result most of their jumps were fouls.

Alfred's wrestlers are promised a long trip out to East Lansing, Michigan, next winter for a meet with Michigan State. The teams which will be met on the way also promise the grapplers more than one tough battle.

CAMPUS PERSONALS

KAPPA ETA PHI

Brother Volinsky was back on a visit. Hang out the flags, Judge Carter has been found.

Brother Roberts went to Rochester to see Ryskind run.

So Rinzler and Wolf went into partnership on an orange.

Hispano—Suiza—If it lasts more than a week, they're pretty lucky.

BETA PHI OMEGA

Founders day was celebrated by initiating some of the boys to the mysteries of chapel.

Lou Palmieri parted with his "royal chariot" for a nominal sum.

Trunks coming out of the house cellar are sure signs that school is about finished.

Mr. Kermit I. Whiteman was a visitor at the house, Saturday.

SIGMA CHI NU

Sigma Chi Nu announces the initiation of Eva Aschman, Dorothy House, Vera Krasity and Helga Larsen.

Florence Iriant, ex-'32, of Punxsutawney was a guest at the house over the week-end.

Louise Volsey of Andover was a house guest Thursday night.

Margaret Westbrook and Louise Twohill were guests of Corinne Adams for the week-end.

KAPPA PSI UPSILON

We take great pleasure in announcing the initiation of James Murray, Clair Easterbrook and Ernest Bittner. Brothers Lawrence, Sanchez and Cibella were back for the week-end.

Merck, Berls and Flint made the trip to Rochester with the track team.

The Swede and Wewton were presented with leather medals, having won the Horse Shoe tournament in spite of the rainy weather. They now issue a challenge to all comers.

DELTA SIGMA PHI

It is with pleasure that Delta Sigma Phi announces the pledging of Prof. David W. Weaver.

Tough luck, track team.

The house seemed lonesome this week-end since Vance, Warde, Havens, Carpenter, Galizio, Oburn and Klinger, were away with the track team to the N. Y. State Conference Meet.

Ken Dunbar went home with Wilbur Green, while Pierce and Shremp each left for home.

Nice parties, Pi Alpha and Theta Chi.

KLAN ALPINE

Brothers Shappee, Graham and Roe went to Rochester last Saturday with the track team.

Brothers Duke and Chubb journeyed to Buffalo last Saturday to hear the "Duke" and his Cotton Club Orchestra.

Brother "Tom" Moore '25, visited the house Sunday.

Several of the brothers wish to congratulate Theta Chi and Pi Alpha for the splendid parties.

Just a few more sleeping days until exams!

Au revoir!

The football team should show some little return next year, after several seasons of expense. Waste will be eliminated after one year of experience in dealing with the night football racket.

WHO'S WHO FOR 1931-32

The following is the Honor Roll which will be read by the new Student Senate President in Assembly this Thursday morning. Various elections later this week will complete this list by the time for its reading:
