

THE HANDCRAFT SHOP
MARBLEHEAD
MASS.

Dear Prof Biune

Please accept my
Sincere, though rather tardy,
thanks for your kind letter.
Your approval means very
much to me and I have
been wearing a somewhat
swelled head as a result
of the opinion of my work
you expressed.

I feel honored that
you wish a specimen of
Marblehead pottery for the

school collection and shall
be glad to bring with me,
when I come home at
Xmas time, a few pieces
from which you can
choose one or two for
that purpose.

Thanking you again
for your kind encouragement.

Sincerely yours

Arthur E. Baggs
