Be Considerate: Winter Parking on Campus

Once again winter has found Alfred and with that the parking problems that go along with it. I would like to ask everyone parking a vehicle on campus to park in an orderly fashion. A number of vehicles have been taking more than one space causing a bad situation. Please, when you're parking your vehicle think of the others that need to park with you. Thank you for your cooperation.

Congratulations! Women's Excellence in Leadership Award winners selected.

The Women's Leadership Center is proud to announce that Julie Gordon, a senior in the College of Business, has been selected as the winner of the 2008-09 Women's Excellence in Leadership Award (WELA). Julie was chosen in recognition of her demonstrated leadership ability while at Alfred and her meaningful impact on the Alfred community, particularly in her roles as editor of the Kanakadea Yearbook and vice president of Student Activities Board, as well as internships with offices across campus.

We also congratulate Jennifer Ordway of the Inamori School of Engineering who received Honorable Mention for her outstanding achievements as a Resident Assistant and Resident Director, and Mary Geiss of the College of Liberal Arts & Sciences who received Honorable Mention in recognition of her work with the AU Rescue Squad, the new Horowitz Center for Service Learning, and as a Health & Wellness Peer Educator.

Alfred University is a better place because these women have taken their leadership roles seriously and worked to improve both themselves and their community. Please join us in congratulating them.

The entire applicant pool for the WELA was extremely strong, as were the recommendations the Committee received from faculty and staff. The Selection Committee extends sincere thanks to everyone who was involved in the process.

Thanks to Care Package Donors

Thank you to everyone who donated materials to the outdoor club for the care packages. Over 20 packages totaling 75 pounds of materials have been shipped to unsuspecting Marines stationed in Iraq. Without your donations this would not have been possible. Thank you!

Alfred Community Mediation Program

I would like to invite you to become a community mediator. The Alfred Community Coalition is partnering with the Center for Resolution and Justice to create a mediation program in Alfred. If you choose to participate, a 30-hour training course would be provided at no charge.

Mediation is a structured and constructive means to resolve a conflict between students or to assist with a variety of disputes between a neighbor, renter, landlord, another campus member, or business owner in the community.

The Alfred Community Coalition, a group composed of both Alfred University and Alfred State College student affairs personnel, wellness staff, and security officials, the village police chief, and village and town officials, invites you to a volunteer to become a trained Alfred Community Mediator.

A community mediation program can address problems relating to housing, rental issues, juvenile disputes, neighborhood difficulties, personal property/land disputes, parent/child issues and others. The process has the advantage of being under the disputants control, inexpensive, confidential, and quick.

The 30-hour training will take place on the evening of Tuesday, Jan. 6 and all day the 7th, 8th and 9th by the experienced staff of the CRJ.

Direct any questions or request for application to Norm Pollard, AU Dean of Students (608-871-2132)

I hope you will consider participation,

Norm
