TODAY

TOMORROW

WEDNESDAY

Media Center Closed 06/02 to 06/06

The Alfred ITS Media Center in Herrick Library will be closed the week of June 2 for maintenance. Any questions or concerns should be directed to the ITS Helpdesk at x2222 or helpdesk@alfred.edu.

[back to top](#)[Send Email Reminder](#)**Chemical Waste Removal**

A campus-wide chemical waste removal will occur during the week of 06/23/08. Both hazardous (regulated by EPA, DEC, or other government agency) and non-regulated (not regulated by said agencies but not approved for local landfill or drain disposal) waste will be accepted for removal.

The waste must be received in your Central Accumulation Area by 06/17/08. NYSCC contact Dean X3020 or Shanti X2497; the rest of AU contact Dean X3020 to arrange for receipt of waste.

In order to obtain TSDF approvals and estimate the cost for the removal I will need a waste log sheet of your current waste sent to me ASAP. FAX 2086 or e-mail perrydr@alfred.edu.

You may still accumulate waste and add to your list notifying me of the additional waste by 06/17/08.

Waste log sheets are available at

<http://our.alfred.edu/ind...>

Contact me with any questions.

Professors: Tell us about how you learned to teach from a time when it all went wrong. We'd love to hear stories of teaching innovations that backfired, the attempt at humor that caused classroom confusion, a time you were tripped up by bad planning or lack of preparation, the assignment or lecture that flopped, experiences that caused you to change your teaching style or methods, the things you once did in the classroom that you'd never dream of now.

This is for a fun feature on learning from your mistakes as a teacher and common errors new faculty make in the classroom.

Dump and Run a Success!!

Dump and Run was very successful! We estimate that we collected and sold enough 'stuff' to fill at least 4 dumpsters. There were between 65 and 70 bags of clothing.

We made a profit of over \$600 which will go to GreenAlfred, AU Habitat for Humanity, the Hornell Humane Society and the AE Crandall Hook and Ladder Co. Six very full boxes of food were delivered to the Food Bank at the Seventh Day Baptist Church.

Thank you to the University for the use of Davis Gym and to Res Life for the cooperation we received. Thanks to Tim at College Suppliers for donating the posters. My personal thanks to Council members and others who volunteered many many hours picking up, sorting, and selling!

Enjoy the summer!
