Students in distress - who to contact

Dear faculty and staff.

This is the time of year where our emergency response calls shift from a majority of substance abuse calls to those related to mental health issues.

If you are concerned for the safety of a student, your 24/7 phone number is 607-871-2108. When Public Safety is not on duty, the call will go to 911. 911 has the phone numbers for our RD on call, our student affairs incident coordinator, the counselor on call, the Dean of Students, etc., so please work with 911 just as you would our Public Safety staff.

Thanks,
Kathy Woughter, VP Student Affairs
