## GREETING

The Christian Associations extend to you a cordial greeting. They welcome you to all the departments of College Life and especially to the religious privileges and work of the College.

The Associations aim to present in the College the highest ideals and influences which are fostered by the union of men and women in Christian organizations as well as in the more secular relations of life. To this end the Associations earnestly invite the interest and co-operation of all students.

DONALD L. BURDICK, Pres. Y. M. C. A.

FLORENCE B. BOWDEN, Pres. Y. W. C. A.

## ANNUAL RECEPTION

One of the most pleasant social events of the year is the annual reception given by the Christian Associations in Ladies Hall, Thursday evening, Sept. 22, at 8 o'clock. Every student and friend of Alfred is invited to attend this reception and to enjoy that good cheer and hospitality which has become a synonym for Alfred.

We have weekly meetings at seven o'clock on Sunday evening either in the Gothic Chapel or in one of the fraternity houses.

Discussion groups meet where the men live, and follow a course outlined by the International Committee. It is hoped that a distinguished speaker, or social or business matters will bring the whole Association together about once a month.

### The Purposes of the Association

To give the College men an opportunity to get together and discuss questions vital to our Christian life.

To promote vital Christian spirit in our institution, and to furnish the channel through which this spirit may express itself.

To maintain all influences which tend to improve the moral atmosphere of the campus.

To help us be all-round men, physically, mentally and spiritually strong.

### Objects

For a number of years the Y. W. C. A. has been an important factor in the lives of college women. Its objects are to develop true Christian womanhood; to lay a fine moral and spiritual foundation for Christian influence; to interest those not already interested in Christian work; and to promote a high social spirit among the young women of the college. The membership has no denominational limitations, and every girl is urged to accept the opportunity of membership in such an organization.

## Y. W. C. A. Room

The Association room is on the first floor of the Brick, in the south wing of the building and is used for the regular prayer and committee meetings.

### Meetings

The regular prayer meeting is held on Sunday evening at 7:15 in the Association room. These meetings are held informally and the girls talk over in a heart to heart way the spiritual side of college life, thus helping each other with their problems and tending to bring all into closer friendship. The work in the Y. W. C. A. is peculiar to college life and no girl can afford to lose the help which she can give and receive by working in the Association.

### Intercollegiate Y. W. C. A.

The Y. W. C. A. is affiliated with the National Y. W. C. A. This gives us the privilege of sending delegates to conferences which are a great source of inspiration to those who attend and through them to the whole association. Because of this affiliation we receive two visits a year from the Field Secretary, Miss Weisel, who always has many helpful suggestions concerning our work and aims.

## FACULTY RULES

### Assembly

On Wednesdays at 10 o'clock there is a general College Assembly before which one of the instructors presents a prepared address. One-half a term hour credit will be allowed for attendance at Assembly. provided absences do not exceed two for the term.

### Student Advisers

Each student on entering college will be assigned to some member of the Faculty who will act as his adviser until May 1 of the student's sophomore year. At that time the adviser will report to the faculty the student's choice of major and minor. The professor who has charge of the student's major work will then be his adviser.

### Registration Rules

Students will register at the Registrar's office on the first day of the term. A fee of two dollars will be charged for late registration.

Failure to return a registration card within a week from its date will also be reckoned as late registration.

Students are expected to register for no more than 17 hours, but if a student has no standing less than B in the preceding term he may register for 18 hours. Students who have a grade of A in more than half of their work may register for more than 18 hours upon the approval of the Faculty.

Physical Training and Assembly may be taken in addition to the maximum of 17 hours.

Freshmen who fail to pass in at least half of the work for which they are registered are not eligible for registration the next term. Sophomores must pass at least two-thirds of their work, and Juniors, Seniors and specials at least three-quarters, to make them eligible for registration the next term.

Students desiring to drop a subject for which they have registered must obtain permission of the instructor and report to the Office. If however, a subject is dropped after the first two weeks of a term it is reckoned as a failure.

### Standings

The standings of students are reported to them only by letters, and not by percentages. A signifies 90 per cent and above; B, 80 per cent to 90 per cent; C, 70 per cent to 80 per cent; D, 60 to 70 per cent; E, conditioned failure; F, failure.

D is reckoned as a passing mark; but of the one hundred ninety-two hours required for graduation one hundred thirty-five hours of the work of each student must have a grade of at least C, and his major work must have an average grade of B.

No credit is given, except by special vote of the Faculty for one term of any course which the instructor has designated to be pursued for a full year.

A "condition" or E grade shall be given whenever a student has failed to do work

of a passing grade, but has done sufficient work to be able to complete the course without repeating the class work. A condition may be removed any time during the following term. Upon report from the instructor that the condition has been removed the office will change the grade from E to D.

An *incomplete* (designated by the letters "Inc") shall be given to the student whose work has been of passing grade but who has not completed the full amount of work required, by the end of the term. An incomplete may be removed during the following term, when the student has satisfactorily completed the required work. In the term in which the incomplete is being removed the student shall register for the same and shall pay with his tuition an "incomplete fee" of \$1.00 per hour credit to be obtained for the course.

An incomplete or a condition which is not removed during the next following term of residence in the college shall automatically be changed in the office to a failure (F) grade.

### Examinations

Final examinations are held at the close of each term in addition to an occasional written test during the term. Fees will be charged for all examinations taken by those not regular members of classes, or at other times than those appointed for the class examination.

Seniors whose term standing during the third term is A or not less than B in any subject shall be exempt from final examination in that subject.

### Absences and Excuses

Application for excuse for necessary tardiness must be made to the instructor in the course in which the tardy mark is received. Two unexcused tardinesses count as one unexcused absence.

It is expected that no student will be absent from any college class except in cases of necessity. Necessary absences may, however, be allowed under the following regulations:

1. The Dean of the college and two members of the college Faculty, one of whom shall be a woman, shall constitute a committee known as the Committee on Absences, to whom application for excuse must be made.

2. At the end of each week each instructor shall report on the proper blanks to the committee all absences from class with a statement of cause, if known.

3. Applications for excuse must be made by the student in writing upon blanks provided for the purpose and must be presented to the committee within two days after the expiration of the absence. The excuse, if granted, is sent to the proper instructor by the committee; if not granted, it is returned to the student.

4. The committee will consider two kinds of applications for excuse: First; ordi-

narly reasonable excuses, if the number previously granted does not exceed the number of recitation periods per week; second, excuses in excess of this number for serious illness or other exceptional cause only. All excuses are granted with the understanding that any work missed will be made up to the satisfaction of the instructor.

5. At the end of every term the instructor reports the students' scholastic attainment in letters to the office. For unexcused absences in any course the instructor observes the following table:

Recitations per week	Reasonable Excuses Granted	Unexcused absences lowering the grade one letter
1	2	2
2	2	2
3	3	3
4	4	4
5	5	5
Unexcused absences lowering grade two letters	Unexcused absences to make the grade failure (F)	
3	4	
4	5	
6	7	
8	9	
10	11	

6. When the number of unexcused absences in any one course equals the num-

ber of recitations per week, the committee shall notify the delinquent student.

7. Managers of student organizations and athletic teams, previous to their absence from college, must file with the committee a list of the members of the organization or team, with a statement of time the team expects to be absent. Such list is for the information of the committee and is not in lieu of any excuse or application therefor.

### Social Regulations

There is a college Committee on Student Life which has advisory supervision of activities in which the interests of the students in general are involved. This committee is guided in its action by the following general regulations concerning:

#### (A) Committee on Student Life.

The Senate is invited to confer with this Committee on any or all matters of student interest.

All evening picnics and automobile rides and all evening out of town parties, or groups of two or more, of which men and women together form a part, must be arranged for beforehand with the Committee on Student Life, and provision made for proper chaperonage. This regulation applies to all college students except seniors.

(M) The above social regulations hold for holidays, Christmas, Thanksgiving, and Easter vacations and Commencement Week and also apply to the day before the beginning of any term and after the close of the term.

### Library

### Athletics

1. All students unless excused by the Director of Physical Training on the advice of a physician, are required to do one hour in physical training each term during the freshman and sophomore years, under the supervision of the Director. The required work for the freshman year shall include lectures and gymnasium practice. Sophomores shall elect either advanced gymnasium practice or athletic sports supervised by the department of physical training.

#### (I) Eligibility regulations.

1. In order to be eligible to athletic teams a student must take ten hours of work in College or fifteen hours in the Agricultural School.

2. If any student playing on an athletic team shall fall below a passing grade, the instructor shall notify the chairman of the

athletic committee of the same before the beginning of the following week. In case the student shall be reported in two or more subjects he shall not participate in any athletic contest until the instructor shall have notified the chairman of the committee that the student has attained such grade. When the student is deficient in only one subject, he may be allowed four weeks from the time that he is reported to bring his work up to the passing grade before being debarred from the team. Instructors shall notify the committee of the removal of such conditions as soon as possible.

3. No member of the faculty of Alfred University shall participate in any inter-collegiate or inter-scholastic contest.

4. The second team shall consist of only those men who have regularly participated in practice against the varsity. The second team shall be under the jurisdiction of the coach, and no group of men other than the above stated shall represent the University in any form of athletics.

## (II) General Regulations.

1. At the beginning of each season the graduate manager shall file with each instructor a list of names from which the personnel of the team shall be chosen. Names shall be added to or taken from this list only after the graduate manager has notified each instructor of the change.

2. The coach shall have complete jurisdiction of the team in all matters of con-

duct. He shall be required to suspend from the team for a time commensurate with the offense, any student guilty of immoral, ungentlemanly or unsportsmanlike conduct.

3. Each manager of an athletic team on the Monday previous to an out-of-town game must file with the Committee on Absences of the College and with the Director of the Agricultural School a list of the members of the team he intends to take, and also a statement of the time the team must be absent; and in case any one player will not receive excuses for his absences from classes the Committee or the Director will give the person notice to that effect.

4. No body of students exceeding four in number (two in basket ball) shall take part in any games played out of town, outside of the regular schedule approved by the athletic committee.

5. Match games shall not be played on either Saturday or Sunday except when by special permission of the athletic committee games may be played on Saturday night.

6. All games shall be scheduled so that teams may go to and return from the contest between Monday morning and Friday evening.

7. No more than one game of basketball, baseball or football shall be played in any one week, except when the team can profitably play a series of games on any one trip

away from home. Extra games may be played on days when classes are not in session. (See rules 3 and 4).

8. Five games shall constitute a baseball season, ten games a baseball season and six games a football season.

9. The Faculty permits the following teams to make a schedule:—football team, women's basketball team, men's basketball team, baseball team, track team and tennis team, also the corresponding second teams.

##### Amateur Standing Card

I herein assert that I never played athletics professionally. I herein further assert that while in College, I will enter into no athletic contests other than those that appear on the athletic calendar of Alfred University, or such special cases as may be decided on their merits by the Athletic Committee.

.....

Section 2. Any student to be eligible to a team of this Association must be a bona-fide registered student, carrying a schedule during the term of at least ten hours' work a week in college; or 15 hours per week, during the term in the State School of Agriculture, and maintaining it at satisfactory grades.

Section 3. At the beginning of each season the graduate manager shall file with each instructor a list of names from which the personnel of the team shall be chosen.

Names shall be added to or taken from this list only after the graduate manager has notified each instructor of the change.

Section 4. If any student playing on an athletic team shall fall below a passing grade, the instructor shall notify the chairman of the athletic committee of the same before the beginning of the following week. In case the student shall be reported in two or more subjects he shall not participate in any athletic contest until the instructor shall have notified the chairman of the committee that the student has attained a higher grade. When the student is deficient in only one subject, he may be allowed four weeks from the time that he is reported to bring his work up to the passing grade before being debarred from the team. Instructors shall notify the committee of the removal of such conditions as soon as possible.

Sec. 5. The second team shall consist of only those men who have regularly participated in practice against the varsity. The second team shall be under the jurisdiction of the coach, and no group of men other than the above stated shall represent the University in any form of athletics.

Sec. 6. The coach shall have complete jurisdiction of the team in all matters of conduct. He shall be required to suspend from the team for a time commensurate with the offense, any student guilty of immoral, ungentlemanly or unsportsmanlike conduct.

Sec. 7. No more than one game of basketball, baseball or football shall be played in

any one week, by any one of the teams making schedule, except when the team can profitably play a series of games on any one trip away from home. Extra games may be played on days when classes are not in session. (See rules 3 and 4).

Sec. 8. The Faculty permits the following teams to make a schedule: football team, women's basketball team, men's basketball team, baseball team, track team and tennis team, also the corresponding second teams.

Sec. 9. Second teams shall not play out of town games.

#### ARTICLE VI.—BY-LAWS OF BOARD GOVERNING INSIGNIA AND HONORS

Sec. 1. The major sports are Football, Basketball and Baseball. Minor sports are Tennis and Track.

Section 2. Every athlete who is entitled to a first team insignia in either major or minor sports, shall receive a certificate designating the authority for wearing the letter. Section 3. The insignias for major sports are block A's, the football A to be 9" x 9", the basketball and baseball A's to be 7" x 7". All second team insignia for major sports are three inch block A's within a triangle.

The insignia for minor sports is a script A 7" x 7". There is no second team A for the minor sports.

Any athlete participating in intercollegiate sports must play in one-half the playing time in each season to win the major insignia. The managers of the different departments shall receive the major insignia of that department with an M attached.

Any person breaking a Track record shall receive a track A. Any one winning three first places in interclass track shall receive a track A.

Any man winning a first place, or its equivalent in points in an intercollegiate track meet shall receive a track A.

Any girl who shall win a tennis tournament with at least ten original entries in singles or six entries in doubles shall receive a tennis A.

The Interscholastic and Intercollegiate track manager shall receive a manager's track A.

Any athlete receiving a second team insignia for four consecutive years in the same sport, shall be entitled to wear the first team insignia of that sport.

Any athlete participating in an intercollegiate tennis tournament shall receive a tennis A.

Section 4. Class numerals are 3" numerals awarded for participation in at least half of three different interclass sports with the exception of track. The person must win at least one point in track to have it count toward his or her numerals.

Section 5. Amendments to this constitution can be made by a two-thirds vote after having been published in the Fiat Lux.

## UNIVERSITY ORGANIZATIONS

### Glee Club

The College Glee Club is an organization consisting of sixteen men and a director, the positions being competitive. Each year the Club makes an extended trip, giving concerts under the auspices of various schools, churches and other organizations.

### Kanakadea

The Kanakadea is the Alfred Year book, published annually by the Junior class. The Board of Editors is chosen from the Juniors with one representative from each of the other classes.

### Footlight Club

The Footlight Club is an organization to promote the best in dramatics. Its members are elected from those who show the most ability for acting, and a try-out play is held the first part of each college year. At least once every year some suitable play is selected and given by the club.

### Chorus

The University Chorus, consisting of about a hundred voices, gives an opportunity to all who wish to improve themselves along musical lines. Each year one or more concerts are given in which much valuable experience is gained by the students.

### Ceramic Society

The Ceramic Society is a student branch of the American Ceramic Society. It consists of all the upperclassmen and the faculty of the New York School of Ceramics. The society meets regularly and discusses Ceramic problems and other items for self improvement.

## General Athletics

Athletics are the spice of college life. Without them there is little to keep up college spirit at Alfred or any other College. Athletics do not pay financially, yet for the good of the College they must be kept up by the students. Successful teams are the best physical training department a college can have.

It is the duty of all to support athletics and of every one who can, to get on the field and do his part to make the season successful. Football, baseball, basketball, tennis and track are played here. Nearly everyone is capable of taking up at least one of the above forms of exercise and should show his spirit by trying out for the teams.

A departure in athletics was witnessed in the year 1915-16, when the hitherto separate athletic interests of the college and agricultural departments were combined into an all-university association.

Under the new arrangement, athletics are controlled by the Athletic Council, consisting of twelve conciliors; two upper classmen—one a man and one a woman—and two underclassmen from each of College, Ceramic School and Agricultural School. The Council formulates the general policy to be pursued, with suggestions from the faculty committee, while the execution of the plans is effected by the graduate manager, who has broad powers. Under the graduate manager are managers and assistants, elected by the Council for work in specified sports.

Financial support is secured through membership payment of dues and receipts from games, although the amount from all sources is not sufficient to prevent hampering our athletics. Every college student becomes a member of the association upon payment of his tuition bill, which includes an athletic tax of \$3.00 a year, making all bona fide members with all rights to hold office under the association's supervision. By vote of its student body, Agricultural School assesses itself.

### Football

is the college game. It is possible for a small college with the proper spirit to get out a winning football team. This has been proven at Alfred. With the students all pulling together and each one doing his share it will be possible for Alfred to have more winning teams this year. Come out freshmen and try for the team.

### Basketball

The court game is increasing in popularity at Alfred, and this year the men's team faces the most strenuous schedule a purple quint ever had.

### Tennis

The interest in tennis has been greatly increased this last year. Two courts have been placed in excellent condition and two more will soon be ready. Every year a tournament is held which creates great interest.

### Interclass Track Meet

Interclass day gives every one an opportunity to show his class spirit and to win his class numerals if he failed to do so by playing on the class teams. Great interest is shown when all the classes meet and compete with each other for supremacy on the track and field.

### Interscholastic Track

Because of the short season of sport in the spring, baseball has been discarded in favor of intercollegiate track. Every able-bodied man has possibilities in this sport.

### Interscholastic Day

For the last thirteen years, Alfred has held an interscholastic track meet at which high schools from central and western New York and Pennsylvania have been represented. Greater interest is shown in this event each year and large crowds come a great distance to see the meet. All the principal field and track contests are held and also two prize speaking contests—one for men and one for women.

## FIAT LUX

The "Fiat Lux" is the University paper, the medium through which the news, announcements, strivings and attainments of the students are presented.

The life of and the interest in the paper depends for the most part on its news value, which is a function of hearty student co-operation. Report to the editors all activities of general interest, hand in suggestions for editorials or articles; if a bit of news from an alumnus is received, make it possible for the subscribing alumni to know of it. "Fiat Lux" can only live up to its name and give light to all concerning Alfred through the interest and help of all.

## COLLEGE SONGS AND YELLS

The following are some of our songs and yells which every student should learn as soon as possible:

### By the Old Steinheim A-Dreaming

By the old Steinheim a-dreaming,  
When the sun is in the west,  
When the bird notes are the sweetest,  
And the village is at rest;  
When the wind is in the pine trees,  
And the Chapel bell is still,  
There is rest for mind and spirit,  
At this haunt upon the hill.

—Chorus—

You may go where'er you please  
From the north to southern seas,  
And you'll find no music sweeter  
Than the wind in old pine trees;  
How each restless thought it stills,  
How the heart with rapture thrills  
When the green comes back in spring-  
time  
To the dear old Alfred hills.

Tell us not of larger colleges  
With greater wealth endowed,  
For despite their great attractions,  
Of A. U. we still are proud;  
Scarce we understand the reason  
But the very soil seems dear,  
And we always breathe the freer  
In this pure, clear atmosphere.

—Chorus—

Now the violet is blooming  
And I dream the oriole calls,  
And my heart is faint and restless  
Far from classic paths and halls;  
When the heart is only longing  
Little sympathy it finds,  
And I sigh for dear old Alfred  
And the wind among the pines.

—Chorus—

EDNA BLISS, '90

## Alma Mater

Nestled away 'mid the Empire State hills,  
 'Neath the watch-care of sentinel pines,  
 Where the murmuring song of the brook  
 hums along,  
 And a favoring sun ever shines;  
 In a valley so fair where the forest trees  
 share  
 Dominion o'er hillside and glen,  
 Stands the pioneer college of Western New  
 York—  
 Alfred, the mother of men.

—Chorus—

Hail to thee, Alfred, thou guide of our  
 youth,  
 Sweet, benign mother, all hail!  
 Sing on thy anthems of duty and truth;  
 May thy clear ringing music ne'er fail.

She was founded in toil, cemented with  
 blood,  
 And nurtured thro' yearnings and tears,  
 Her treasure the hearts of brave heroes who  
 stood  
 Undaunted throughout trying years;  
 Each stone was a prayer and her battle-  
 ments there  
 Have memories of purposes strong.  
 Staunch daughters and sons are her mon-  
 ument fair,  
 And they lift up the grateful song.

—Chorus—

Others may boast of prestige and size,  
 Of numbers and treasure and fame;  
 But Alfred's pride lies in manhood's clear  
 eyes,  
 And womanhood's high, stainless name.  
 Old Alfred, we say; Alfred now and for  
 aye—  
 Kenyon and Allen and Main,  
 And the gallant young leader we honor  
 today,  
 Her honor and power maintain.

—Chorus—

REV. L. C. RANDOLPH.

## Old Alma Mater

Tune—Amici

Where the hills of Allegany  
 Stand as guardians 'round,  
 Nestling fondly in the valley,  
 Lies our college town.

—Chorus—

Alfred, hail! our Alma Mater,  
 Thee we'll always praise,  
 Sons and daughters ever loyal,  
 Songs to thee we'll raise,

College days will soon be over,  
 Far from thee we roam,  
 But we think of thee, old Alfred,  
 Ever as our home.

—Chorus—

## Ray! Ray! Song

Way up in Allegany  
 'Neath the shade of sheltering pines,  
 There stands a little college  
 That's for training noble minds,  
 And when they get together  
 On the gridiron, field and track,  
 You hear the students give their yell  
 And bring the victory back.

—Chorus—

Oh! Ray! Ray! Ray! Ray! Ray!  
 Hear the students yell,  
 Ray! Ray! Ray! Ray! Ray!  
 Notes of victory tell,  
 Oh! Ray! Ray! Ray! Ray! Ray!  
 Better move along  
 When you hear the students  
 Sing their Ray! Ray! song.

Oh here's the little college  
 That will help you do your best.  
 Her girls are true, her men are strong,  
 They always stand the test,  
 And when they get together  
 On the gridiron, field or track,  
 They put their shoulders to the wheel,  
 And bring the victory back.

—Chorus—

## Victory Song

Let the sons of Princeton sing in praise  
of old Nassau.

Fair Harvard, Yale and Willie Penn, with  
bold and prestige awe;

Our love for Alma Mater dear, we'll pledge  
with loud huzza,

Hurrah boys for Alfred and victory.

—Chorus—

Hurrah, Hip! Hip!

Hurrah, Hip! Hip!

Hurrah for old Alfred.

Hurrah, Hip! Hip!

Hurrah, Hip! Hip!

She's hale and hearty yet,

O! may her luster never fade, her glory  
never set.

Hurrah boys, for Alfred and victory.

One long Ray yell we'll give you, boys,

to cheer you for the fray,

We'll fly our flags and sing our songs,

and float our colors gay.

You do your best, we'll do the rest,

to help you win the day.

Hurrah boys for Alfred and victory.

—Chorus—

## Long Ray Yell

Ray! Ray! Ray! Alfred! Alfred!

Ray! Ray! Ray! Alfred! Alfred!

Ray! Ray! Ray! Alfred! Alfred!

Team! Team! Team!

## Skyrocket Yell

Skyrocket ! !

Whistle (ascending and descending scale)

Ah ..... Boom! Boom!

Alfred ! ! !

## Give 'Em the Axe

Give 'em the axe, the axe, the axe !

Give 'em the axe, the axe, the axe !

Where..... !

Right in the neck, the neck, the neck !

Right in the neck, the neck, the neck !

There..... !

Rickety axe, co axe, co axe

Rickety axe, co hoo.

Every time we hit the line

We go right through.
