Interscholastic Stock Judging Contest Held

At the stock judging contest held on Interscholastic Day under the auspices of Prof. A. E. Champlain of Ag. School, keen competition and interest was shown by the one hundred and forty-four boys who entered.

Holstein, Jersey and Ayrshire cattle were judged and the winners were divided into three classes, A, B, C.

The places taken were:—

- under A—Wyoming—first
- Randolph—second
- B—Friendship—first
- Hinsdale—second
- C—Honeoye—first
- Andover—second

Cups were awarded to winners in first place and banners to those in second place.

The highest individual winner was Walter Link from Angelica.

Ceramic Society Holds Election Of Officers For Next Year

Last Tuesday evening at a meeting of the Ceramic Society, officers for the coming year were elected as follows:

President—	Harold E. Karthaus
Vice Pres.—	Leland R. Armstrong
Secretary—	George W. Hill
Treasurer—	R. Karl Smith

UNION CHURCH CHOOSES McLEOD FOR PASTOR

As President Davis announced in assembly on Thursday, a vote was taken from the Church congregation in regard to the selection of a minister and director of religious activities in the college for the next year. The three candidates were: Reverend J. C. Jensen, the Reverend M. Hipps and James C. McLeod. The results of the ballot distributed only seven votes between the first two. The large majority in favor of Mr. McLeod is a significant indication of student opinion; it is hoped that he can be obtained for this position.

Faculty Notes

Professor Campbell and Bond with the abnormal psychology class journeyed to Willard on May 14th. Judging from all reports, they gained quite a new slant on life.

Officers of Athletic Ass'n To Be Elected Thursday

At the meeting of the student body held after assembly, May 16, the officers of the Athletic Association for next year were nominated. These, together with any later nominees, will be voted upon in assembly, May 23. The nominations are:

For president—	Lee Armstrong
	Jack McGraw
For Secretary—	Claire Persing
	Frances Rogers

BIOLOGICAL SOCIETY ELECTS OFFICERS

The last meeting of the Biological Society was held Thursday at the Steinheim for the election and installation of officers. The following were elected: Pres., Lawrence Cranston; Vice-Pres., Marguerite Hutchinson; Secretary, Samuel Wenger and Treas., Harold Gullbergh.

After the business meeting refreshments were served in the form of doughnuts and coffee.

Alumni Hold Annual Banquet in Buffalo

The annual dinner of the Buffalo Branch of A. U. Alumni, held on the evening of May 4, was one of the most successful in the fifteen years of the Branch's history. Mrs. Harold B. Milward (Fannie Bonham '07) presided and introduced the speakers, who were, with their topics: Dean Dora K. Degen, "Alfred Co-Ed"; Calvert K. Melten, Principal Lafayette High School "What Enthusiasm, Perseverance and a College Education can do for a Young Man or Woman"; President Boothe Davis, "The Alumni, the Justification for the College." Musical Director Ray W. Wingate gave effective leadership in the singing of the University songs. Others present from Alfred were Mrs. Boothe C. Davis, Mrs. R. W. Wingate and Mr. and Mrs. L. C. Boyce.

Both Mrs. Milward and President Davis paid high tribute to Mrs. L. W. H. Gibbs to whose enthusiasm and work the Buffalo Branch owes much of its success.

Officers elected for the ensuing year are: Pres. Shirley Palmiter, Niagara Falls; Vice Pres. Mrs. Allen T. Williams; Sec. Walter Gibbs; Teas. Mrs. Henry S. Wasson; Historian, Mrs. H. B. Milward. Following the dinner, dancing and visiting filled the time until twelve.

ETA MU ALPHA OFFICERS FOR COMING YEAR CHOSEN

On Wednesday evening, May 15th, Eta Mu Alpha, the honorary scholastic fraternity, held a meeting at Pi Alpha Pi for the formal initiation of Samuel Horowitz. The members were all in academic costume.

At a business meeting held after the ceremony officers for next year were elected as follows:

President—	Ruth Hunting
Vice President—	Helen Hammond
Sec.-Treas.—	William Fabianic

Sophmores Elect Ellison Secretary After Tie Vote

At a meeting of the Sophomore Class Thursday, a re-election for the office of secretary was held. In the previous election, there was a tie between Smith and Ellison. As two thirds of the class was not present at the second voting the election could not be recognized. However, Betty Smith withdrew, leaving Ellison the only nominee for secretary.

Nominations for the person to whom the Kanakadea is to be dedicated were received at this meeting.

PHI PSI OMEGA, PHI SIGMA GAMMA TAP NEW MEMBERS

At the regular assembly, Thursday, May 16th, Phi Psi Omega elected to membership the following men: John R. Spicer, Robert B. Bassett, John F. Hambel, Harold E. Karthaus and Alfred J. Voorhies. Phi Psi Omega is an honorary fraternity choosing its members from the two upper classes, membership being based on scholarship, personality, and ability and initiative to do extra curricular work.

Phi Sigma Gamma, women's honorary fraternity; membership in which is determined by the ideals, attitudes and extra curricular activities of those considered, also chose new members. The following were honored with membership: Garnett G. Blackmore, Adelaide P. Vores, Ada M. Piantanida, A. Ortense Potter, Dorothy A. Hawley, Dorothy E. Hallock and Florence A. Ploetz.

Student Life Committee Representatives Elected

Professor Ildra Harris, Professor Irwin Conroe, Leland Armstrong and John Hambel were elected to the Student Life Committee for next year at the meeting of the student body held after Assembly on Thursday.

To act in conjunction with these four newly elected members, the faculty will in the near future elect one student and two faculty members.

TENNIS TEAM LOSES SECOND MEET WITH MANSFIELD

The little heard of but hard fighting tennis team of Alfred lost a closely matched tournament to the Mansfield State Teacher's College here last Thursday by the score of 4-2. Although the playing was not sufficient to overcome the strong opposition. Pomerantz and Northrup won decisive victories over their opponents in singles, but after a lead of 4-1 they were defeated by the same players in the doubles, due to the lack of co-ordination. Although the team has lost both matches they still have opportunities as both Rochester and Cook remain to be played. The team has good material in Kuite, Pomerantz, Bassett and Northrup but with the past poor practicing conditions the team work is not well organized.

Discussion Unemployment In Pi Gamma Mu Meeting

On Tuesday evening, May 14th, Pi Gamma Mu, social science fraternity, held an interesting discussion led by John Hambel and Howard Howbridge.

The topic under discussion was "Unemployment—Its Causes and Its Remedies."

INTERSCHOLASTIC CONTESTS SHOW KEEN COMPETITION; COLLEGE RECORD BROKEN

DEAN NORWOOD GIVES ASSEMBLY ADDRESS

The Assembly program, Thursday, May 16th, was in charge of Dean Norwood who gave a stereoptican lecture on his transcontinental tour, made during the summer of 1928. The primary purpose of the trip was the S. D. B. conference in California. Dean Norwood traveled in company with several other Alfredians under the name of "The Westward Wandering Whippeteers". The trip took forty-six days and led through twenty states covering a distance of eight thousand, one hundred and eight-eight miles.

Dean Norwood pointed out the following as being the most impressive and beautiful sights of the trip; the deserts of the south west, Yellowstone Park, the Big Trees of California, the Petrified Forest of Arizona, the Grand Canyon, Pike's Peak, the Garden of the Gods, and the impressive and cathedral like mountains of the far west.

Stereoptican views of these and many other noteworthy sights were shown.

SAXON TEAMS SHAPE UP FOR MIDDLE ATLANTICS

The team which will represent Alfred in the Middle Atlantics annual Track and Field Meet to be held Fri. and Saturday at Haverford, will leave Thursday morning. At present the only men whom it is known will make the trip are Capt. Klinger, Getz, Boulton, Fredericks, Zschiegner, and Olander. Time trials will be held today and tomorrow to decide which men of the remainder of the squad will represent the Purple.

In addition to the regular varsity competition, a freshman relay team will enter the medley relay event. Warde will run the mile and Vance the half-mile with time trials to determine the men who will run the 440 and 220 yard dashes.

Trials in all events but the mile, two mile, pole vault, and high jump will be run off Friday afternoon at Walton Field in Haverford. Finals in all events will be held Saturday.

"Alfred has no chance to win the Middle Atlantics", stated Coach E. A. Heers. "Harverford, runner-up for the last two years is the likely winner. A little luck may bolster Alfred up from fifth or sixth to second or third places."

JUDGING FOR ANNUAL ENGLISH PRIZES BEGINS

Judging for the Burdett B. Brown Senior English Prizes, of ten dollars each, has begun. The Seniors, five of whom are to be chosen, are now being considered with the head of the English department as chairman of the committee. The points on which they will be judged include classroom discussions, oral expression, examination papers, essays, debates, and orations, each from the standpoint of clarity of thought and quality of expression.

INTERSCHOLASTIC SPEAKING CONTEST

The judges of the Interscholastic Speaking Contests state that, because of the unlimited nature of the numbers rendered, it was impossible for them to perform accurately. It has been suggested that, before the requirements for the contests be mailed another year, a committee be organized to determine more specifically the type of material to be used. In order to have uniformity throughout, a revision of the rules will be necessary.

Over 350 Athletes Participate; Show Varied Prowees; State-wide Representation Attracts Large Crowd

Five of Alfred's Interscholastic records were sent crashing into oblivion Friday as 350 high school athletes battled for honors in the annual meet. As the smoke of the battle cleared off, Schenectady's well balanced track team emerged smiling and easily victorious, in their possession were seven medals and the team trophy.

Friday morning "Old Man Sunshine" emerged from the bank of clouds, where he has been hiding since last October, and shed his warm, welcome, rays down on Merrill Field. The athletes spurred on by this unusual break went thru their paces in style. Moran of Niagara Falls, who has attended several of Alfred's meets, boosted the Pole Vault record up to 11 feet 7¼ inches while the sun burned crowd was eagerly devouring beefsteak at the Parish House. The record of 11 feet 6 inches was made by Bryan of Haverling High in 1920. Moran raised it one and a quarter inches, to a new height that will present a strenuous obstacle to future would-be record breakers in that event.

Geoffrian of Lafayette cut down the time on the 220 low hurdles when he sped around the track in 27 and 2-5 seconds. This time wipes out the record made by Waltman of Corning Free Academy in 1928. Geoffrian cleared the barriers in good style and showed a sprint, after the last jump, that clinched the glory for him. As the record breaking carnival wore on, Sebastian of Sharon whirled thru the discus ring and heaved the stove-lid 108 feet, 7 inches, to erase the 108 foot record made by Martin of Lock Haven last year.

The final track event of the day brought out nine relay teams. The teams ran in heats and the best time taken. The Elmira team composed of three football men and a mile runner navigated the cinders in 2 min., 48 2-5 seconds to lower the existing record by 4 seconds. After the relay had been decided the crowd began to dwindle away to the supper tables. The sun was slowly sinking and every one was tired. It was under these conditions that Mason of Bennett High, Buffalo, furnished the spectators remaining with the greatest thrill of the meet when he cleared the high jump bar at 5 feet 11¼ inches for a new record. Landresky of Lafayette also succeeded in clearing the bar above the record height, but he failed to keep up to the air-minded Mason who was not the least disturbed as he topped the bar which most of the spectators were able to walk under without stopping.

Finch of Elmira furnished the fans with a thrill when he stepped out after a slow two laps in the first part of the mile run to lead the pack at a fast pace for the remaining three. His time for the race was one second slower than record time.

In the race for individual honors Elliot of Rochester Monroe came thru with the bacon garnering a total of 8½ points. Elliotts closest opponent for this was Sebastian from Sharon, Pa., who garnered an even eight in the course of the meet and was capable of crashing thru into more points were it not for the fact that contestants are barred from entering more than three events and the relay. Elliotts points came from a second in the 220 dash, a second in the broad jump and an eighth man tie for fifth in the high jump.

In the scoring by teams, Schenectady was the winner. Continued on page three

Middle Athletics Meet

Opportunity is knocking at the door of Alfred's track team--the chance to win the Middle Atlantic Meet at Haverford, Pa., is awaiting them this week. The fact that N. Y. U. dropped out of the Middle Atlantic Association gives Alfred the biggest break in years so our men are out to win if win they can. For weeks they have been training for this event with but little recognition from the student body--and that backing is now due. Send off the team (Thursday) with the ringing Alfred spirit, and if they come thru with the Purple and Gold at the meet, let's see a bonfire--the biggest one in history--let's hear some cheers, let's show them we're here with our goods as they are with theirs!

Building

It is significant fact that a college is judged from the standpoint of its extra-curricular activities almost as much as from its personnae. Numerous alumni have said that the background of experience gained thru participation in the work of student organizations contributed as much toward their success as the subject matter learned during the four-year term. This fact merits our attention--challenges our ability to perfect these group functionings into efficiently directed, worthwhile, 100% interest relationships that will prove constructive in the future.

By thinking of the objectives to be set as marking the coming year's note of advance, and by planning now for the attainment of these goals, a preparation is made for next year which should help cast the die of its outcome.

Alfred is a small college, in a small town well isolated from the outside world. It is our tendency, as a result of this, to become narrow in our outlook on life, to neglect the world of affairs into which we shall be cast. To overcome this, there is the possibility of organizing a democratic society for the purpose of gaining practical information concerning the world at large, today. A Foreign Relations Society of this sort would be open to anyone who is interested, would have its material furnished by the N. S. F. of A. and would be an active discussion group which would savor of the social as well. Think of this idea and if you wish to broaden your perspective of the outside world--be ready to support it!

Another idea which is ready to be developed is that of forming a debating society which might or might not meet other college teams. Considering the fact that a pre-law course is offered at Alfred, it seems that the training in this direction is meagre, indeed, and a debating club for lawyers-to-be sounds promising. Doubtless there are others who would appreciate training in the poise and perception which such activity could offer;--when the time comes for this thought to crystallize into reality, if you are interested, do your bit.

The suggestion has been made that a student curriculum committee be formed to aid the faculty in reorganizing the courses each year--to request new subjects and constructively criticize the old with the view of eliminating the poor and increasing the good in the college curricula. Think this over and have your conceptions of it ready to offer.

Next year the college is initiating a new faculty office--that of the director of religious activities, in conjunction with the pastorate of the Union Church. This means that the Y. M. C. A. and Y. W. C. A. should become more active, contributing more to our college life than they have in the past. This is one of the most hopeful aspects of the future--start up your enthusiasm and stand in back of these organizations!

ady was by far the leader, caging an aggregate of 42½ points, due to consistent placing. Schenectady men placed in all events except the 220 dash, the 880 run and the discus—an evidence of a well balanced team minus the services of an outstanding man or two. Farther down the scoring column, although taking second place in the meet, comes Lafayette of Buffalo with a team total of 28. Next in line is Buffalo East with 17½, closely pressed by Elmira's total of 16½. Buffalo Hutchinson took fifth with 12 1-6 points.

Pre-Season Football Practices

Planned For Coming Year

Pre-season football will start on or
about Sept. 1, when a limited number
of gridiron men will make their ap-
pearance on the field. The next pre-
season is in many respects much bet-
ter than it has been in previous years.

Arrangements have been made to
bring back a larger number than
usual to train for the difficult oppo-
sition which will greet the Purple and
Gold eleven on the gridiron battle-
field. Plans are now under way to
accommodate the whole first team
and as many of the rest of the squad
as possible with sleeping facilities in
the Davis gym.

This pre-season is being lengthened
to prepare the Saxon eleven for the
Clarkson game at Merrill field on
Sept. 21, the day after the upperclass-
men register. The Clarkson aggre-
gation is supposed to be much
stronger than in the past and the
Tech boys have not forgotten the 37-0
defeat handed to them last November
by the Alfred players.

SPORT LIGHTS

By Wutz

The varsity has enjoyed a week's
rest from actual competition and should
be in shape to enter the Middle At-
lantics with the vim, vigor and vi-
tality necessary to bring home the two
gallon cup.

Those who let the gnawing pains
in their stomachs get the better of their
desires to see a track meet late Friday
afternoon missed the greatest feature
of the day when Mason of Buffalo
Bennett hopped over the high jump
bar at 5 ft. 11¼ in. Perhaps it would
take a strong memory to hark back to
the day when an Alfred crowd was
rewarded with such an event.

Wilbur Getz, Alfred's premier dis-
tance runner, will enter his last races
in the purple and gold uniform when
he enters the Middle Atlantics. Getz
in his four years at college has trained
conscientiously, his runnig was
of such a calibre that he traveled far
in trying out for the Olympics and
other races. Getz has probably done
more than any other athlete, in Al-
fred's history, to make the college
better known. To him is due a great
deal of honor and praise. For four
years the students have expected him
to win and considered it a course of
events when he did. Now on the eve
of his college career the entire stud-
ent body should show their respect.

SENIORS VICTORIOUS IN INTERCLASS MEET

Out of the bigness of his heart,
"Old Man Weather" allowed at least one
athletic event to take place without
the usual atmospheric interruption.
On Wednesday last, the annual out-
door interclass meet, including Soph-
Frosh competition, was held. The
former resulted in an outstanding
victory for the class of '29 with 61
points. The Frosh, Sophs and
Juniors finished second, third and
fourth with 44, 40½ and 7½ points
respectively. From the longer runs
right down thru the field events and
relay, the class of '29 had monarchis-
tic control. Bob Bassett, the one
Junior class team managed, thru the
javelin, broad and high jumps, to
harvest 7½ points, the sum total for
his class. The relay was a close
affair up until the last quarter when
Steele received the baton and virtu-
ally "ran away" with it.

The certainty of Senior victory in
the interclass meet, waved the maxi-
mum of attention toward the under-
class competition, which interest was
gratified by a close struggle; closer
in fact than the score indicates.
Olander, husky Sophomore, did his
share in keeping '31's head above
water by monopolizing three firsts in
an equal number of strength events.
The Frosh scoring was evenly divid-
ed among the members of that prom-
ising aggregation. They garnered 72
points in this duel event, to out-
distance their rivals who finished
with 59.

THE UNIVERSITY OF BUFFALO

SCHOOL OF DENTISTRY

ANNOUNCEMENT

The Council of the University of Buffalo announce the adoption of the
four-quarter plan of instruction in the teaching of dentistry. The first session
will begin July 1st, 1929. The course is continuous and consists of twelve
quarters of eleven weeks each with vacation periods of two weeks between the
quarters.

The curriculum consists of a basic and a specialized course of instruction.
The basic course considers dentistry, as a branch of medicine and in conjunction
with the faculty of the School of Medicine, courses are offered in the funda-
mental subjects with credit toward the medical degree. The future contact
of the medical and dental practitioners is secured through this common basic
training. It is imperative in the conservation of human life that these two
great professions of health service should have a common ground for the inter-
change of ideas. The object of the basic instruction is to gain a higher and
broader interpretation of the relation which dentistry bears toward the cause
and treatment of systemic disease.

The course of dental specialization is to teach the student to become a
creative, independent practitioner. It consists of fundamental instruction in
technical procedures which constantly alternate with infirmity schedules. Stu-
dents are allowed to progress as fast as they may demonstrate their ability.
They are given every opportunity for clinical experience in independent prac-
tice by the various assignments at the hospital wards and clinics.

The economic feature of this course is appealing to the average student
who wishes to enter dental practice at the earliest opportunity, as it reduces
the dental course of six years to one of five years (two years of pre-professional
and three years of medico-dental study). Unparalleled opportunities are
offered at the hospitals to determine through study and research the interde-
pendence of medicine and dentistry in cooperative diagnosis.

Professional study requires a type of education commensurate with the
responsibilities of professional practice. In view of the recent advance in
both the theoretical and clinical work, valuable time may be saved by utilizing
the long summer vacation period. More constant contact with the professional
curriculum results inevitably in a greater breath of knowledge and a higher
accomplishment in technical skill.

Dentistry offers unusual opportunities to those who wish to specialize
in surgery, orthodontia, technical and scientific fields, and in general health
education.

The classes are limited in numbers.

The next college term opens July 1st, 1929. Catalog on request.

CAMPUS PERSONALS**Annex**

Miss Carol Schauman and Miss Edythe Coats of Rochester spent the week-end with Lois Metcalf.

Scalp and Blade

Javelin Himmele, undergraduate secretary, stopped to see the boys Sunday on a trip back to Buffalo from Cornell and Colgate. After a dinner at Hill's and an inspection tour of the campus he returned home.

Sigma Chi Nu

Miss Marie Thompkins, Miss Lucille Barmore of Gerry and Bea Schroeder '27 of Forestville were week-end guests.

Bernice reports a wonderful week-end in Friendship.

Altogether now, three long cheers for Klan spring formal.

Personals

Mrs. Vara B. Kimmey, the State supervisor of drawing, visited the Ceramic School last Thursday.

James P. Morris, William H. Murray, Lawrence W. Callahan, and Alfred Busch, visited Cornell, Hobart, Colgate and Syracuse Universities over the week-end.

Pi Alpha Pi

Mary Stevely was a week-end guest. Hazel Mott and Verna King spent Saturday night at the house.

Annette Clifford was a dinner guest on Wednesday.

Miriam VanDuyne and Janet Street-er were at the house on Thursday.

Great parties—Klan—Theta Nu.

Helen Karthaus was entertained on Sunday.

Theta Theta Chi

Huldah Hicks and Marian Clap were guests over the week-end.

Was the water cold, "Tubby" and "Ken"?

It was fun, Theta Nu and Klan.

Fran. Roger's father made "a hole in one". She is practicing now!

Theta Chi was glad to entertain a number of Theta Nu and Klan girl friends over the week-end.

Ella went seeking a "Spring Day" at Cornell Saturday.

Delta Sigma Phi

J. Larson, Alpha Iota from Ohio State University was a guest for two days during the past week.

Delta Sig takes pleasure in announcing that "Wutz" Rauber and "Gawge" Monks will give recitals every Saturday night for the benefit of those who can not reach Hornell. Tickets may be obtained from "Don" Lynn, Grand P. & T.

"Don" Lynn and "Ken" Nichols spent the first half of last week in New York City seeing a man about a dog.

"Chick" Snell and "Norm" Stolte tee'd up at Dansville Saturday and on the way home lost the score card.

Kappa Psi Upsilon

A pleasant surprise was meted to us with the announcement of the engagement of Lois Metcalf to Gilbert Boyd.

"Les" Spier and Esca were visitors on Saturday. "Les" is now a Junior in the Syracuse College of Medicine.

Wilbur runs a fast mile between the Brick and the House. It's called the "Twilight Mile".

Merck, Neilsen, Owens, Ostrander, Newlands, Beeton and Bryant attended the Geneseo Junior Prom on Saturday evening.

Claude Voorhies '28 climbed the Hill on Saturday...and yodled for us.

Field and Sanchez did the Great White Way the past week-end.

The Brick

Miss Rosalie Manieri of Salamanca was the week-end guest of her sister Theresa.

Dorothy McMartin of Dunkirk, Helen Karthaus of Greenwich, Eleanor Tompkinson of Geneseo and Margery Virth of Dansville were the guests of Julia Petko for part of the week-end.

Alice Palmer, Ada Piantanida and Arlene Rust spent the week-end with Betty Swain at Hornell.

Miss Elinor Bird of Rochester spent the week-end with her sister Katherine.

Theta Kappa Nu Holds Formal at Country Club

To the rhythmic melodies furnished by Frank Terry and his Chicago Night ingales the members and pledges of Theta Kappa Nu held their annual spring formal at the Hornell Country Club, May 16.

The evening began with a dinner dance from six until seven o'clock followed by a short intermission after which the dancing was resumed until twelve. The chaperons and guests were: Prof. and Mrs. E. F. Hildebrand, Prof. Ford, Prof. Borrass, Miss Elva Starr, Coach McLane, Miss Frost and Mr. Alfred Caine.

Klan Alpine Has Spring Formal At Sherwood

Klan Alpine held their annual spring formal at the Hotel Sherwood on May 18.

The large ballroom was attractively decorated with wisteria and rainbow colors that gave a festive atmosphere to the occasion, while the Chicago Troubadors furnished exceptionally good dinner and dance music for the gay couples present.

The chaperons were Professor and Mrs. I. A. Conroe, Coach and Mrs. E. A. Heers; Coach James McLane and Professor Ildra Harris.

KAPPA PSI HOLD SPRING PART AT COUNTRY CLUB

The Kappa Psi Upsilon annual spring dance was held May 11, at the Wellsville Country Club. At dinner, the loving cup favors symbolized the engagement of Lois Metcalf and Gilbert Boyd, the announcement of which created much excitement. Later the carefree group had some excellent dances to the music of the Bradford Collegians.

The Patrons and Patronesses were Prof. and Mrs. Ross, Prof. and Mrs. Campbell and Prof. and Mrs. Wingate.

The officers of the Brick for next year are: Helen Hammond, president; Ruth Hunting, secretary; and Margaret Skinner, treasurer.

Miss Ruth Parker of Andover and Miss Agnes Richardson of Bolivar were the week-end guests of Helen Dilks.

Alice Overton's guests for the week-end were, "Ted" Vincent, "Pat" Brian and Gretchen Eddy, all of Rochester.

The Girl's Frosh basketball team celebrated their victorious season by a banquet here Wednesday night.

Helen Ellis spent the vacation in Corning.

Theta Kappa Nu

Mother Post spent the week-end in Cleveland, hence the departure of nearly every body to his or his friend's home town. Maybe though, that wasn't the only reason Webster and Sackett went to Cuba Lake or that Call, Alford, Clarke and Blomquist went to Buffalo or Charlie Gilder to Geneseo. Some of the alumni stuck by though, for William Wansor and Eldon Sanford paid us visits of various lengths lately.

Frosh Win From Cook Academy in Close Meet

The Freshman Track team journeyed to Cook Academy Saturday and returned victorious only after a hard and close meet, the final score being 59-54 in favor of the yearlings. Four Cook Academy records were shattered at this meet of which the Alfred men broke three. These tracksteers were, Vance, bettering the half-mile; Warde making a new mile, and McConnell, a new 440 yard record.

Robinson was high scorer for the Frosh with 15 points, while McKusick of Cook was second with a total of 11.

The results:

Shot put—Robinson (A), first; Cook A., second and third. Distance, 39 ft., 7½ in.

100 yard dash—Cook A., first; Keats (A) and Cook A. tied second. Time, 10:25.
