### Get Out and Vote

Alfred University stands behind the idea that we all benefit when a greater share of Americans register and vote. This year there will be an important general election on Nov. 8, 2016. If you are not already registered to vote, please consider doing so now.

Alfred University students have a choice of registering and voting right here in Allegany County (if you have been a resident in your present address for at least 30 days before the election) or voting by absentee ballot in your home county or state. The choice is yours, but please plan to register and vote.

You can download the registration form and get more information about voting in New York State, including instructions on how to vote by absentee ballot, at this Web site maintained by the NYS Board of Elections: [www.elections.ny.gov](http://www.elections.ny.gov).

You can also stop by the Center for Student Involvement to pick up a form for NYS. The Center for Academic Success also have forms available.

Please make sure that to register to vote, you must complete the form, print it out, sign it, and mail it to the county's Board of Elections.

To request an absentee ballot for New York State, go to <http://www.elections.ny.gov>...

For information about other states' registration deadlines and absentee ballot request deadlines you can visit <http://campusvoteproject.org>....

### Experience German College, Culture, and Cars

Ever wonder what a day in the life of a German college student is like? (College is tuition-free, students are paid by their employer to go to school half the year and work the other half.) How humans and robots can work together? How businesses compete for customer market share globally?

What it is like to be inside a medieval city? What makes Munich one of the most popular cities to visit in Europe? How the automobile evolved over the past 100+ years? What would it be like to see two of the most extensive car collections in the world?

All these will be covered in the Allen Term 2017 class on the German Auto Industry. If you are interested, come to an information session this afternoon at 4:45 p.m. in Olin 310.

### **Pamela Bernstein & Gene Bernstein Leadership Internship Award**

Students who graduate college without substantial experiences are at a disadvantage when applying for jobs or graduate programs. Hands-on experiences are critical for leadership development. Internships also provide opportunities for networking, mentoring, and obtaining references and recommendations. This is an opportunity for students to take advantage of internships and conference opportunities.

This internship award has a rolling application date. Please contact Ana Gauthier ([gauthier@alfred.edu](mailto:gauthier@alfred.edu)) in the Judson Leadership Center for this application and to obtain additional information.

### **Speaker for Native American Food Sovereignty - This Friday**

Buffy Turner, of Food Sovereignty is Tribal Sovereignty, will be the speaker at the first Women's and Gender Studies Roundtable of the year. The roundtable will be on Friday, September 9, from 12:20 - 1:10 p.m. in the Judson Leadership Center. The roundtables are free and open to the public. Buffy Turner's topic will be:

Minonjigewin: Women Warriors Leading Native Food Sovereignty & Resurgence

How do you feed yourself in the 524th year of genocide? How do Native women reclaim strength and leadership through providing sustenance? How do you grow new tribal food systems rooted in tradition? What's it like to take on the federal government, the oil industry and the patriarchy in order to put good food on the table? And don't "Manoomin with Prickly Pear Ruby Dressing" and "Coriander-Cured Bison Tenderloin with a Wild Chokecherry Sauce" sound like innovative cuisine to you?

For most people, the narrative of Native foods in North America begins with Thanksgiving and bottoms out with diabetes rates twice as high in NDN Country as in white America today, and 1 in 4 Native folks defined as food insecure. Come hear the rest of the story through the perspectives of Native women professors, land & water defenders, seedkeepers, chefs, "Junkfood Tax" champions, vice-presidential candidates, granddaughters of corn priestesses, fisherwomen, National Organic Standards board members, poets and more.

A selection of tribal foods will be served at the roundtable.

## AU Photo Library Online - Gallery Server Pro

AU has a new searchable photo library, Gallery Server Pro (<http://gsp.alfred.edu>), accessible to AU faculty/staff. This library contains a wide variety of downloadable AU images ranging from seasonal campus scenics, to classrooms/labs, to selected campus events. To access, please go to our.alfred.edu and scroll down the left-hand side to Faculty/Staff. Click on Faculty/Staff and scroll down to Gallery Server Pro.

Gallery Server images are cataloged by semester, by month and by topic, and as new photo assignments are completed, additional images will be cataloged and posted on a regular basis. The photos are extensively tagged to assist in searches for specific subjects.

NOTE: The images have been carefully selected from more extensive photo sessions that include alternative views and formats (landscape vs portrait). Those images are archived separately and you will need to contact Rick McLay, director of Creative Services at 2736 ([mclay@alfred.edu](mailto:mclay@alfred.edu)) to inquire about those additional images. There is also a separate folder dedicated to faculty/staff portraits, many of which were completed the week of Aug. 17, 2015.

### BEFORE YOU DOWNLOAD

The primary use of many of these images is for Admissions and University Relations marketing efforts in both printed and web formats. In order to keep track of downloads (except for faculty/staff portraits), please contact Rick McLay ([mclay@alfred.edu](mailto:mclay@alfred.edu)) or Judy Linza ([linza@alfred.edu](mailto:linza@alfred.edu)) with information on which images you are downloading, and where they are going to be used.

### TO DOWNLOAD

Access to Gallery Server requires AU username/password to review images and to download in three formats: 1. Thumbnail (small image), 2. Web optimized (low resolution but full size), and 3. Original (high resolution). To download the image of your choice, use the download/share icon, which is the one on the left in the icon grouping above each image, and follow the directions.

### ADDING PHOTOS TO THE AU PHOTO LIBRARY

We welcome the opportunity to obtain images from faculty and staff. Though much effort goes into documenting as many things as possible on campus, it is impossible to cover it all. When there are events such as art shows, or special lab/classroom activities that faculty/staff are photographing, we would very much like to review those images so that the library is as comprehensive as possible. Please contact Rick McLay if you have images that you think should be considered for this.

### ATHLETICS PHOTOS

Current images of athletics events are available at (<http://gosaxons.com>). By contractual arrangement with the professional photographer, there will be a charge for athletics images. Mark Whitehouse, AU's Sports Information director ([whitehouse.alfred.edu](mailto:whitehouse.alfred.edu)), is the contact regarding usage.

If you have any questions or suggestions for photos you want cataloged and included, please contact Rick McLay at [mclay@alfred.edu](mailto:mclay@alfred.edu) or Ext. 2736. If a student requests access, please contact Rick McLay.
